## Henty Community News

ISSUE 87

August-September 2024

### More help from respite centre

Avondale Place continues to evolve with the demands for respite and to provide support for those with disabilities. All the units are currently occupied, and it is exciting to see the facilities being well utilised.

The number of people accessing the Avondale Place for respite continues to grow, with several ongoing repeat bookings locked in for the rest of the year. Mercy Connect, the service provider, operates the daily operations and all inquiries are to be directed to them.

The Henty Trust and *The Next Step*, disability service providers based in Henty, have collaborated to provide additional opportunities for members of the local communities.

Since July *The Next Step*,

with financial support and the provision of a venue by the Henty Respite Trust, has commenced a program called "Road to Independence". The program involves two stages: "Learn to Grow" and "Time to

Move". Stage 1 – Learn to Grow is the program currently in place and as participants move forward, they will have the opportunity to consider Stage 2 – Time to Move, as appropriate to their needs..

*The Next Step* will use the Avondale Place facilities midweek for two nights to allow its participants to experience living away

from home and develop additional living skills. It will involve a rotation of two to three participants each week.

This is an exciting development for all parties, and we look forward to the greater community being more involved in the opportunities for the participants.

Henty Respite is keen to note and report on the employment of locals in Avondale Place, both by Mercy Connect and *The Next Step*.

The Henty Respite Trust plan to hold its AGM on Thursday, August 29, venue and time to be confirmed.

If you would like more information or are keen to become a board member or assist in any way; please contact:

[hello@avondaleplace.com.au](mailto:hello@avondaleplace.com.au)

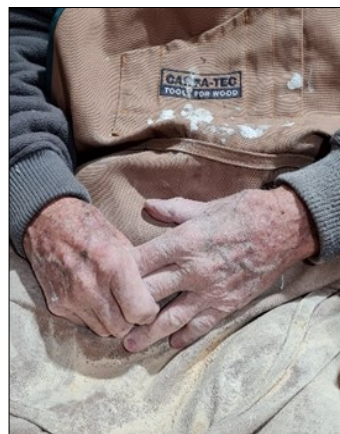

Dylan Hore, *The Next Step*, presenting *The Road to Independence Program*, at Avondale Place to participants, their families and members of the community.

### I'll do that for you

Sheds are collecting places for all sorts and occasionally some of the fellows have particularly useful skills.

Pictured are hands that reflect a lifetime of work in a range of fields, but particularly woodwork.

Ninety-three-year-old, Bruce Young, a life member of the Henty Men's Shed, is starting to slow and now must sit down

more often.

However, in the picture you can see that they are not idle hands, but ready to have a crack at any challenge.

Bruce has been a long-term supporter of the Carbatec business, as is attested by the battered apron.

His productivity has included house building, making all the kitchen benches, cupboards and wood trims.

Not satisfied with the household activities, he

has tackled farming, cropping, irrigation and stock, as well as maintaining valued poultry bloodlines, over his 90 plus years.

Bruce's dominant characteristic is clearly displayed in the phrase, "I'll do that for you".

The president of the Henty Men's Shed, Neil Meyer, describes Bruce as "a thoroughly genuine country gentleman".

from page 1

When Bruce accepts invitations, he still dons formal attire, and is ready 30 minutes before the agreed time.

Now a little hard of hearing, with dimming vision and weary bones, Bruce still has all his fingers – a real tribute to his skills in

the decades before modern industrial safety developments.

Despite the passage of time, he is still ready to sit by the fire in the shed and rub down a fine piece of timber.

He sums up the value of the woodworking theme in his life, as giving a sense of real satisfaction on completion, a sense of delight at

other people’s reaction to the job, and a real sense of personal accomplishment when looking back at completed work.

“You’ll need a different grit!”. The exclamation was firm, and definitive about the choice of the sandpaper, but also clearly a true reflection of the speaker.

## Stand as a candidate to serve as a Greater Hume Councillor

If you have a strong sense of community and are keen to make a difference. Consider nominating for the September 14, 2024 Greater Hume local government elections.

Local councils are the level of government closest to the

community. Providing key infrastructure, facilities and services to local residents and are integral to improving the lifestyle and amenity of local communities.

Nominations open Monday, August 5, 2024 and close

12pm Wednesday, August 14, 2024.

For more information on becoming a Councillor and how to nominate visit the Greater Hume Council Website/Local Government Elections.

## First-aid training available

The Henty Local Health Advisory Committee (LHAC) wants as many people as possible to be trained in first aid and has decided to subsidise more first-aid training.

Therefore, first-aid training will be offered on Monday, August 19, from 6pm to 9pm at a cost of \$70 per person (normally \$120 but Henty LHAC will pay a \$50 subsidy for each attendee).

Qualified local trainer Claire Lawson will provide the training at the Henty Library and it is suitable for people wanting their basic first aid certificate or

to renew their existing qualification, which expires after three years. All people over the age of 16 are invited to register and this is ideal training for young people wanting future work in life guarding, childcare or aged care.

A light supper will be supplied. Book today at [www.trybooking.com/CTMAX](http://www.trybooking.com/CTMAX) or scan this QR code.

## Cheap travel for seniors

Most seniors and pensioners know NSW has a daily \$2.50 fare for rail, bus, and ferry journeys in the greater Sydney area. However, did you know that Henty seniors and pensioners can access a \$2.50 train trip through NSW Train Link. The Country Pensioner Excursion ticket is an affordable one-day economy ticket for eligible pensioners and seniors to travel in regional NSW and the ACT.

With a valid NSW Seniors or pensioner concession card, you can enjoy great value travel between regional towns and centres on a Country Pensioner Excursion ticket. Unfortunately, the excursion fare cannot be used for

travel within the area bounded by and including Sydney, Nowra, Moss Vale, Lithgow, Muswellbrook, Maitland, Karuah and Booral.

For \$2.50 you can book an economy class seat on a NSW Trainlink Regional train and coach service. *You need to book* seven days or less in advance. Conditions apply. When you book online simply select 'Country Pensioner Excursion Fare' from the concession type dropdown list to pay just \$2.50.

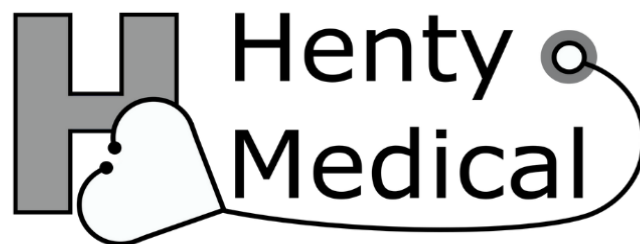

This fare would allow a Hentyite to travel to Canberra and back for \$5 or to go one-way to places like Goulburn, Parkes or Mildura.

- **Procedures for skin cancer**: SCC, BCC, Melanoma excisions, skin flaps/Grafts and Lumps/Cysts excisions.
- **Mental Health** Assessment, Mental health plan and Management.
- **Drug & Alcohol** Assessment/Management e.g. Opioid treatment program, Home Detox and counselling.
- **Smoking cessation** programs - support and counselling.
- **Service NSW**: Drivers Licence including Private, Commercial (Truck and Bus medicals).
- **Work related injuries** assessment and certification/Work Cover.
- **Pathology/Laboratory Centre**: Opened daily for fasting and non fasting blood tests and histopathology.

## Library News

### Probus Monthly Meeting

The monthly Probus meeting was held at the Henty Library on Wednesday July 10, 2024. A staff member from Greater Hume Council was invited to speak about the key elements of the Henty Library renovations and the modifications that were made to library facilities. These changes were funded by a grant of \$199,081.00 which was secured by Greater Hume Council from the State Library of NSW designed for improvements to infrastructure. Henty library would like to thank the members of Probus for their continued support of Henty Library. The event was a great success with around 55 people in attendance.

### July School Holiday Activities

For the July School Holidays children aged 10 and under were invited to participate in a fun 'Colour Me Backpack' program. This event was held across four Greater Hume Council libraries. Backpack kits were provided with a range

of choices from unicorns to penguins.

For those over 10, Henty Library was the first to hold one of four Youth events on Tuesday July 9, 2024. The program was called Mario Kart Tournament and Games Day and was attended by a range of ages each getting to experience the world of Virtual Reality via the libraries VR Headsets and compete against each other in a Mario Kart racing tournament. Mini Pies and sausages rolls were provided by Henty Bakery and were well appreciated in this cold winter weather. This program was funded by the Backyard Cricket Grant.

### Wrap with Love

Once again this wonderful annual event was held in the Henty Library on Thursday July 25, 2024. Those that attended enjoyed a fun day full of laughing and chatting while their fingers were kept warm while knitting away. The completed squares and rugs will be sent to the Wrap with Love organization and are then distributed to needy families throughout the world. Morning tea and lunch was, once again, provided by Henty Bakery. Thank you to the organisers and those who attended this event.

### Henty Library – Facili-

### ties and Services

Libraries house centuries of learning, Information, history and truth and are important defenders in the fight against misinformation. By providing free access to education and historical resources and news, libraries help keep the public informed with facts, rather than confused with fiction.

Libraries are community hubs. They connect people to information and connect people to people. They are a safe haven for children, providing after-school homework help and book clubs. They offer computer classes that allow older adults to stay engaged in a digital world. Explore any of Greater Hume Councils four branches to access free Wi-Fi and computers or to browse and borrow from the collection. Library membership is free if you live in NSW. All libraries have:

- Housebound services
- Book Club
- Meeting room
- Community noticeboard
- Public access computers
- Photocopying
- Free Wi- Fi
- Storytime – Once per month
- New Collection items arriving each week from books, DVDs Sound Re-

cordings and Magazines

- No overdue fees
- Join the library it is FREE and your Riverina Regional Library membership card allows you to borrow books from any of our libraries. If your local library does not have a copy of the title you are looking for you can request it from another library for a small fee of \$1.00.

For more information about what your local Library offers please contact Greater Hume Council Library on 02 6036 100

## Bike for Bibles

Our annual bike ride for bibles is on again this year and will be held on Sunday August 11. Meet at Tim Lubkes' place ("Springview", 245 Lubkes Road, Henty) at 12.30pm for a barbecue lunch (gold coin donation) and the ride will commence at 1.45pm. There is the option of a 6.4km or 11.5km ride (which is suitable for all ages). This year we are raising money for scripture in the Solomon Islands. For more information please speak to Claire Lawson.

## Service NSW mobile visit

Service NSW is returning to Henty on Thursday September 26, 2024 in our Mobile Service Centre and will be located outside the Henty Library at 32 Sladen Street from 9am to 3pm.

Our Mobile Service Centres offer similar services to our physical sites including:

- Driver licence, photo card applications and renewals
- Driver Knowledge Tests
- Working With Children Check applications
- Hazard Perception Tests
- Applying for birth, death and marriage certificates
- Savings Finder program to access more than 70 government rebates and vouchers

### Plan ahead

#### **Prepare your documents**

Remember to have all your paperwork and supporting documents with you.

#### **New photocards will be posted**

When you apply to get, renew or replace a photocard, it will be posted to you at no extra cost, within 10 business days. This applies to:

- NSW Driver Licences
- Mobility Parking Scheme cards
- NSW Photo Cards
- Firearm, security, commercial agent and private inquiry agent licences

#### **Driver Knowledge Tests**

No bookings are required for the Driver Knowledge Test

(DKT).

#### **Driver tests**

Driver tests are available by appointment at selected locations.

Bookings are required and can be made by calling 13 77 88.

#### **Payment methods**

Our Mobile Service Centres don't carry cash.

You can pay by:

- Cheque (personal or bank)
- EFTPOS, credit or debit card

A merchant fee may apply when paying by credit or debit card.

#### **Accessibility**

- Auslan video remote interpreting
- Hearing loop
- Remote live captioning
- Wheelchair access

## Women's Health Outreach Clinic

The clinic will be open on the third Tuesday of every month with Cecily Rempe at the Henty Community Centre, Ivor Street, Henty.

You MUST make a booking via Albury Community Health 02 6058 1800.

## Fours bright spot in tough year

On Friday May 24, the Henty Lawn Bowling Club held their presentation night. The night was brilliantly compered by the Bowling Club president Glenn Harrison. He mentioned that the club had a very tough season with the Albury clubs being extremely strong in the top grades which also filtered down into the lower grades making it very hard for our Fives and Sevens. The Fours finished second on the ladder and only lost to the top side by one shot, so they weren't too far away from finishing in top spot.

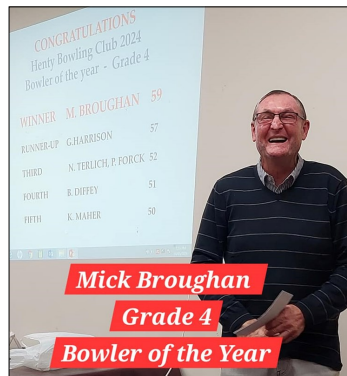

Next year will be even bigger and better with the Albury sides moving to the Victorian league leaving

the Fours and Fives with Henty, Holbrook, Culcairn, The Rock and Walla. The Sevens will remain pretty much the same.

Our award winners were:

### Bowler of the Year:

Fours-Mick Broughan.  
Runner-up: Glenn Harrison.

Fives-Graham Scholz.  
Runner-up: Lynne Forck

Sevens-Neale Meyer. Runner-up: Carmel McMillan

**Open Singles Champion:** Peter Forck. Runner-up: Cam D'Amelio.

**B Grade Singles Champion:** Travis Kilo. Runner-up: Carmel McMillan.

**Handicap Singles:** Cam D'Amelio. Runner-up: Peter Forck.

**Consistency:** Peter Bourke. Runner-up: Col Barrett.

**Open Pairs:** Glenn Harrison and Allan McDonell. Runners-up: Mick Broughan and Graham Scholz.

**Open Triples:** Neale Terlich, John Ellis and Col Barrett. Runners-up: Peter Bourke, Carmel McMillan and John Opdam.

**Open Fours:** Kevin Western, Chris Maher, Kerry Boyle and Bruce Diffey. Runners-up: Cam D'Amelio, Kim Maher, Neale Terlich and Neale Meyer.

**Mixed Pairs:** Sybil Ritchie and Glenn Harrison. Runners-up: Ros Kilo and Cam D'Amelio.

**Ladies Singles:** Lynne Forck. Runner-up: Ros Kilo

**Ladies Pairs:** Carol Singe and Alison Scott.

**Ladies 3 bowl Pairs:** Sally Stevens, Alison Schuster and Ros Kilo.

Willy Miller introduced a new award this year - the Drivers Award. There were three people in the running for this prestigious award the first being Chris Maher. Chris unfortunately wouldn't stop at Pleasant Hills on the way home from Urana so he was disqualified! Irma Macreadie was next in line and she offered to stop at Gerogery on the way home from Albury, but Willy had enough supplies so a stop wasn't needed. The winner was Ros Kilo who not only stopped where ever Willy needed to stop, but also volunteered to drive to every away game! Ros also disposed of all Willy's rubbish that he left in the back of her car. Ros you are a very worthy winner!!

The Henty Bowls Club is a very lucky club with an amazing team of people. They might not of had a successful year on the greens, but they had a hell of a time off them.

## COVID turmoil in the past

Things have been very busy at Billabong High School over the past couple of years getting back into routines and the P & C getting back on its feet after the turmoil of the COVID years. The school has really flourished in the capable hands of relieving principal, Julie Bowen, to now be fully staffed with a fabulous team and a happy and engaged student body.

There have been some changes - the infrastruc-

ture program has seen a new car parking area that can be accessed from Munro Street (the street to the east of the current Gordon Street car park) and the school has some great new facilities in the agriculture department, and the yarn-ing circle and mural that has become a focus for First Nations teaching and for First Nations students and their families. *The Wiradjuri learning program at the Yarning Circle*

chair access to all buildings will be completed by the start of Term 3. You will have noticed the new uniforms that are warm in winter and really promote 'Team Billabong'.

The P & C are really passionate about supporting the staff and students keeping up this fabulous momentum and really building community support for the school.

How can you help?

- Follow Billabong High School Facebook page - Senior students have initiated a weekly "What's happening" video to get a quick snapshot. The monthly newsletter is also accessible from there;
- Support our students – come along to any open

days, support Year 10s who are looking for work placement opportunities in local communities in the next two terms; and,

- Support fundraising for the school when it comes up. The P & C like to support new year 7s with a free school jumper, subsidising excursions, support state and national reps in sport and the arts and with presentation night prizes. Watch this space for opportunities to help out.

P & C meetings are set for the year with eight meetings that go for an hour. Winter months are online via Teams, and the P & C do face-to-face meetings at the school during daylight saving. They are all working parents and realistic about people's time-poor lives. Fundraising needs are only modest and the P & C are looking for ideas that are realistic and efficient.

The next meeting is Tuesday, August 6 at 7pm via teams. There will be a presentation from the Student Representative Council (SRC) who are leading great things from the school.

Everyone is welcome.

## Beanie Festival success

The opening night of the Beanie Festival at the Henty Craft Gallery was a great success with lots of punch, wine and nibbles served to a happy gathering in a buzz of excitement with the amazing variety of colour, shapes and sizes of beanies. Lots of Guylian sea shell chocolates and blue first prize ribbons were given to the winners. The youngest knitter was a nine-year-old boy, the oldest a crocheter 96 years old who decorated many beanies with flowers, shells, boats, lighthouses and fish. In between, an 87-year-old male who knitted 50 beanies though his friend did the basks and picked up several stitches.

The judge, from Albury who won the 2023 Beanie Festival in Alice Springs, had a wonderful time choosing and trying beanies on her friend's head.

Troy Hanckel, a former chaplain at the Seafarers Mission, spoke about the

mission with sea shanty music playing in the background.

A total of 1,005 beanies were received for the festival with Dusty Wishart, from Wagga Wagga, taking the first place for "Colourful" and "Dawn by the Seaside". Entries from Tasmania and Perth took the prizes for "Novelty" and "Just a Beanie".

The main aim in having the festival was to encourage foot traffic into the gallery and this it did. The gallery is a showcase for local artists to display or sell their works. If you haven't visited the gallery why not walk through the doors on a Friday or Saturday between 10am and 2pm.

On August 14, the CEO of the Seafarers Mission is coming to the Culcairn Bowling Club to speak to Probus. He will return to Sydney with six extra-large suitcases of beanies.

## We have childcare places available in Henty

## Fischer program empowering locals

Now in its third successful year, the Fischer Community Leadership Program is once again open for applications.

Named in honour of former Deputy Prime Minister, the Hon Tim Fischer AC, the program has a simple yet profound mission: to enable and empower leadership within our communities, from the grassroots up.

The program will be deliv-

ered in Walla Walla and Urana from late August through to September and is open to anyone living in or with a connection to Federation and Greater Hume Councils.

The program supports locals to understand themselves in the broader context of their environment, equipping them with the skills needed to initiate and sustain community-led action.

The program is delivered as a hybrid, both in person and online, ensuring participants don't just learn about leadership in theory, but are provided the opportunity to test and practice it, too.

Program facilitator Mary Hoodless said the program provided an opportunity for real-world project development, alongside community members discovering their unique strengths and more about their personality types and leadership styles.

"Member for Albury Justin Clancy MP strongly advocates for the program, saying by empowering individuals to lead change in their communities, the program sets off a ripple effect of positive outcomes.

Community-led projects are

integral, with past participants achieving notable successes like arranging the festive season haybale decorations in Corowa, and establishing the Corowa Park Run," Mr Clancy said.

The program is an initiative of Fischer Community Leadership in partnership with Federation and Greater Hume Councils, auspice by the Border Trust and delivered by Alpine Valleys Community Leadership.

The program is made possible through funding by the NSW Government Stronger Country Communities Round 5. To learn more or apply now visit [www.avclp.org.au/fischer-community-leadership-program/](http://www.avclp.org.au/fischer-community-leadership-program/)

## Harlan on path to independence

Harlan Candy is a 15-year-old boy who lives in Henty with his Mum Michelle, Dad Darren and sister Josslyn. Harlan loves loud cars, loud heavy metal music, playing the drums and the bass guitar, singing heavy metal songs, going to school, cooking, eating parmies, Richmond (until they started losing!), Harry Potter trivia and hanging out with his friends at The Next Step.

Harlan is also blind.

You may have noticed all the new paths around Ivor and Hayes Streets. Harlan had a lot to do with campaigning to get those paths. Harlan has been blind since he was about six so it was very hard for him to go anywhere independently because the foot-paths were so uneven and

dangerous to walk along.

Using a cane, he needs guide-lines or a "shoreline" to run his cane along a wall, a building, grass line or the edge of the path so you can walk in a straight line and feel if there is anything in your way. Harlan can now walk anywhere in Henty in-

dependently because of all those paths.

It is really sad for all the other vision impaired people that we have had in our community over the years, but really didn't know enough about making things accessible for them. Thankfully things have come a long way and making things accessible for all people is high on most people's agendas.

Harlan is in the process of applying for a guide dog, but needs to be able to travel two routes around Henty independently before he is ready for one. Harlan also needs to problem solve. If he gets lost he needs to be able to find a way to get back to a familiar area. If you see Harlan walking on his own say "hi Harlan" and tell him who you are, have a chat. He loves to chat, but please don't help him unless he asks. It is hard not to help him, but it is really important for him to learn to listen for cars, work

out when it is safe to cross the road and do things independently. By all means intervene if you think he is in danger.

The laneways in Henty are a worry for Harlan as there isn't a lot of an indication for him to know that there is one. So, if you are driving out of a laneway or reversing out of your drive think of Harlan and have an extra look to make sure he's not walking past.

Harlan is an amazing young man who is more resilient than most, having to deal with lots of challenges every day of his life. He never complains – well not much anyway – and is normally a very kind, caring and happy young man. Do yourself a favour and next time you see Harlan make the time to stop introduce yourself and have a chat.

## Annual Knit In held

A successful "Knit In" was held at the Henty Library last month. The staff provided a lovely lunch amid much chatter and the clicking of needles.

This is an annual event for Wrap with Love when wraps 100cmx180cm are sewn together from 25cm squares. The colours blend beautifully and are sent to the ordinator in Wagga Wagga and then on to Sydney where they are distributed around the world. This is a year-long project and in Henty where they have been knitting squares since 2003.

A total of 3,000 wraps have gone to Vietnam through Good Neighbours Australia. Also 3,000 have been sent to Bangladesh and 3,000 will be sent to Romania in September. A further 100 wraps have been distributed by Peppercorn Services for Aborigines around the Hawkes-

bury area and 30 to Sister to Sister an organisation mentoring girls.

It has been good to see pictures coming from Syria of the 6,000 wraps being distributed to people in internally displaced camps. Presently, Australia Knitting for War Affected Kids is working with Wrap with Love to send 400 plus wraps to Syria.

A group of Arab women have asked for a speaker from Wrap with Love to explain the cause and have been knitting squares.

Wrap with Love will accept monetary donations for insurance, electricity, internet, phone access, printing and pick-ups. It is a non-profit organisation incorporated with the Department of Fair Trading and is non-denominational, non-racial and non-political

# Craft shop revamp

There has been a wonderful revamp of stock, stands and shelving at Doodle Cooma Craft at Henty railway station. It is well worth viewing so why not visit to see the changes. It's warm in winter and cool in summer thanks to the welcome air conditioning.

The adjoining book shop has also had a revamp and it's exciting to see the display of alphabetical authors, categories such as cooking and gardening, children's books and magazines.

The recent annual general meeting resulted in all office bearers being returned to the committee. Margaret Knobel is president and Liz McInnes secretary/treasurer. Sadly, long-standing treasurer, Jim

Ridley, passed away during the month. He will be very much missed.

The craft shop will soon be celebrating its third birthday. Starting with Vesper Young, Joan Pitsen and Janelle Scheuner as office bearers. Many donations have been given to local charities. Albury Cancer Council Trust is a regular recipient.

Trevor Schroder and Colin Campbell were willing helpers in the early days when a street stall was organised to pay for insurance and ongoing expenses. At first, the shop was open one day a week, then Friday and Sunday and then on Saturdays as well. Eventually the premises were open every day except Good Friday and Christmas Day.

Renovations occurred over time because mice lived at the back of hessian walls and raced across the floor. Dealing with the many railway departments was difficult, but now Doodle Cooma Craft has a good relationship with the railways.

In her 21<sup>st</sup> year of presiden-

cy, Margaret is keen for the shop to continue trading by encouraging more locals to visit the building at Henty railway station.

There are about 30 members contributing to Doodle Cooma Crafts with an annual membership fee of only \$10.

# Regional hospitals benefit

Wendy Strother's baby beanies and Di's baby berets are ready for delivery to Calvary Wagga Wagga and Albury-Wodonga Hospitals. Several trauma teddies have been completed and ready for delivery to Peter McCallum Cancer Institute Auxilliary Craft Shop.

Christmas banners have been completed by Pam for Yvonne to iron on the lettering and Helen's rugs contin-

ue to be crocheted. Next meetings of the Knit-In is at the Henty Library - August 22, September 26 and October 24.

All are welcome at the Uniting Church Hall from 10.30am until 2.30pm. Lunch is provided though a small plate of food would be welcome.

# COMPLETE TREES AND STUMPS

- 24 HOUR EMERGENCY SERVICE

# 0474 764 713

# Hello from the Henty MPS

This cold weather has kept us all inside trying to keep warm.

We are spending our time with a variety of different activities.

We have just started a card club that gets together every Tuesday afternoon to play euchre with our volunteer Phil. There is a lot of laughter within the group. We also play a card game

called "Please yourself" which is very much like uno only played with a normal deck of cards.

Bingo has been popular every Wednesday morning. We have two rules when playing. 1. No cheating. 2.

We must be friends again when we finish. Prizes are a chocolate bar so at times bingo can be very competitive and the caller can get into a little bit of trouble for not calling out the right numbers. Lucky for rule 2.

# CWA assists Carevan

In conjunction with Dale's IGA Henty, the Henty CWA branch have just completed another drive to collect non-perishable food and other items such as baby products and sanitary products. The branch will give the donated items to Wagga Carevan and groups addressing food insecurity in the Henty area. Thank you to all Hentyites who donated to this project.

Wagga Carevan also accepts fresh fruit and vegetables, and recently, the Henty CWA branch delivered several boxes of donated oranges and lemons. If you have any excess fresh fruit and vegetables, the Henty CWA will gladly accept them and transport them to Carevan in Wagga. Contact Terri Taylor at 0431379 364 to donate.

On June 17, Janet Beverley, Terri Taylor, and June Bahr attended a scrumpious high tea at Sarsfield Park to help the Collingullie Branch celebrate its 70<sup>th</sup>

birthday. About 40 CWA women attended from across the Riverina. During the event, two junior Collingullie CWA members entertained the attendees with excellent musical renditions on a flute and grand piano. On July 2, five Henty CWA members travelled to Holbrook for the cultural experience of viewing the Bald Archies, followed by lunch at the Riverina Hotel and dessert at the Holbrook Bakery. While members did not agree on a favourite, we agreed that all the artists were incredibly talented.

The Henty branch has gained four new members this year, and are happy to welcome more. For membership information, feel free to call or text Janet Beverley at 0475 390 341 or Terri Taylor at 0431 379 364. The Henty branch meets on the second Friday of each month at 1pm at the Henty Community Club.

# Fundraiser finishes financial year

Henty Lions members finished the financial year with an extremely busy weekend of club activities. On the Saturday, they combined with the volunteers and members of the Henty and District Lifestyle Centre to conduct another very successful barbecue at Bunnings, Wagga Wagga.

On Sunday afternoon, the last day of June, the Lions Junior Public Speaking competition at club level

was held at the St Paul's Primary School hall in Lyne Street, with seven local students participating. The JPS provides an opportunity for pupils to develop and refine their ability to research and present their views and opinions in front of an audience and gain confidence - a skill for life.

The topic for Years 3-4 was, "Who is your Favourite Fairytale or Book Character?" For Years 5-6, it was, "Who is the Most Influential Person in your Life?" An additional challenge for the older pupils on the day was to give a one-minute impromptu speech about the advantages of being a country kid, with only 10 minutes preparation time.

The three judges, Janet Beverley, Michael Broughan and Sen Constable Daniel Devilla complimented the children on their presentations before announcing the results.

The winner of the Years 3-4 division was Meg from St Paul's Lutheran School, and the runner-up was Tilly, also representing St Paul's Lutheran School.

Years 5-6, Zoe from Henty Public School was declared the winner and Isabelle from Pleasant Hills Public School, runner-up.

Another Henty Lions Club initiative which will benefit the physical and mental

well-being of the local community is to fund and promote a fast-growing sport with the unlikely name of pickleball. The club has purchased equipment such as nets, paddles, balls etc. and provided money for the necessary tuition and coaching skills needed to instruct those of all ages who are keen to learn and play.

At the time of printing, the popular annual spelling bee, with six local primary schools invited to participate will be held on the weekend of July 28 at the Henty Public School.

Once again it will be conducted by Kevin Fogarty with the assistance of members of the Henty Lions Club.

A reminder that the Lions Club town garage sale will be held on Saturday, October 26. A great opportunity for both sellers and buyers. Book a site for only \$15 at Dales Electrical.

As always, we welcome new members. Belonging to Lions International brings additional opportunities to "give back" to your own community and beyond and to enjoy fun and fellowship along the way. If you would like to know more about the work of Lions, drop in to see Lion Ken at Dales Electrical.

Henty Lion, Zone 10 Chair, Julie Colley congratulating the winners and runners-up of the club final of the Junior Public Speaking Competition recently.

# HMFD new visitor experiences

Henty Machinery Field Days will step up its promotion of agritourism in the Riverina-Murray region and further increase its visitation reach thanks to NSW Government funding.

The nation's single biggest agricultural event is one of 66 music, sports, food and cultural events across NSW to receive \$1.3 million in funding under the Regional Event Fund.

The fund, managed by Des-

tination NSW, bolsters event organisers with equipment hire, venue hire, market research, photography, videography, publicity and marketing to attract out-of-region visitors.

Henty Machinery Field Days is one of the largest events held in the Destination Riverina Murray NSW region, contributing significantly to the region's agritourism strategy through its promotion of agriculture.

Henty Machinery Field Days chief executive officer Belinda Anderson welcomed the funding announcement, saying the \$20,000 grant would be used to increase profile and encourage visitation to the 2024 event on September 17-19.

"HMFD provides an opportunity for growth of the region's agritourism through its marketing plan which aims to attract visitors who have not been before," Mrs Anderson said.

"Alongside these visitors to agriculture, this marketing approach also provides opportunity to promote the region and the agritourism experiences available to visitors."

Mrs Anderson said HMFD

collaborated with Greater Hume Council on its aim to enhance economic activity by encouraging visitors to stay and spend locally, capture traffic on the two major highways, promote the shire to residents and visitors alike, and expand visitation from Albury-Wodonga and Wagga Wagga and beyond.

Mrs Anderson said it was important for the field days to continue to evolve by broadening its reach to visitors outside the agricultural sector.

She said the grant would assist in an increase in targeted marketing and promotion in the digital space, to encourage visitors to focus on the social connections experienced at the field days.

# In a pickle? Have a ball instead

In May there was a successful demonstration of pickleball by Lavington Tennis Club at the Henty Recreational Ground which certainly generated a lot of interest to establish pickleball in Henty.

Many thanks to the Henty Lions Club for their sponsorship and generosity in identifying the value of supporting this new and exciting sport for the well-being of

the Henty community. The Henty Lions Club have enabled the purchase of pickleball equipment and funds for training. Peter Campbell and Libby Smith Draper recently completed in Albury pickleball level 1 coaching course.

What is pickleball?

Pickleball is a mix of tennis, table tennis and badminton played on a badminton-size court. A paddle and ball sport with a perfect balance of

court dimensions, rules and equipment to afford all skill levels and age groups, enjoyment and success on the court.

Using a paddle and plastic perforated ball, played on a hard surface indoors or outdoors, the game is a combination of tactical shots, patience, and easy to learn strokes, which encourages an inclusive play environment with no need for modifications or adaptations to cater for gender, ability or age differences.

Pickleball is both fun and challenging with a combination of long rallies and a blend of soft and rapid-fire shots; where the best athlete must earn their points not

purely by athleticism, power and speed, but also using positioning, patience, tactics and touch.

Pickleball provides connection, social, mental and physical well-being benefits, which are just some of the reasons players are passionately embracing this sport at such a rapid rate both in Australia and globally. The main reason for the rise in popularity is its accessibility. You don't have to be fit, young or even athletic to enjoy a game of pickleball.

Pickleball in Henty will commence late August at the Henty Lifestyle Centre – dates and timings to be confirmed.

phone 02 69293287 and a nomination form will be sent to you. All persons nominating for Committee positions must be over 18 and are required to be fully paid up Members for 2024/2025 year. Committee meetings are held four times per year.

*Debra Stanley, President*

# Musical treat for club

The June Henty-Culcairn Probus club met at Henty on June 12. Steve Colley was the five-minute speaker. He told of his younger years and of his widowed

mother growing orchids and farming rabbits for fur and meat He also spoke about mining opals at White Cliffs. Warren presented Steve with a Probus pen in

gratitude for his talk

The main speaker was Stephen Draper, recent member of the Probus Club who as a young person had learned saxophone and mouth organ. Members of his family had been involved in Trewallers dance band.

Steve had joined the junior band at Wodonga Citizens band, playing drums, cornet and trombone.

He joined the army apprentices school at Belcombe. Steve demonstrated his skill with a bassoon and showed the plant in Henty that can be used to make a reed for the instrument. The meeting learnt that there is a type of circular breathing required to play the bassoon and the sound is deep, a little like a European version of the Australian didgeridoo. Steve stat-

ed that the German company Henkel has a waiting time of four years and cost in the region of A\$90,000 is possible per instrument .

The meeting was delighted to hear his beautiful tunes and about the places that Steve had played, including Auckland Show, the Bicentennial celebrations and for the Changing of the Guard ceremony at Buckingham palace.

The meeting also learnt the words and actions to Home Among the Gum Trees and was shown how pieces of coloured plastic tubing can play Three Blind Mice.

After Neil Parker presented Steve with the Probus pen, he joined pianist Joyce to play the Probus song — very special moment for all.

# Revamped library hosts meeting

Henty Culcairn Probus met at the newly renovated Henty Library. Warren welcomed members and thanked library staff for the opportunity to have a day at the library/Council office.

Staff member Jo spoke of Susan Kane applying for grants to update bathrooms, fresh paint and carpet, new

front door and shelving, and a new front desk to assist folks in wheel chairs to aid them when seeking assistance with Council and library matters.

The programs already held included Women's Week High Tea, which was booked out. There is technology assistance and clay earring making in all libraries of the group.

The library/Council office is to be open over four afternoons at 20 hours per week. School children have Storytime and there are iPads that are available for loan.

Alison Schuster thanked Jo and presented her with the Probus pen.

Warren spoke of Probus travel benefits.

to page 15

from page 14

New member Robyn Lane was our five-minute speaker and she thanked library staff for being her best friends and helping with computing. Robyn told of her best Christmas meal ever in 1991 in the midst of bush fires. The plan had been to have prawns with her daughter, but instead her SES alarm had sounded and the world appeared dark at 11am. There was fire at Silverdale. Robyn said that heroism is an act of stupidity that you got away with.

The local hall was still standing and lunch was tomato sandwiches with no trimmings, for the homeless, helpless and happy.

Warren presented the Probus pen to Robyn. She was thanked for a most thought provoking story.

Yvonne introduced archival films and Warren told how he had worked with Ken Hall of Cinesound and then Channel 9. Members saw advertising for cactoblastis caterpillars and then the need through World War 2 for 500 women to work towards sending food to the soldiers. There were the Otway ranges and Lorne advertised and then E.V.B. Sampson, Country Party candidate, introducing his family and telling us that he wanted to represent Australians in Parliament. There was the Mallee desert with trees removed to make a dust bowl and then Farmer Hoffmeyer who planted trees to save his farms from the dust storms.

From the National Film Archives came the 1915 Melbourne Cup, the opening of the Sydney Harbour Bridge and then the war in

Australia and Kokoda front lines and the work of Damien Parer as he described our country being in peril.

Yvonne was thanked for her effort in providing the most interesting film footage.

The club sends its love to those dealing with illness

and injuries, and look forward to seeing lots of members and guests at Culcairn on August 14, at 9.30am for a 10am start for the Great Beanie Handover to the Seafarers Mission. Those attending could wear their own beanies too!

## On demand bus service

The Regional Buses On Demand services for the Riverina region operated by M & M Kane Pty Ltd was launched on 1 July 2019. The services are designed to meet the needs of customers who wish to travel from Holbrook to Albury or Wagga Wagga, or from Henty to Albury for regular appointments such as shopping, university, medical and legal appointments

and a range of other needs. Customers will be picked up from predefined points in each town and dropped off at predefined points in Albury or Wagga Wagga.

For further information visit <https://transportnsw.info/travel-info/ways-to-get-around/on-demand> or phone **0448 353 281**.
