## Local motorbike champion *Jed Fyffe* is on **FIRE**

Since we last brought you the story about Jed Fyffe in August 2022 he has gone from strength to strength. Not only in Australia but Jed's been recently competing all across the globe. In 2023 he brought home 2 Australian Dirt Track Titles, along with this Jed raced the American Flat Track Grand Championship coming a close second in the 85cc modified Class. This young rising star is taking it to the yanks on their home turf.

Back in Australia, Jed took out the Australian Flat Track Nationals Junior 85cc Championship held over 6 Rounds. He has had a strong season, and his numbers speak for themselves. With 3 poles and 22 race podiums, including 16 race wins, topped off with 5 round wins, it's safe to say Jed dominated the 2023 season.

In January this year Jed was back in America where he flew to Florida and raced 4 separate Classes at the Winter Throwdown winning 3 of the 4 classes entered.

Our most recent trip to the USA, Jed raced the Flat Track Grand Championships in Du Quoin Illinois where he raced six days in a row alternating between the 250-4 stroke and the 85cc two stroke classes, coming home with 2 Championships in the 85cc Production Class and 85cc Modified Class, also having some solid results and podium finishes in the 250 class.

He has not only been competing but he has been on the podium and winning races and championships across all of these very different disciplines. The level of competition in the US is fierce, so to achieve these results coming from the other side of the world is an amazing feat.

Now back home In Australia our focus will be racing the Junior Lites Class at the first and second Round of Australian Flat Track Nationals to be held at Appin NSW on the 27th and 28th of July.

The future is indeed looking very bright for this little legend and we are so excited to see his career taking off. We are so proud of the achievements young Jed has made with his riding improving and it's been amazing to watch him grow his skills with determination, hard work and training.

*Well done Jed!*

## Headlines and Happenings

By Lizzie Pogson. (Secretary, RCL).

### **Farewell and thank you, Toni Terlich:**

With great regret, we announce the resignation of our Committee Member, Public Officer and Op Shop Coordinator, Toni Terlich, who like so many of us is trying to balance her voluntary commitments with work and family. We acknowledge and thank her for the incredible way she embraced her role-listening, guiding, and promoting cohesion and autonomy amongst our volunteers.

### **Welcome Jason McKenzie:**

Toni gave her recommendation for her replacement, and we are delighted to welcome Jason McKenzie as the newest Committee Member and Op Shop Coordinator. With his extensive working knowledge of the Op Shop and his relationship with the volunteer staff, he is well-equipped to do a fine job. *Welcome on board, Jason.*

### **New Public Officer:**

Jenny O'Neill has stepped up to become the new Public Officer on Toni's resignation.

### **Donation to the Community Garden** (see JCG page 24):

Rural Care Link are happy to have assisted the Community Garden with a donation of \$500 to purchase some identified items that will add to the amenity for all who go to enjoy this wonderful communal space.

**Re-Name:** 'Necessitous Circumstances' to 'Community Assist'. We have finally chosen the working name of 'Community Assist', replacing the somewhat onerous Core Business title –'Necessitous Circumstances'. The original name remains a legal requirement of our **Constitution** (2.c. Provision of support of a charitable nature to those in necessitous circumstances; 2.d. The operation of a public fund for the relief of persons in necessitous circumstances). The Committee feels that "Community Assist" encompasses the many areas of charitable support that we provide to those in need in our community.

General **RCL** (Rural CareLink) **Enquiries** including Volunteering, Hardship, Community and Personal Assistance  
**Please call the RCL Office**  
**0475 594 073**

### **Increased cost of living:**

We have acknowledged that with the increased cost of living, our funds to support those requiring assistance needed to be increased, accordingly. We have incorporated this increase into our projected annual budget.

Hoping you enjoy another edition of the Jindera News. It is quite a read these days, thanks to all our contributors and our marvellous Editor, Julia. Thank you all.

## Carer Support Group

By Vickie Priscina. (Carer Group Co Ordinator, RCL).

Anne Dobson from Effective Behaviour Management has been asked to speak to our Jindera Carer Group.

Anne is an experienced teacher with proven expertise in positive behaviour support.

## Meet our new Committee Member

### Michelle Ingram

Hi, my name is Michelle and I have just joined the Rural Care Link Committee. My husband Charles and I moved to Jindera just over 12 months ago and have thoroughly enjoyed being part of this thriving community.

I have four grown children and three grand children and my initial connection to the Jindera community goes back to when my kids attended St Johns Lutheran Primary School way back in the 'Nineties.' I have always had fond memories of those times so it was an easy decision to move here.

Life is all about change and Charles and I have had quite a few over the last couple of years, so many of my work commitments have changed. I have run my own bookkeeping business for many years and while I still do that, I also now do some casual work here and there. I am an avid reader so I am lucky to work one day a week at a bookshop in Lavington, I also work a few days here in Jindera at the IGA. It is great to be able to leave the car in the garage and just walk to work.

I have always considered it important to be able to give back and be involved in either the local community directly, or via groups that benefit the greater community in some way, hence I have volunteered in many capacities for many different organisations over the years.

Personally, I find volunteering to be both fulfilling and educational, it gives one a greater respect for the diversity and needs of our communities overall, and individually.

I am looking forward to being part of Rural Care Link over the next year and being able to contribute 'hands on' in the Jindera community.

## OP SHOP News

By Jason McKenzie (Op Shop Coordinator, RCL).

### Changes at the Op Shop:

Our Coordinator for the past 12 months, Toni Terlich has resigned, now being unable to give the time needed. All our volunteers would like to thank Toni for all her support and guidance over the past year. We wish her all the best in the future.

The Rural Care Link Committee has approved the appointment of Jason McKenzie as the new Op Shop Coordinator. Jason has been a volunteer in the Op Shop for the last 3 years gaining a lot of valuable, hands on experience in that time. Jason is happy to join the Committee and take on the role.

### NEW Better Bargain Shopping:

We have introduced our 3 **Clearance Tubs** items. In these tubs, prices will range normally between **\$1** and **\$3**. We also now have a **Clothing Clearance Rack**. All items on this rack are only **\$1**.

For one week only in August, we are having a **25% off Store Wide Sale** from Tuesday 6<sup>th</sup> to Saturday 10<sup>th</sup> so come in and grab yourself a bargain.

Holly & Mick from Jindera Pizza say 'Hi' and announce their

# Jindera Battle of the Bands

Hello Jindera! It's us - **Jindera Pizza!** Our first article in our wonderful Jindera News and about time too.

Since late October, 2021 Jindera Pizza has been under the ownership of Holly and Mick. You might be wondering how that came to be. In mid 2019, Holly and Mick moved to Jindera. But really it was moving back home. Some of you may know that Holly was born and raised in Jindera, going to Jindera Public School (I won't say what year but obviously not recently!). The move back home was a fantastic decision and meant they could both be closer to family.

Sadly in mid 2020 in the height of the pandemic Holly's Father, Harvey passed away. A painful tragedy for our whole family. Sticking together through it all Holly and Mick set their sights on making the most out of life and making a go of it in their own business. With the support of their families (Mick's late Grandmother Georgie, Mum Joanne, sisters Victoria and Megan and Holly's Mum Vivienne and sister Emily) they explored their options!

*Mick's Nan - Georgie*

A couple of high school sweethearts, Holly and Mick had worked together in other businesses for a number years and been through enough they thought, why not give being business owners a go too! And Lo! The Pizza Shop was for sale.

It was somewhat of a leap into the unknown for our two budding Pizza People, but relying on their years of experience in bakeries and hospitality they pulled up their socks and worked as hard they could to make it work.

Thankfully, it did. Not without a lot of drama and hold ups though. Managing through the pandemic and only after a few months our beautiful oven died which slowed us right down for approximately 2 months while we dealt

*Holly and Mick in February 2022*

with that blow. Soon after that our fryers died also and while this came as a bit of a shock to some fried food lovers it was a blessing in disguise that we decided to soldier on without them which meant we could focus on what we discovered we do very well - and that's **making pizza!**

We'd like to say it was smooth sailing from there but anyone in small business can tell you each week comes up with a new battle. For Holly and Mick they felt like they couldn't win at times between phone lines being randomly disconnected, power outages and equipment failures they also had to deal with the loss of Holly's Mum in early 2023. An amazing woman who supported their every deed and kept them going through so many hard times.

Fast forward another year and would you believe it - we are still going strong! Each month sees us having to up our capacity to meet demand. Having started with a team of Holly and Mick plus 4 we are now Holly and Mick plus 7 brilliant young locals who somehow have found a way to put up with all our shenanigans and become part of the heart and soul of our little shop.

Our customers, that's **YOU**, are amazing. Quite obviously we could not do this without you but each week, when it comes time to reflect, assess and move forward we are always amazed and honoured that you choose us for your pizza fix. We are committed to ensuring all our pizzas are as fresh and delicious as can be. As a Qualified Baker, Mick has created a fantastic dough base and with Holly's love of food and recipe creation we think we've managed to hone our menu into something you can rely on to be yummy every time! So what's next?

Well, while we continue to make the **best pizza in town** we've decided to branch out into our community even more. .... **we're putting on a Battle of the Bands!**

# Jindera Pizza Presents ... ... Jindera Battle of the Bands

## Where?

The Jindera Village Green

## When?

Sunday 6th October from about 3pm to 9pm

## What's it all about?

This is a family friendly, community oriented music event providing an opportunity for local musicians to showcase their talent!

We are open to any and all genres of music. Provided you are not a signed act, you can put your hand up to be a part of this event! Performers will have about 20 min on stage to play up to 5 songs with extra points for anyone playing original music!

Covers are totally acceptable as long as you can display your unique talent and passion for music.

Performances will be judged against a set criteria by a panel of 4 judges. 60% of overall score will be judged against crowd response with further points awarded for preparedness, passion, technical professionalism and overall execution of the chosen genre and songs.

We will have food and drink stalls to keep you satisfied along with a chill out area if you need a bit of space.

Face painting and a few activities will be available for the young ones and young at heart!

This will be a **NO-ALCOHOL** event to ensure a family friendly environment that our entire local and surrounding community can enjoy.

Along with our up and coming Battle Entrants local band **Mt Maze** will be performing live along with a 'super group' line up of local talent playing some groovy covers to keep the vibes going!

Bring a chair if you need but we encourage you to bring your **dancing shoes** and good vibes to cheer on our up and coming musicians and help inspire each other to share the joy that is music!!

Contact Holly and Mick via the [Jindera Pizza Facebook Page](#) or email [rakulivingptyltd@gmail.com](mailto:rakulivingptyltd@gmail.com) - for more details.

# UPDATE

with  
*Jenny O'Neill*

- An update on the ramp and piece of **all abilities equipment** is that it is still to be installed this year.
- **Pioneer Drive lights** are to be installed soon.
- Two **shade sails** which have been donated by Rural CareLink and the Jindera Recreation Reserve Committee are to go up shortly. A **fundraising drive** will be undertaken over the next few months to finance more. 
- Design work for the **dog park** is to be undertaken with construction late this year or early next year. 
- **Dight Street drainage** will be upgraded and parking areas provided at the beginning of next year. This will rectify the drainage issues inside the fence near the netball courts.
- The **Hueske Rd bus stop** issue is still with the Dept. of Transport and Martins Bus company. 
- Since the last month's Jindera News there has been a disappointing spate of **vandalism** around the town. Follow up by Council and the police is happening. Please be vigilant and report any incidents. 
- Planned **roadworks** on **Jelbart Rd** will commence in summer and trees have been marked for proposed removal.
- Sussan Ley's office contacted me last week to find out where the **Telstra Tower relocation** was up to. When informed that Telstra were stalling & couldn't give a timeframe for the change, Sussan's staff have undertaken to have a **community meeting** at the Rec. Reserve. Hopefully a representative from Telstra will attend.  

**Telstra Relocation Meeting Details are: Venue: Jindera Rec. Reserve**  
**Date: Monday 26th August - Time: 11.30am**  
*Please come along and show your support for this relocation to the Optus Tower and a noticeable improvement in the Telstra services.*
- A suggestion to parents for the next holidays. Use the **On Demand Bus** to take your child/ren into Albury to carry out activities. It is a very cheap way to travel and the service is excellent.

# JINDERA COMMUNITY FORUM

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on  
**Tuesday, August 20, 2024**

**7:30pm**

Items for the agenda are welcome by emailing below.

Come and join a group of locals who are interested in our community and its people and who would like to help improve the facilities our community offers to both visitors and residents alike.

## WHAT DOES THE FORUM DO?

The Forum holds community meetings which are open to residents of Jindera to attend and discuss what is happening in Jindera, as well as consider the future of Jindera. Meetings are generally held bi-monthly on the **third Tuesday in February, April, June, August and October**.

The Forum is able to put forward ideas and comments to Greater Hume Council on issues facing our Jindera community, facilitate direct discussion with Councillors who are in attendance at regular meetings, in addition to holding special meetings relating to specific issues.

### Craft Supplies Destash!

Jindera will be abuzz with excitement on Saturday 10<sup>th</sup> August as The Co-Makers Collective and Market Gallery will be in town for a Craft Supplies Destash and Market event in Jindera Hall. **Destash:** we are clearing out the stash.

This unique community event is **FREE** for all to attend and will have a range of activities on offer. Market stalls focusing on craft supplies will operate from **9.30am - 4.30pm**, followed by creative workshops in the evening until **9.30pm**.

Door prizes will be drawn on the hour throughout the day with amazing locally sourced goodies up for grabs at the Jindera Hall on 109 Urana St, Jindera..

The Co-Makers Collective is focused on bringing arts to the community as a way of fostering wellbeing and community resilience building. They host several events in smaller rural areas, partnering with service providers and local groups to enhance connection and creativity.

**Market Gallery** was born to provide a connection between small scale artisans and their customers. This model also fosters growth and collaboration between artists to improve their business capabilities and empower those who are just starting out.

Both the Co - Makers Collective and Market Gallery have an ethos of community, sustainability, upcycling, and a circular economy. This is evidenced by actions such as all profits from the pop-up op - shop at the event being donated to Rural Care Link Inc.

With something for everyone available on the day, it's the perfect time to gather friends from out of town and show them what an incredible community we have in Jindera. Ph Kurt 0438 439282

• PIONEER MUSEUM •

Preparation and planning for our first **Illuminate Our Heritage Festival** is well underway, with Saturday evenings **Lantern Walk** a highlight of the festival. Our first lantern making workshop was held on the 21st of July with 24 participants joining us to prepare their lanterns for the Lantern Walk to be held on Saturday 3rd August leaving the Museum at 5.30pm.

A fabulous range of lanterns have been created by a small collection of museum volunteers to decorate both the Museum and Village Green. Thank-you to the Border Trust Community Foundation for their support for this part of the event.

The Jindera Theatrical Society will perform a rendition of the **St Martins story** in the Village Green sound shell following the walk. Pretzels, Gluhwein and apple juice will be available for purchase at the Village Green. The St Martins story is based on the compassion and generosity displayed to a poor beggar, by Martin, a Roman soldier. Martin went on to become a Bishop and was later recommended for sainthood due to his benevolent attitude through-out his life.

The Illuminate Our Heritage Festival will see the buildings of the museum lit up and a wonderful display of lanterns on show. There will be bush poetry, live music, a specific feature highlighting our Huon Post Office, film footage from a past era and a flame twirler to entertain visitors each evening. The Illuminate our Heritage Festival will run for three nights, from Friday 2nd August through to Sunday 4th August.

Food will be available for purchase each evening and the bar will be open. Tickets can be purchased at the door but it would be helpful if people could book via the Try-booking website.

A new sign at the front of Wagner's Store will be erected soon to display that the museum is open. Thanks to the menfolk in the Working Machines Shed, the stand for the sign is ready and waiting. We have many visitors unsure if we are open and we hope this new, more prominent sign, will allay any future concern.

We have been continuing work on our fund-raising partnership program and hope to roll this out over the next few weeks. We are hoping to attract partnerships with many local businesses as we endeavour to secure sufficient funds to move forward on our new building proposal. The new building will provide us with much needed undercover space for our school groups which tend to visit in this term predominantly, so it is important as the weather is not always kind.

We are developing a more hands on school program for the younger years that are visiting, so we need the under-cover space to be able to run these out of the weather. We are also desperate for more exhibition space, and the Cottage Craft need a space to exhibit their lovely hand-made wares.

Members are also starting to work on our **Forgotten Trades Festival** which will be held again next year on **23rd February**. We hope to be able to again bring an interesting collection of skills and crafts to the museum on this day. We would like to encourage those craftspeople with unusual skills that are not seen at all, or as often, or those that produce items that are rarely available any longer, to get in touch as we may have a place for you at this very country festival.

Our **Spring High Tea** will be celebrated at the end of

September and tickets will be available mid-August. This is a very popular event on the museum calendar, so book early to avoid disappointment.

## Lantern Makers at the Museum's Lantern Workshop

The Lantern Making Workshop held at the Jindera Museum in July was well patronised with a good number of students eager to learn how to prepare their lanterns. These lanterns will be used by those who participated at the workshop to light their way during the Lantern Walk that will be held in Jindera on the first weekend in August.

# JINDERA PUBLIC SCHOOL

## NAIDOC

As NAIDOC Week traditionally falls in the NSW winter school holidays, the NSW Department of Education celebrates NAIDOC Week with our public schools and early childhood education services during Week 10, Term 2.

This year's theme '*Keep the fires burning! Blak, Loud and Proud*', celebrates the unyielding Spirit of communities and invites all to stand in solidarity, amplifying voices that have long been silenced.

Students were involved in a wide range of activities across the school to promote cultural awareness, understanding and pride.

## Crazy Hair Day

Our school was buzzing with excitement as students participated in our "Crazy Hair Day" fundraiser. From rainbow mohawks to gravity-defying pigtails, the creativity on display was truly astounding. The event not only provided a day of fun and laughter but also brought our school community together for a great cause, raising funds to support our school's extracurricular programs. A **big thank you** to everyone who participated and contributed—your enthusiasm and generosity made Crazy Hair Day a resounding success.

## Positive Behaviour for Learning

The Positive Behaviour Program at Jindera Public School is a cornerstone of our educational philosophy, playing a crucial role in fostering a supportive and nurturing environment for all students. This program emphasises the development of four core values: **respect, responsibility, resilience, and relationships**. By consistently promoting and reinforcing these values, we strive to foster an inclusive school culture where students feel safe, respected, and empowered to achieve their best.

Celebrating success is a vital component of our Positive Behaviour Program. We acknowledge and celebrate students who embody these values, reinforcing positive behaviour and creating a culture of achievement. By acknowledging their efforts and accomplishments, we motivate students to strive for excellence in all aspects of their school life. This program is essential in preparing our students to become considerate, responsible, and engaged members of the community, while also highlighting and celebrating their successes along the way.

August 2024

2024 the CWA Agricultural and Environment Study has been on **FUNGI** - Fungi perform vital ecological roles in the carbon cycle as the primary decomposers of organic matter. They cycle nutrients, provide shelter and sustenance to animals, invertebrates and microbes. Promote disease resilience, conserve soil and have highly symbiotic relationships with many plants and algae.

The Southwest Slopes and Upper Murray Region (this includes Jindera) of NSW offer a huge diversity of habitats for fungi. Look out for them.

## A Christmas Carol

Last month, Saint Mary MacKillop College staged an original adaptation of Charles Dickens' A Christmas Carol at the wonderful School of Arts hall in Jindera. We ran three shows over the weekend of the 28th and 29th, with each one completely selling out.

Although nowhere near Christmastime, it might have temporarily felt like that time of the year for those who attended. The hall was lavishly adorned in Christmas decorations and all were warmly welcomed by students in period attire serving Christmas treats. Students of our Year 12 class ran a candy bar, where they sold more Christmas goodies, hot chocolates and programs. Outside the hall, beautiful Christmas garlands and lanterns were hanging, along with a sign for Scrooge and Marley's counting house. On each of the doors, a plaque warned attendants that there was to be "No begging, no carolling and no merriment", in keeping with the 'bah humbug' theme of the play.

The production itself was a mammoth effort from so many. With more than 10 different scene locations, this small stage forced us to be creative with our use of props, furniture and set pieces. A substantial portion of the play takes place on the streets of London, for which we constructed a backdrop of Dickens era shopfronts, complete with lighting, brickwork and frosted windows to suggest the bitter cold.

The interior scenes were sparser by comparison, but were effective nonetheless. Our capable stagehands had to swiftly manage bringing on and off beds, dining tables, desks, chairs, fireplaces, a tombstone and many items besides. For those familiar with the space in the wings of this stage, I think you'll agree this was an impressive feat!

The production had a substantial cast size, with over 30 students involved. We had some as young as Year 2; several in who are doing their HSC – including the star of the show, Xavier Wall, who did a magnificent job playing Ebenezer Scrooge – and everything in between. One of the great things about this show was the family-like bond that formed between the cast, irrespective of ages. They had been rehearsing twice a week since March, which was a real commitment. In the actual performances, each of them did a phenomenal job and will no doubt cherish this experience for many years to come.

The costumes for the show were many and varied. Anna Green, mother of one of our cast members, did a wonderful job sewing countless dresses, skirts, jackets, robes and pants for the cast, which gave the show an important boost. Much of the artistic work on the sets and props was completed by our talented students – most notably Angelica Murphy, who (among other things) made Scrooge’s terrifying headstone. Sarah Stewart was also indispensable in the art department.

From a technical point of view, this show was the most challenging thing we have ever tried to accomplish on stage. I must tip my top hat to Daniel Clark (a parent), who not only did an unbelievable job with the lighting special effects, but donated his time and talents to constructing our magnificent sets. Equally important, was Michael Green (also a parent), who assisted with the set-build, prop construction and oversaw the sound design for the show. Former student, Anath Firmager, wrote several pieces of music for key scenes in the play, which added enormously to the atmosphere of the show.

In the end, the show was a great success, thanks to the enormous efforts of so many in our school community. Thank you to all those who came to see it. We really hope you enjoyed the experience as much as we did.

## New Beginnings

### *Children and Colour go Hand in Hand*

The Art of Colour can help a child to be creative, enthusiastic and full of excitement. The energy they put into their brilliant ideas makes them very passionate, while expressing their enjoyment brings the warmth out in a child and with a big smile on their face.

Colour in your Garden can capture everyone's attention for its easily noticeable even from a distance. Colour can brighten up your day while stimulating the brain. Colours can also be pleasing to the eye, change your mood, enhance our attention and focus on what can be done next in the garden.

These proud children have already shown us what colour can be used in our Community Garden, while expressing themselves with crafty ideas and great satisfaction.

What a great experience this has been for the school children and everyone involved to make this happen, including

lovely teachers, helpers and Jindera Community Garden support workers.

Maybe there is a lesson to learn here from these children ..... A New Beginning!

# News Update from the JINDERA WETLANDS

By Henri Taylor-Dening, Leader FJWL

**Great News** - Thanks to the generous support of Wirraminna in Burrumbuttock, the **Friends of Jindera Wetlands (FJWL)** have planted various grasses and wattles, which will greatly enhance our local ecosystem.

The recent rains have brought about a beautiful transformation. The island is now surrounded by water, providing a perfect sanctuary for birds, safe from nearby housecats. While Henri (leader of FJWL) had hoped to plant more on the island this season, access has become too difficult due to the high water levels. We plan to resume planting on the island next season when conditions improve.

**More Great News!** - We now have access to the tennis club shed, which means we'll be able to organize some volunteer days once the weather warms up. Watch this space for more details.

If you're interested in donating native plants or volunteering your time to help maintain and improve our beautiful communal wetlands, please text me, **Henri - 0413 204 262**.

Thank you to the Jindera community for your continued support of this unique habitat - The Jindera Wetlands.

# Jindera Tennis Club

Jindera Tennis Club (JTC) recently conducted its AGM and elected its committee for the 2024-25 tennis season. Jindera News put some questions to new **President Warwick Horsfall** as a means of providing readers with some background information relating to the JTC and how the competition works.

## Can you tell us a little about the history of the JTC?

Legend has it that a tennis club was **first formed in Jindera in 1897, some 127 years ago**. This was just 28 years after Jindera was formally gazetted as a town. There is a record of the JTC first joining the Hume Tennis Association competition in 1927 as a foundation member. Up until 1977 the tennis courts were located where the current netball courts are at the opposite end of the Jindera Recreation Reserve. Six courts were initially constructed at the current site and soon followed by a further four and then two more to make a total of 12 courts.

The new courts instigated a period of strong growth for the JTC with competitions played on weekends and weekdays. Teams were also entered in the Albury Tennis Association competition and numerous tournaments were conducted. Coaching was available to members and many social events were conducted. The initial six 'top' courts were first provided with a synthetic surface in 1996 and the 'bottom' six courts 10 years later. Lighting has been recently upgraded to provide a 'fit-for-purpose' environment for night tennis.

Club records are sparse, particular prior to the 1990's. How many pennants and trophies the club has won over the 127 years is a mystery. One task I have set myself is to round up as much of the history surrounding the club as I can. So, if anyone reading this is aware of a box of 'old stuff' somewhere, or any information at all relating to the club, please let me know.

## What competition does the JTC play in?

The JTC still plays in the Hume Country Tennis Association (HCTA). The HCTA consists of community - based tennis clubs associated with Jindera, Bungowannah, Howlong, Brocklesby, Burrumbuttock, Walla Walla, Pleasant Hills, Culcairn, Holbrook, Henty and Table Top. The number of teams fielded by each club varies depending on how many players are at their disposal. Jindera is the largest club in the HCTA and has at times entered up to 10 teams.

There are currently seven sections in the competition with the top section catering for the best players and the lower sections providing for juniors starting out on their tennis journey. The middle sections are the most popular and could be described as competitive social tennis. This is where the *has-beens* and *coodabeens* lurk along with the up and coming juniors. This range of teams enables the club to provide for all standards of tennis players.

## What is the format of the competition?

The HCTA season generally runs from October following the school holidays through to mid - December when there is a break. The competition resumes later in January and runs through to finals in March. The Grand Final for all sections is played at Jindera on the same day. Competition is on Saturday afternoons commencing at 1.30pm and undertaken on a home-and-away basis i.e. our teams play every second week at the Jindera courts.

Teams consist of four females and four males and all matches are played in a doubles format. Each player plays four separate sets (each first to six games); three as the same sex and one as mixed doubles. The winning team is the one that has won the most games on the day. The top four teams in each section at the end of the season then play off in the finals.

Matches are cancelled when the temperature is forecast to exceed 38 degrees and also if it is raining or the courts are too wet. So, you don't have to play in extreme conditions.

## What forms of membership are available?

The JTC has various forms of membership to try and cater for everyone's needs. These include adult, junior, family and social membership. Last season the membership fees for each category were \$60, \$30, \$140 and \$50 respectively, if paid as part of an early bird deal. Members have 24/7 access to the courts for unlimited tennis at no cost. Non-members can hire the courts on a one-off basis.

## Do members have to join a team?

If readers are interested in tennis but not sure as to what joining the JTC means, please reach out to me so that I can explain where you might fit in. Don't be put off by fear of having to commit to playing. Members don't have to commit to a team and even being a member of a team does not mean you are expected to play every weekend during the season. Teams are structured so there are more players than required for each weekend. This allows for team members to have some weekends off when they need to. How much you want to play depends entirely on you by negotiation with your team coordinator.

## Finally, who should readers contact if they are interested in joining the JTC?

If in reading the above someone is interested in joining the JTC they should contact me on **04 1231 4617** in the first instance. Likewise, if readers just want to find out more about club. If they are interested in joining a team they should contact me by 16 August. This step is just an expression of interest to assist in determining how many players the club might have for the upcoming season. There is no obligation by doing this.

# PROBUS Monthly News - by Helen Squires

*Introduction* - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP - FELLOWSHIP - FUN.

**The Henty Probus Club** meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. *Anyone from Jindera would be very welcome to attend our meetings.*

For more information - [www.probussouthpacific.org](http://www.probussouthpacific.org) or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

The **Henty/Culcairn Probus Club** met at newly renovated **Henty Library on Wednesday 10th July 2024.**

Warren welcomed us and thanked library staff for our opportunity to have a day at the library/council office. Staff member Jo spoke of library representative Susan Kane applying for grants to update bathrooms, fresh paint and carpet, a new front door and shelving and also a new front desk to assist folks in wheel chairs to deal better with council and library matters. The programmes previously held included Women's Week high tea, which was booked out, also technology assistance and clay earring making in all libraries of the group. Library/council office is to be open over four afternoons at twenty hours per week. School children have story-time and there are iPads available on loan. Alison Schuster thanked Jo and presented her with our Probus pen

Warren spoke of Probus travel benefits.

New member, Robyn Lane was our five minute speaker and she thanked library staff for being her best friends and helping with computing. Robyn told of her best Christmas meal ever in 1991 in the midst of bush fires.

The plan had been to have prawns with her daughter, but instead her SES alarm had sounded and the world appeared dark at 11.00am, there was fire at Silverdale. Robyn tells us that heroism is an act of stupidity that you got away with. The local hall was still standing and lunch

was tomato sandwiches with no trimmings, for the homeless, helpless and happy.

Warren presented our Probus pen to Robyn. We thank her for a most thought provoking story.

Yvonne introduced Archival Films and Warren told how he had worked with Ken Hall of Cinesound and then Channel 9. We saw advertising for cactoblastis caterpillars, and then the need during World War 2 for 500 women to work towards sending food to our soldiers. There was the Otway Ranges and Lorne advertised and then E.V.B. Sampson, country party candidate introducing his family and telling us that he wanted to represent Australians in Parliament. We saw the Mallee desert with trees removed making a dust bowl and then Farmer Hoffmeyer who planted trees to save his farms from the dust storms.

From the National Film Archives we saw the 1915 Melbourne Cup and the opening of the Sydney Harbour Bridge. Then, war in Australia and Kokoda front lines, the work of Damien Parer as he described our country being in peril.

Yvonne was thanked for her effort in providing the most interesting historical film footage.

We send our love to those dealing with illness and injuries, and look forward to seeing lots of members and guests at **Culcairn 14th August 9.30** for a **10.00am** start for the **Great Beanie Handover** to the Seaman's mission. We could all wear our own beanies too.

## Stitch and Chat Craft Group

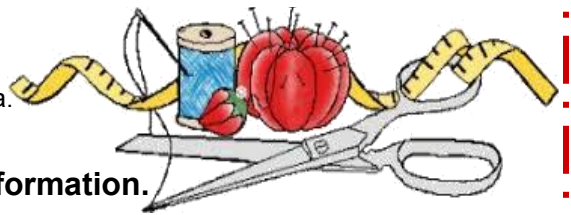

This group meets on the first **Wednesday** afternoon of each month at **2.00pm** at the Jindera Hub.

**All welcome**, just bring whatever you are working on & come along for a chat and cuppa.

We usually finish around 3.30pm

The winter golf season, although cold and wet at times has progressed pretty well so far this year, with just a couple of comps washed out. It is certainly much better than the last couple of "Wet" years where Royal Jindera was one of the few golf clubs in the district able to continue operation every week due to water logged and flooded courses.

The men's July Monthly Medal was held on Sunday the 7th July with a good "Winter" field of 24 players taking part.

Aaron Melbourne followed up on his run of good form to win the medal with another great round of "Nett" 64.

There was no July monthly medal for the ladies due to the inclement weather.

For those interested in playing in the Ladies competitions, it is run over two days – Sunday and Monday – and includes both an 18 and 9 hole competition, for those who only wish to play 9 holes.

Please email [admin@jinderagolfclub.com](mailto:admin@jinderagolfclub.com) for any enquiries.

The GolfNSW men's and mixed KENO events were held this month, with the men's won by club captain Craig McMillan and Simon Cossor with "Nett" 63.25 on Sunday the 14th July and the mixed by Brendan Burt and Alison Eaton on Sunday the 21st July with "Nett" 68.25.

Both pairs will now progress to the next final held at Deniliquin later in the year.

Members can now book and register for a comp by going to the website - <https://jindera.golf.com.au/welcome/index.mhtml> or visit the Jindera Golf club website – [www.jinderagolfclub.com](http://www.jinderagolfclub.com) > Events and click on the link.

In the meantime, current comps are as follows: -

- **Sunday – Men's 18/9 holes**, event according to calendar on website Tee-off 11.30/12.00. ( 8.30/9.00 from October)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00.
- **Friday – Chook Run – 9 Holes**, , Open to all, 2.30 to 3.15pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

**The club has an electric golf cart for hire by members and visitors.**

**For bookings, contact us via email.**

**Membership** – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost **\$140.00** (inc. GST), Juniors **\$35.00** (inc. GST)

# JINDERA ANGLERS CLUB INC.

The last few months have been trying with the weather not being in the anglers favour.

During the month of July our community and fishing club lost a very valued member and a mate to many. **Steve "Boof" Waller** passed away after a long illness on July 7th. As per Boof's wishes, there will be a farewell held for him on Saturday the 7th of September with family and friends welcome to attend at one of his favourite fishing spots the 12 Mile reserve, followed by refreshments back at the clubhouse afterwards. More details will be announced closer to the time. **RIP Mate 'Gone Fishing'**

The club held their AGM on Friday the 19th of July with a new committee elected. Thank you to the previous committee members for all their efforts.

New committee:

President: Kerrie Lynch - Vice President: Brendan Kalina  
Secretary: Wayne Polley - Treasurer: Kirsty Taylor

Another successful presentation day was held on Sunday 21st of July. Congratulations to all trophy winners and may the competition only get stronger.

Competition results; Fisherperson of the Year was Laszlo Peli, Juniors - Indi Brown 63cm Cod & 118cm Cod bag, Juniors/Midgets - Harvey & Hudson Davenport also Lachie & Matty Kalina for weighing in fish. Ladies - Amber Brown 74cm Cod & 201cm Cod bag, Erin Rogers 61cm Yellowbelly, Claire Davenport 32cm Redfin. Men - Laszlo Peli 85cm Cod and 486cm Cod bag also 44cm Trout and 287cm Trout bag, Brian Shannon 64cm Yellow Belly and 1518cm Yellow Belly bag, Zoe Peli 39cm Redfin and 560cm Redfin bag. Donut of the year due to the amount of times he fished in the Comp & didn't weigh in a fish is Zol Peli.

Memberships are now due, singles \$30 and families \$60. Old and new members are always welcomed. For anyone needing more information please email [jinderanglers@hotmail.com](mailto:jinderanglers@hotmail.com) and follow us on [Facebook!](#)

*Thank you* to Daryl "**Ricko**" Rixon for his 30 years of reporting to you all and his contribution and ongoing passion for the Jindera Anglers Club.

Next **General Meeting** will be held at the **Clubhouse** on **Friday 9th August** commencing at **5:30pm**
