CULCAIRN MPS BOGAN THEMED BARBEQUE

Culcairn MPS got in the Aussie spirit last week with a bogan-themed barbecue!

Focusing on unity, the MLHD team and residents dressed up in their favourite bogan outfits and celebrated all things Australia.

With a fabulous atmosphere and mullets to match, the event was one to remember for staff and residents alike.

Thank you to the wonderful Culcairn Activities Team for all your hard work in making this happen.

WALLY WIPEOUT

Wally wipeout returned to Culcairn pool on Monday, the Australia Day public holiday. Lots of kids enjoyed the fun afternoon and kept cool while the temperatures reached 40 degrees. It was great to see everyone having fun together and having a laugh at the kids falling off. Our awesome life-guards also had a go at Wally Wipeout. It was a great community event for everyone to enjoy!

Wally wipeout will be back at Culcairn Pool from 2.30pm on Sunday 16th February. Come and get in on the action. It's slip, slide and bouncing good fun for the little and big kids!

CULCAIRN COINS FOR CANCER

Have you ever carried a load that you didn't mind carrying and even wished was heavier? Well, that's how I feel each time I empty the CCforC boxes. I'm always surprised at how heavy coins are. For my last collection Oct-Dec of \$375 I had to do the trip into the bank in 2 goes. One bag was too heavy. Wow, what a joy. Last year's collections totalled \$1712.

All up since the boxes' inceptions in June 2021 the sum of \$5459 has been donated to the Albury-Wodonga Cancer Centre.

I don't know what motivates you all to keep on popping those coins (and sometimes notes) into the boxes and I don't care. Just keep it coming.

How great I feel if I get a head's up from Foodworks to please come and empty the box as it's getting too full.

I'm sure you know someone who is battling with cancer. You can feel proud that your contributions are going 100% towards alleviating their suffering and working towards, we pray, restoring them to full health. Deepest thanks on their behalf. Well done all and God bless.

HENTY- CULCAIRN PROBUS

Our meeting was at Henty. Our President Warren welcomed us and our two visitors Vivien and Neil. Alison Schuster was our five minute speaker and told us of growing up on a farm with four older brothers. Alison loved sports. The family built tennis courts, and there were tennis parties and singing around the pianola after tea. She remembers dances and being able to see the birds and wild flowers in the swamp. Warren presented Alison with our Probus pen as a thank you token for sharing her happy memories.

After morning tea we had music and singing and we can now sing about Kookaburra living in an old gum tree, as a round. Our main speaker was Daniel Hore, who came with young people from the NDIS support service, Next Step, with whom he works. Daniel is grandson of our member Alice Hore. Daniel has been to the base camp at Mount Everest. He turned a boyhood dream into a real adventure. The physical training involved three times per week with back pack loaded, walking at The Rock for eight months. We learned of the pre organising of evening meals at tea houses, mainly vegetarian meals, sleeping bags were a necessity, and water had to be carried, and then there was learning to breathe the mountain air. We saw photos of the little airport and the amazing mountains, the people carrying enormous loads and the swing bridges where working yaks had priority. Daniel noted the caring and helping nature of the people and the way children valued education. School had a dirt floor with perhaps two hours of lessons and then back to work. The walking seemed to be about ten kilometres per day to the next tea house and past Numchee Village, a Market town. The highest place of worship is Den Bo Che, where there were less trees and a need to drink six litres of water per day or succumb to altitude sickness. Potatoes were grown on farms and there were still seven or eight days of walking to get to the Everest base camp. There has been a recycling business established to clean up after tourists and employ Nepalese people. For Daniel this trip to Everest guided by San Deep, has been amazing, and we have shared the terror of plane flight in the mountains and the learning to control body temperature and getting to the base camp to see 50 to 60 people in various stages of coping with the altitude. The base camp was around minus 25degrees and very easy to get frost bite. The ground was rocky and there is a memorial site for people who died on climbs. Back at the airport before the trip home, Daniel had hot chocolate to celebrate and a need to be involved in helping people in his own community. Now Daniel wants to do walks in Australia before perhaps going back to Nepal. Richard presented Daniel with our token of appreciation, the Probus pen. Our next meeting is to be Wednesday February 12th at Culcairn. Our speaker is to be a surprise for us all. Hope you will join us.

ROS BARBER - THANKS FOR 48 OUTSTANDING YEARS OF SERVICE

Ros Barber has owned and operated the Hair Vogue Hairdressing Salon in Culcairn for the past 48 years.

Ros started this business before she married Bruce. This great business has served Culcairn so well, looking after young and old, men and women and also children. Ros ran this business while raising her family and looking after the family home. That would not have been easy, but Ros has continued on to the point of retirement. Ros tried her very best to sell the Salon and keep it operating. Ros did not want us to be without a hairdresser. Ros genuinely loved doing her hairdressing for all of us, especially the older people of our community. So, who knows where we will go now to get our hair cut? I have no idea, but I would like to thank Ros for her hard work and dedication to our town.

LOWE FAMILY HISTORY- PART 2

Stuart Lowe met his lovely wife Heather, at a dance in Albury. Heather originates from Leeton. Heather was 19 years old when she and Stuart met. I think there may have been a beaten track made by Stuart between Culcairn and Leeton. Many weekend trips were made to create the friendship and eventually in 1967 they married. According to Stuart, Heather was an excellent dancer and a real looker. They attended Youth Group together and many other social functions. They have been married for 57 years.

Both have been tireless workers for the Culcairn community, having a huge input into the Culcairn Golf Club. Heather worked at our local hospital in administration and then at the Council before retiring. In 1981 Heather and Stuart ventured into new careers, building and then operating the Culcairn Motel. Heather has been such a hardworking community minded woman, volunteering for many positions in Culcairn- Henty Field Days, Craft Group, Meals on Wheels, the Tuesday Club to mention just a few. Heather is also incredibly talented, producing exceptional quilts, all handmade, for every member of her family including the grandchildren. Heather was always cooking a slice to take somewhere for someone. Her skills are incredible.

The Lowe family are spread all over from Tasmania to Sydney and even to Mount Isa. Lowe's Farm, Corindhap, is the only farm in the district that still remains owned by the Lowe's after the original settlers of the property of Kirndeem Station divided the landand that's another story! WHY RECORD HISTORY-PART 4

1956 Many Friendships. By active participation in Jaycees, members formed many friendships and the confidence to become a voice in the affairs of their community. It was the greatest force for good in Asian countries. Types of things Jaycees undertook included road safety and courtesy campaigns, flood relief, book drives for troops, public speaking and debating, firewood for aged folk, white elephant auctions, trade promotion and work for the betterment of the community depending on the size of the town and how active members were. It was one of the finest brotherhoods one could find, and it was not only for businessmen, but for every young man who felt he had a place in his community.

Provisional office-bearers were elected as follow: - President Mr Bruce Schultz, vice-president Mr Harry Templeton, Secretary Mr Ron Gardiner, treasurer Mr Ray Shelton, councillors, Messrs Jim Crawley, Glen Schultz, Alan Wilson, Alan Kerle, Donald Lowe, and Noel Wood. In offering their congratulation Mr Peter Roth, president of Albury Jaycees, gave an assurance "that there was no catch in it". Tom Gardiner, secretary of Albury spoke on what Jaycees can offer to Culcairn and what Culcairn can offer to Jaycees. - Date of first meeting was set for Wednesday 8th August 1956.

THE CHAPTER'S FIRST PROJECT. Sections of the blue granite border of the towns 250-yard median strip gardens required repair. The new Junior Chamber sought permission from the Shire Council to undertake replacement of broken sections and to improve the walk throughs.

Permission was granted and became the chapters first community project.

The project committee secured replacement granite rock from Hurricane Hill Quarry and over a couple of weekends renewed damaged sections, cementing bluestone rocks back in.

Then to improve safety especially at night, painted the granite bordered walk-through rocks white. Whilst doing this trimmed and removed the annual falling Palm tree branches creating a very fresh outlook for Balfour Street.

CULCAIRN FIRE AND RESCUE

Fire and Rescue NSW, Station 272 Culcairn held their annual Lolly Run again on Christmas Eve 2024. Great fun, especially for the kids, and the bigger kids! Lollies were donated by Biti Motors. Thanks to all involved in creating this event.

Fire & Rescue NSW's purpose is to enhance community safety, quality of life and confidence by minimising the impact of hazards and emergency incidents.

Let's thank Culcairn 272 for all the wonderful work they have done for our community over the years. Located at 5 Black St, Culcairn, if you would like to join the brigade.

Hotel Update

Well folks, it's been 3 months since taking over the Hotel from Wayne and Roz and it's been pretty full on. I would like to thank a few people who have helped me with a easy transition into the hotel. Wayne and Roz for all your help when starting off and your continued support. Mark Hutchings and the team at Nutrien for their support for stock deliveries, making it easier, always. Roger and PJ for their efforts around the hotel. Barb, Harley and Robbie with their efforts in being **the social team** with raffle and Joker Draw nights going off due to their extraordinary efforts selling tickets.

But without a doubt a huge thank you to the team that continue to serve our patrons at the Hotel. This is not a one-man band, and our team have rolled with the punches with constant changes, from menu changes, supplier changes, cleaning responsibilities and formalised rosters. I thank you all. I would like to mention a couple of people in our team. Firstly, our maintenance man, Tony, for his work to the hotel thus far, you have been amazing mate. Secondly Jena, who I refer to as my ZIC. Her support and ideas have continued to develop our bar team, and they will continue to evolve into a cracking team. To our cleaning staff who keep this place to our patrons' expectations

To our Patrons, thank you for your ongoing support and you will continue to see further changes as we move forward. Accommodation has been upgraded, there is a new bistro menu developed between our existing chef Vicki and our new chef Sam. We are in the process of upgrading all the toilets where possible, even if it could be described as putting lipstick on a pig. There is a new TAB room with room to play pool in the old cafe. Darts will be going into the old TAB space shortly and the gaming room has been upgraded as well.

The Hotel is all about community and will continue to support sporting teams, schools and community group where able, so we push to create the hub the community deserves. If you have an event or activity that needs some support, we may be able to assist, all enquiries are to be discussed with management.
