

Mayor's Message

Sadly, as we approach Spring, the season does not appear to be ideal. Please God we will get some substantial rain during Spring.

It has been a great Winter to do our road programs. The Culcairn subdivision is about to come on line. This will really lift the West end of town.

The Henty Field Days will create a great boom for our businesses.

Best wishes, Cr Tony Quinn, Mayor.

2024 Local Government Elections

On Saturday 14 September 2024, Greater Hume Council will conduct councillor elections to elect nine councillors to serve for a four year term.

A constitutional referendum will also be held for electors to consider whether the Council area should continue to be divided into wards.

On Saturday, 14 September 2024 all electors will be asked to vote on two topics;

1. Voting for the nominated candidates to serve as Councillors for the ward.
2. Voting on whether the ward system is abolished or whether it remains the same.

Save the date
2024 NSW Local Government elections
Saturday,
14 September

Voting is compulsory

Visit elections.nsw.gov.au/lge24
or call 1300 135 736

Regardless of whether your ward is contested, all electors are required to still vote on the referendum.

Electors will be asked to answer “yes” or “no” to the following questions:

Currently Greater Hume is divided into three wards that elect 9 Councillors in total. Do you favour

1. Abolishing this ward system in favour of a single area consisting of all voters that elects 9 councillors?
2. Making no change to this system; That is three wards and 9 councillors remain?”

If the removal of wards is supported by a majority of formal votes cast at the 2024 election, the 2028 local government elections would be conducted as an undivided area (without wards).

The following information is provided to electors in order to assist them in making an informed decision.

NO WARDS

- All the electors have the opportunity to choose all the members of their local council.

To vote to abolish the Wards -
Vote YES to question 1 and NO to question 2

WARDS

- All the electors do not have the opportunity to choose all the members of their local Council.

To vote to keep the Wards
Vote NO to question 1 and YES to question 2

Greater Hume Road Closure and Incident Notifications - NSW Live Traffic

Greater Hume Council are now placing all road closures and other road incidents on the NSW Live Traffic website. This is in line with other NSW Councils to ensure that there is one central information point for residents and travellers. As a result the ‘Current Road and Facility Closures’ page on the Greater Hume Council website will no longer be updated.

Please refer to the NSW Live Traffic website for all road closure notifications, including major works, water over road, road closures and accidents.

NSW Live Traffic can be accessed here - <https://www.livetraffic.com/>.

While every attempt will be made to ensure that the information is up to date on this site, there may be a delay in updating the information, please always drive to the conditions of the road.

2024 Henty Machinery Field Days

Henty field days showcasing its core focus of the latest in ag technology

The rapidly developing ag tech industry will be a highlight at southern Australia's single biggest agricultural event, the Henty Machinery Field Days, in 2024.

The agribusiness super event is scheduled for September 17-19 and will showcase more than \$200 million worth of agricultural machinery and products to the nation.

HMFD chief executive officer Belinda Anderson said the event has become an institution on the farming calendar and had over its 61-year history, evolved into the nation's agricultural shop front.

"The event has a proud heritage and the HMFD Co-operative has never lost sight of the primary reason for its existence – to showcase the agricultural industry, and the very latest in new and emerging agricultural technology," Mrs Anderson said.

A visitor survey in 2022 revealed an incredible 78 per cent of visitors had been to the event in previous years an average of nine times.

A total of 93 per cent of all visitors came from outside of the Greater Hume local government area. Almost half of event visitors travelled more than 100km to attend and 14 per cent bought major purchases at an average of \$4158.

This year's field days will have all the usual attractions including the prestigious Henty Machine of the Year Award, the working sheep dog trials, Country Lifestyle pavilion, Farm Gate Produce Area, Baker Seeds agronomy trials, helicopter joy rides, live entertainment, the Natural Fibre Fashion Awards and vintage farm machinery display.

"2024 will further enhance the visitor experience with Agtech Alley, a collaboration with the NSW Department of Primary Industries," Mrs Anderson said.

"This hub will connect over 40 collaborating business, industry, grower and producer organisations, and delivers an extensive schedule of workshop, demonstrations, panel discussions, networking events and start-up mentoring for all attendees.

The 2024 field days will be officially opened by popular meteorologist, presenter and founder of Jane's Weather, Jane Bunn.

The official opening on Tuesday, September 17 will include the presentation of the prestigious Henty Machine of the Year Award while Greater Hume Council will sponsor the Best Australian Designed and Manufactured Machine to be presented on Wednesday, September 18 at 10.30am.

Juvenilia Exhibition coming to Holbrook Library and Culcairn Library

Holbrook Library and Culcairn Library will host an exhibition of the early childhood works of some of Australia's best loved kids' authors and illustrators.

The Juvenilia exhibition is a collection of more than 100 pieces from over 20 of Australia's award-winning children's authors and illustrators, including two former Australian Children's Laureates (Alison Lester and Ursula Dubosarsky) and well-known writers Andy Griffiths, Graeme Base and Danny Katz. Many exhibits on display are original pieces, some dating back over 50 years.

Juvenilia was created by podcaster, content creator and internationally award-nominated children's author Aimee Chan. 'This is all about the origins of creativity' says Aimee. 'Everyone starts somewhere.'

Whether it's writing stories by hand on scraps of paper or drawing pictures in pencil and rubbing them out. Today's most prominent creators of children's books all started as children too, dreaming about being able to publish their own stories. This unique and very intimate collection is an insight into the early creative writing and drawing of some of the most established authors and illustrators in Australia.'

Children from Holbrook Public School and St. Patricks School have been invited to the Juvenilia launch event at Holbrook Library with Aimee, and special guest, Dianne Wolfer, one of the featured authors in the exhibition.

The launch will take place at 10am on Tuesday, 27 August 2024. The launch is also open to everyone in our community. Please phone T: 02 6036 0100 to book in for the launch event or otherwise, call in any time from 28 August through to 2 October to enjoy the exhibition.

The exhibition will then move on to Culcairn Library where there will be a public launch at 5pm Friday, 4 October 2024. The exhibition will remain at Culcairn Library until 7 November 2024.

Over the last two years, Juvenilia has toured literary festivals, libraries and galleries across Victoria, New South Wales, South Australia and Canberra and has been well received by the general public and the kids' publishing industry. The Australian Children's Laureate Foundation has called Juvenilia 'a fabulous initiative' and children's writers and illustrators agree, labelling it 'an insightful and important exhibit which deserves to be included at prominent international literature events'

Juvenilia has received support from a range of arts and literary bodies, including the National Centre for Australian Children's Literature,

Regional Arts NSW, Writers Victoria and the Society for Children's Book Writers and Illustrators (SCBWI).

You may find more information on Juvenilia at www.aimeechan.com/juvenilia

Save Power Kits

Contained in an easy-to-carry case, RRL's Save Power Kits will help you identify the biggest energy users in your home.

Each kit contains a power meter to measure the energy consumption and running costs of your appliances, a thermometer to ensure your fridge, freezer and hot water temperatures are set correctly, an infrared thermometer to find where heat is lost or gained in your home, a stopwatch to time shower and tap-flow rates, plus a how-to guide. After recording your results, the kit provides handy tips and suggestions that you can use to develop a personalised Home Energy Action Plan.

Little Book Nook: Libraries and Businesses in Greater Hume Communities Increasing Literacy

Today, libraries play a key role in creating literate environments and promoting literacy by offering relevant and attractive reading material for all ages. Libraries embrace the social responsibility to offer services that bridge social and economic barriers, and traditionally make a special effort to extend their services to everyone in the community.

Greater Hume Council Libraries' aim to encourage literacy in young children and of course encourage more residents to become members of our libraries. One of the programs already launched in Greater Hume Council is the placing of 'Book Nooks' in local businesses and community organisations.

The staff at Greater Hume Council Libraries would like to say a big thank you to all of the businesses and community organisations that are currently taking part in the Little Book Nook program so far. Everyone is making a big contribution to increasing literacy in our community

If you are interested in participating and have a small space where around 10 picture books and a small 'Book Nook' sign can be placed please contact your local Library 02 6036 0100.

If you are experiencing challenges getting to and from your local Library, then the home library service is here to help you borrow books or other items.

Once you have joined any of the Greater Hume Council Libraries or are already an existing member, contact a library staff member to discuss the types of books and/or other resources you wish to borrow. Staff will then deliver items directly to your home, free of charge. They will also collect items that need to be returned. Items available for public loan include:

- books
- audio books
- CDs
- magazines
- DVDs

To help you choose items, the library catalogue is available online. www.rrl.nsw.gov.au

Your library membership card will also provide you with online access to a range of online resources and information including eBooks, eAudios, Freegal Music, and Zinio Magazines.

Borrow an iPad from your library to download eAudios, eBooks and eMagazines

Before you purchase e-books from vendors like Amazon or from the iBookstore, see what your local Greater Hume Council Library has to offer. With a library card, you can download free Bolinda e-books, audiobooks, emagazines to your iPhone Android device, or computer. Or better still borrow an Ipad from one of the fabulous libraries in your town.

Tech Savvy Seniors

Tech Savvy Seniors provides free training sessions on the use of computers, tablets, smartphones and online applications such as email, social media and cyber safety.

Training is provided by staff at Greater Hume Council Libraries.

Did you know?

Your Riverina Regional Library membership card allows you to borrow books from any of our libraries?

If your local library does not have a copy of one of the titles you need to complete your challenge, you can request it from another library for a small fee of \$1.00.

Greater Hume Children Services

Greater Hume Children Services Family Day Care celebrates 30 years!

From humble beginnings in March 1994, we began as Hume Billabong Family Day Care in the Hume Shire building in Albury and later moved to the Community Building in Jindera in which we shared the space with the local doctor and health nurse.

Our journey started with eight Family Day educators operating in Jindera and surrounding small communities within the Hume Shire.

We are proud to have withstood the tests of time and changes within our sector. Today, we boast 57 educators providing Early Childhood Education and Care to almost 500 children on a weekly basis, and continue to grow in strength.

We are looking forward to celebrate this major milestone later in the year.

Greater Hume Children's Services Launches New OSHC Program in Culcairn!

We are delighted to announce the successful launch of our Out of School Hours Care (OSHC) program in Culcairn, marking a wonderful new chapter for the community. Since the beginning of term 3, our dedicated team has been working to provide quality care from the Culcairn Public School, and the feedback has been overwhelmingly positive.

The transition has been smooth, thanks to the incredible efforts of our staff, and we are thrilled to see how much this service is already valued by local families. We're committed to continuously enhancing the experience for both children and parents under our banner, and we look forward to further enriching our community with this essential service.

Here's to another great success in offering valuable support to our Greater Hume communities!

Meals on Wheels
Greater Hume Area

Did you know that at Meals on Wheels Greater Hume Area we provide "More Than Just A Meal"?

More than just a meal

We have recently been notified by the Department of Health that our submission to be able to provide DOMESTIC ASSISTANCE and PERSONAL CARE under the Commonwealth Home Support Program (CHSP) has been successful!

That means, if you live in the Greater Hume Council area, we can support you to stay at home with not only a delivered meals service, but a range of other services including:

- Transport service to assist you with transport locally and regionally to Albury or Wagga Wagga,
- Meal preparation assistance in your home,
- Domestic Assistance, general house cleaning, clothes washing, unaccompanied shopping and bill paying,
- Personal Care,
- Social Support which will support you to attend appointments, help you do your shopping, provide a friendly visitor or a friendly phone call,
- Small group activities such as Movie trips, morning teas, gentle exercise
- ACT! Emergency Readiness programme is also available across the council area.

Our administration office is located in Holbrook at 114 Albury Street (just near the traffic lights). Our staff are very happy to visit you at home if you prefer. Just give us a call to arrange a time.

You do need to be registered with My Aged Care to access CHSP services with us – don't worry, if you aren't registered, we can help you with that as well.

You can also access our services if you are on a Home Care Package. It's your choice - Speak to your provider and let them know you wish to use our meals or other services.

You are welcome to call into our office or phone us on T: 02 6036 3677 for more information on any of our services.
