## TALKIN' TOUGH WITH 'LEGLESS AND BLIND'

Laughter, admiration and emotion filled the venues whilst Talkin' Tough speakers Ben Pettingill and Mike Rolls (affectionately known as 'Legless and Blind') were in town.

Over 600 people from the Holbrook and surrounding communities attended the inspirational talks by Ben and Mike over two days in late August. Two sessions at Billabong High School meant that all available students from both St Paul's, Walla Walla and Billabong High School heard how both Ben and Mike faced life changing health crises in their teens and learnt to move forward with incredible purpose and fulfillment.

After losing 98% of his sight overnight at age 16, Ben was the first to say he bottled up many frustrations and worries over a number of years to ease the concerns of family. He finally opened up to his father and was able to face the changes his new life held with more direction. Mike left on his first end of season football trip aged 18, and woke up 6 weeks later in hospital after losing his lower leg, most of his nose and two fingers to Meningococcal disease. A couple of years later he elected to have his other leg amputated below the knee to end a cycle of infection and medical issues. His approach to the future is incredibly positive and proactive. He is a keen golfer and Ben a keen water skier, both with young families they lead very busy and dynamic lives.

Together they travel to all parts of the country speaking to school students and groups about tackling the dark times in life and the importance of mateship, communication and connection. They engage passionately on the importance of checking on and recognising when your mates may be struggling and in need of support. Make time and ask the question "Are you OK?" - more than once if you need to.

They backed up the High School sessions with a Ladies' night, a Men's night and a Primary School (Years 4, 5 and 6) session at Holbrook Public School with St Patrick's School students present. The women's night was a sell out with 116 women present and 93 men attended the men's function at the Sporting Complex.

Taking the opportunity of great crowds, the organisers asked Lu Lindon, Nurse Educator from Holbrook MPS to give a refresher on CPR and the use of Defibrillator machines (which are now common around town) at the ladies' event. Jeff Moat, Paramedic from Tumbarumba, went through similar demonstrations on the men's night.

**The events were a joint project of Holbrook Landcare Network and the Holbrook Local Health Advisory Committee (LHAC)** and kindly sponsored by funding from the (FRRR) Foundation of Rural and Regional Renewal, RABO Bank Community Fund, Hume Bank, Greater Hume Council, Holbrook Rotary and Murrumbidgee Health. Our thanks to the sponsors and all attendees for supporting this initiative.

## SAILING ON THE TALL SHIPS

Nikita Stevenson will be the guest speaker at Holbrook Rotary Club's meeting at Holbrook R.S. Club on Thursday 26<sup>th</sup> September. Join us for dinner at 6pm, or come along to the presentation at 7pm. Local Rotarians invite members of the community to come along and discover more about sailing in the tall ships. Find out more about career enhancing programs Rotary has to offer young people in our community.

Hello, my name is Nikita Stevenson, and I'm eighteen years old. In 2023, thanks to the generous sponsorship of the Holbrook Rotary Club, I embarked on a life-changing five-day voyage aboard the tall ship 'One and All' from Adelaide to Melbourne. Tall ships are large, traditionally rigged sailing vessels with majestic masts and expansive sails that harken back to the age of exploration. This experience sparked a passion for sailing, and since then, I have had the privilege of voyaging on two more tall ships, with many more adventures on the horizon.

Sailing on these magnificent vessels has not only enriched my life but has also given me the opportunity to make a positive impact on young people across Australia. Tall ships offer a unique environment that fosters teamwork, leadership, and personal growth. Through my journeys, I have witnessed incredible transformations and discovered the profound effect that these voyages can have on individuals.

I will share the stories of my experiences on these remarkable ships and how they have changed my life for the better. If you have even the slightest interest in sailing or personal growth, I encourage you to join me. Let the spark of curiosity ignite a passion that will inspire and uplift everyone who hears these tales.

### WALTER & MARJORIE'S 74<sup>TH</sup> WEDDING ANNIVERSARY

Family and friends helped Walter and Marjorie Winnett celebrate their 74<sup>th</sup> wedding anniversary at the Harry Jarvis Wing, with a cake from the Holbrook Bakery.

They were married on 2<sup>nd</sup> September 1950 at Bombala, in the same Methodist church that Walter's parents were married in. They took a train to Sydney for their honeymoon.

Marjorie is a Life Member of the Holbrook RS Golf Club and is the Patroness of Holbrook Ladies Golf. Congratulations on this fine achievement, Walter and Majorie.

## BILLABONG RECYCLING

Let's wipe out poverty in our community.

We created Billabong Recycling for Albury and the great little towns around Albury, and in April 2022 we opened our Return and Earn automated depot in Lavington. We have processed over 35 million 10c containers, stopped 4,250 tonnes of carbon from entering our atmosphere and have saved 2,200 tonnes of containers from landfill. We are a disability service, and we operate as a charitable organisation. Processing of containers has raised over \$180,000 for local charities. Our community is incredibly generous.

THERE IS SO MUCH MORE WE CAN DO!!!! It is a startling statistic that only 70% of the 10c containers produced are recycled. Based on our population, we are collectively throwing away around \$50,000 per month that could be used to help vulnerable people in our community. We have made recycling your 10c containers easy.

1. We provide bags, bins and other receptacles at nominal cost to save 10c containers in.
2. We pick up containers FREE of charge around this area 5 days a week.
3. WE PASS ON 100% of the value of containers that customers choose to donate to charity. We also donate to local charities on a regular basis. We call on all businesses and residents of this area to stop binning their 10c containers. IMAGINE THE GOOD WE COULD DO!!! We even pick up for FREE when you get your 10c for extra income.

Kind Regards, Bruce & Heather Forbes

## HOLBROOK RSL SUB-BRANCH

On 14 September each year, we observe National Peacekeepers' Day. It's the anniversary of the day Australia became the world's first peacekeepers to deploy into the field, in the Netherlands East Indies (now Indonesia) in 1947. Since 1947, tens of thousands of Australians have served as members of a peacekeeping force and 16 have lost their lives. This day is a time for us to recognise and remember their service and sacrifice.

Do you travel away from Holbrook for medical treatment for accepted conditions (all conditions for Gold Card)? DVA will reimburse private motor vehicle expenses to attend medical appointments, including optometry, dental and hearing, outside of Holbrook. This is paid at a per km rate and as an example, a trip to Albury will be reimbursed at around \$90.00. For assistance with those claims, and for a quicker return as we submit them by computer, contact Ian Hall, Secretary Holbrook RSL Sub-Branch, on 0421 252 883. <https://www.dva.gov.au/get-support/providers/veteran-cards-compensation-guides/veteran-travel>

This month, we pause to remember 6766, Private Leslie Aubrey Lee, of Holbrook. Injured in France, August 1915, died of wounds in the U.K on 9 September 1915. Buried Hastings Cemetery, Hastings, East Sussex. Aged 24 years. *Lest We Forget*.

## HOLBROOK LIBRARY ACTIVITIES

**Kite making.** Easy to assemble & then colour using paint. 11am Tuesday 1 October. Cost: \$5. Age: 5 to 13 yrs Bookings essential, ph 6036 0100  
Holbrook Library held the launch event of the **Juvenilia exhibition** on 27 August with the children from Holbrook Public School and St. Patrick's School. Dianne Wolfer, one of the featured authors in the exhibition was our guest author. She spoke to the children about her journey as an author of children's books. Her presentation was fantastic. The kids learnt so much about her writing process and the beautiful books she has written. Dianne also explained the illustrators' work within her books and how she collaborates with her illustrators. Dianne also brought Harry, her rescue dog along at the end of her presentation. One her latest books Scout and the Rescue Dogs was amongst the CBCA shortlisted books for 2024 so Harry tied in nicely and the kids loved the chance to meet him.

The children then went through to the library to look at the exhibition which they very much enjoyed and found worthwhile. The Juvenilia exhibition is a collection of more than 100 pieces from over 20 of Australia's award-winning children's authors and illustrators, including two former Australian Children's Laureates (Alison Lester and Ursula Dubosarsky) and well-known writers Andy Griffiths, Graeme Base and Danny Katz. Many exhibits on display are original pieces, some dating back over 50 years.

The exhibition will stay at Holbrook Library until 2 October, when it will then move on to Culcairn

Library.

We invite you to call in and see this insightful and important exhibition.

We are really lucky to have this opportunity for it to come to our small branch library.

Juvenilia was created by podcaster, content creator and internationally award-nominated children's author Aimee Chan. 'This is all about the origins of creativity' says Aimee. 'Everyone starts somewhere. Whether it's writing stories by hand on scraps of paper or drawing pictures in pencil and rubbing them out. Today's most prominent creators of children's books all started as children too, dreaming about being able to publish their own stories. This unique and very intimate collection is an insight into the early creative writing and drawing of some of the most established authors and illustrators in Australia.'

## PLANT PICK PLATE

Apart from roses, tulips are recognised and identified as the most romantically significant flowers worldwide. A flower that is given with love and affection, this traditional Dutch bulb is usually grown in the cooler climatic regions in the world, with the Netherlands producing approximately 60% of the world's tulips.

Their popularity is no surprise when the eye is captured by the dazzling colours of red, maroon, yellow, pink, white and variegated cultivars. The tulip flowers are beautifully formed bell shaped blooms on top of long slender stems, perfect for a vase display. Although this is the traditional image, hybrid bulbs are available that produce tulips in dwarf form, with open cup shaped blooms of varied sizes as well as frilled petals and softer, muted colours. Regardless of the variety, tulips create the greatest impact when planted close in clumps en masse, therefore, it is no wonder many gardeners regard tulips as the most spectacular of all spring flowering bulbs.

Tulip lovers are in for a treat this Spring as many celebrations and displays of the tulip are open to the public. In the Southern Highlands town of Bowral 80,000 plants in bloom are featured in Corbett Gardens (September 13 to 30). Victoria's Dandenong Ranges town of Silvan will host the Tesselaar Tulip Festival (September 13 to October 13) and Canberra's Floriade Festival will be held in Commonwealth Park (September 14 to October 13). So if you would like to Tip Toe through the Tulips these festivals, inspired by colour, culture and creativity, will not disappoint.

**Passionate Gardener, June.**

## PROBUS

It was lovely to see numbers on the up! Winter ailments are behind us hopefully. Winter too! Great to see the Buchanans back from the warmth of Queensland.

Now that the weather is improving we'll plan an outing in the near future.

Our guest speaker this month was Doug Henderson, the previous manager of the Regent Cinemas in Albury. Doug's knowledge of the world of movies was extensive. He took us back to the huge films and actors of the past to the 2000s. He had clips of both which were fabulous! The eras of peoples' attendance was interesting. The effects of TV in the 60's, some revival in the 70's, good movies of the 80's & 90's. Doug also explained how the introduction of CGI (computer-generated imagery) makes the huge fantasy & action movies of today possible. Now, of course, all the streaming services are changing movie attendances again.

Thank you Doug for a fascinating journey. Jill Winnett read two of her exceptional poems- 'Missing in Action' a sad Vietnam war poem but one which left us with a smile was 'Jimmy the 'Bricky'. Thank you Jill.

We then enjoyed lunch at the Riverina Hotel. Our next meeting is Tuesday 24<sup>th</sup> September at 11:00am at the RS Club. Lunch at the Submarine Cafe.

### FREE GARDEN MULCH

Bedding straw left from livestock shows is available to collect from the Holbrook Sporting Complex (near the south-east gate).

Take as much as you would like but you will need to load it yourself.

## ST PATRICK'S SCHOOL

**Pray:** Sunday 8<sup>th</sup> September marks the birthday of Our Blessed Mother Mary.

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to your protection, implored your help or sought your intercession, was left unaided. Inspired by this confidence, I fly unto you, O Virgin of virgins, my mother. To you I come, before you I stand, sinful and sorrowful. O Mother of the Word incarnate, despise not my petitions, but in your mercy, hear and answer me. Amen.

**Live:** We celebrated Education Assistant Week with multiple celebrations for our very capable and much-loved team member Hope Mackinlay. Hope's dedication to the student's learning and commitment to the school community is unwavering and we celebrate how fortunate we are to have her as such an integral member of our staff.

**Learn:** Over the past two weeks I have found myself in both classrooms teaching for all or part of the day. Whilst I teach all students during the week the opportunity to jump in for extended periods of time is always a gift. After all it is because of teaching that I am able to lead the school community so returning to the classroom reinforces the reason why I do what I do. Children are sponges who absorb knowledge, words, behaviours and habits. They have a limited filter and spend much time making sense of their world by what and who they experience. I challenge you to embrace the opportunity to learn something new every day. You won't have to look too far; your beautiful children have many lessons waiting for you!

Reminder Enrolments are open! We are accepting enrolments for Kindergarten 2025 as well as Year 1-Year 6. Please call to enquire: 6036 2288

May God's blessings be with you all, Melanie Dusterhoft Mavrick, Principal

**Book Week:** Our recent Combined Celebrations Week, which brought together the magic of Book Week and the spirit of Education Week, was a resounding success. The festivities started with a vibrant Book Fair, where students paraded in creative costumes representing their favourite characters. The parade was a delightful display of imagination and enthusiasm, with students proudly showcasing their literary heroes.

Following the parade, we opened our classrooms, allowing parents to step into their children's daily learning environments and engage with their educational journey.

Families then joined their children for a joyful picnic lunch, turning the school grounds into a lively picnic spot filled with laughter and conversation.

The week beautifully celebrated our students' love for reading and learning, leaving everyone with cherished memories and a deeper connection to our school community.

## LITTLE BILLABONG-HOLBROOK CWA

Following our busy catering events earlier this year, the CWA branch has slowed down as is usual in winter. We did lay a wreath on ANZAC Day, made from limbs from a Lone Pine. Colin and Elaine Strong, along with other Murray Group members attended the State Conference in Coffs Harbour in May, spending time with Ros (Bowler) and Peter Kitching. It was great to see them. It rained every day but none of us minded at all! We also represented our branch at the Murray Group church service in Corowa.

Our meetings have been well attended even with about five ladies travelling all over the country in the past few months! What sights they have seen- and fascinating stories they have to tell!

We enjoyed the **Murray Group International/Cultural Day in Gerogery** recently, where we celebrated **France**, the country we have been studying this year. (Our new country will be announced on 1<sup>st</sup> October- no idea where we go next!) Members were dressed in red, white and blue- the colours of France - and a great competition for best dressed was held. Kate Locke, dressed as a French artist, won easily, then read a poem in *her* French, much to the amusement of everyone - we were relieved no French lady was there!!

Five of our members attended the **100 years celebration of the Wagga Wagga branch**. Mrs Joy Beames our State President was Guest Speaker and a lovely afternoon tea was enjoyed by the 78 people there.

We are now busy preparing items to display at our branch **International Day on 19<sup>th</sup> Sept** in the library meeting room. Our two local schools will be entertaining us with their interpretation of France. Members are cooking all sorts of wonderful dishes for our lunch. If you would like to attend- **especially if you are French**, please get in touch with us, phone numbers listed below. **Our special Guest Speaker is Mrs Jenny Chobdzynski** from Wagga who is the **CWA State International Officer**.

Our branch AGM will be held on Tuesday 1<sup>st</sup> October at 2 pm at the Little Billabong Hall. If you would like to come along- please get in touch.

**On 17<sup>th</sup> October**, our branch is hosting the **Murray Group AGM and Conference in Holbrook**. Our guest speaker is State President, **Mrs Joy**

**Beames**. As we have increased from 8 branches to 11 - with the inclusion of Berrigan, Murray-Hutt at Finley and Jerilderie, (Sturt Group disbanded last year – and, we are very pleased to have gained these branches) we are hoping for many members to attend.

## DEMENTIA ACTION WEEK

Holbrook Dementia Alliance Group is having a **Morning Tea, on 19 September at the Holbrook Sporting Complex room from 10-11.30am** for all community members, to promote a Dementia Friendly Community, during Dementia Awareness Week. We will have speakers and information available over a cuppa and a chat! Our aim is to raise awareness and understanding in our community. Around 2/3rds of people living with Dementia in our community need support, and learning more about Dementia can help you support them. The aim of our Dementia Alliance café, morning tea is to create an opportunity for people and carers to come together and stay connected and engaged in their communities.

**NOTE FOR BOWLERS:** please have your names in 15minutes before the event commences. This gives the starter time to do a draw.

Any new bowlers that would like to have a game, you are very welcome to come along.

*Happy bowling KUI*

## FOOTBALL

**3 August Rd 15 vs Howlong:** After the loss at Coreen, our lads were keen to return to their winning ways, and did so with a 38-point triumph over the Spiders.

**10 August Rd 16 vs Osborne:** This was a titanic tussle between the two top teams, which ended with the Brookers falling two points short at Osborne.

**17 August Rd 17 vs Lockhart:** A must-win to lock in a top two spot, and the boys didn't disappoint. Everyone was up and about, but Lockhart brought that fast-running game that took our boys a couple of quarters to get under control. Josh Kable had a record-breaking day, putting on an intercept marking masterclass. Players' Player - Josh Kable Holbrook Hotel meal voucher - Matt Bender Riverina Hotel tankard - Corey McCarthy.

**24 August Rd 18 vs Billabong Crows:** The Brookers tuned up for the looming finals series by stoning the Crows by 65 points at Holbrook. Will Holmes shared the Players' Player award with the equally busy Alec Sullivan. The match marked the return of Jock Triggs, who had been on the sidelines for twelve weeks after dislocating an elbow against Henty. Andy Wettenhall (Riverina Hotel tankard) justified his recent promotion to the seniors, his left boot served him well as usual. Matt Bender (Holbrook Hotel meal voucher) has been a pillar of consistency this season, and his speed will be an asset on the spacious Walbundrie ground in September. Others to feature in the victory were Lochie Semmler, Andrew Dear, Cody Hewat (3 goals), and Jayden Hucker.

The annual Pets' Day Out event, run by the Holbrook Vet Centre, was a success again - although during play a wayward goat had to be removed from the oval!

## HOLBROOK RS GOLF CLUB

Four women went to the RWGA presentation dinner at Narrandera, to collect the pennant flag. Holbrook RS Ladies Golf pennant team were winners of the Riverina Women's Golf Association pennant competition for 2024. The team beat Albury Commercial in the Final played at the Wagga City golf course. Members of the team: Liz Plunkett, Chris Spokes, Brooke Mathewson, Lea Parker, Teresa Waters and Helen Morton. Holbrook's last win in the RWGA was 1995 so the golfers were happy to collect another flag for the trophy cabinet.

Only about a month to go in our Golf Cart Raffle before it is drawn on the October long weekend at our annual Three Person Ambrose day. Please consider purchasing a ticket if you have not done so already to help support your local golf club.
