Rural CareLink inc.

Headlines and Happenings for December

By Lizzie Pogson. (Secretary, RCL).

Centrelink Community Engagement Officer, Tanya Patterson will make her first visit to the **Greater Hume Hub, Monday 9th December at 11am-12pm**. Call in during this time when Tanya will be available to outline some fundamental processes that people may be interested to learn about and make access easier for Centrelink users. (see page 26)

Nail pampering sessions: We are hopeful that our first **Community Assist Volunteers** will be connecting very soon, with residents at the **UPA in Jindera**, resuming a lovely and caring activity to conduct **Nail Pampering Sessions**. How delightful to reinstate this caring initiative, where everyone feels all the more loved?

A new **Jindera Play Group** might be a few steps closer, after we raised this topic right here in the Jindera News! One young Mum saw our notice and is very keen to get it moving - now circulating a survey to gather more names. We have invited her to come to our December Meeting and give us a progress report, and discuss how RCL might provide support (see page 39).

Volunteers Christmas Luncheon: Jindera Hotel, Monday 16th Dec. (Time to be confirmed). A great way to round off the year, lunching together and enjoying a toast to each other for ALL the incredible efforts done individually and collectively. Rural Care Link could not do without YOU!!
The Jindera community appreciates YOU!!

FREE Fruit & Vegies! We'd like to acknowledge **Daryl Gabriel** for his wonderful initiative to help others - his offer being to bring **excess produce to the Op Shop, free of charge**, displayed so beautifully by Op Shop volunteer staff. This generosity of spirit is SO greatly appreciated

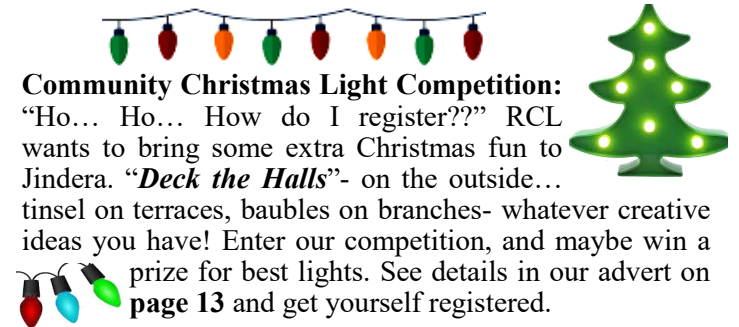

Season Pool Passes: We are delighted to once again sponsor a number of 'season swimming pool passes'. Becoming confident and proficient in the water is so important, and how better to do that, than enjoying the time with your family, meeting other families and really connecting, over the summer.

For general **RCL (Rural CareLink) Enquiries** including Volunteering, Hardship, Personal Assistance and **Community Assist**.
Please call the RCL Office
0475 594 073

RCL Committee, Staff and Volunteers thank the community of Jindera and surrounding areas for their support in 2024. We look forward to seeing you all in 2025.

MERRY CHRISTMAS and a very prosperous **NEW YEAR**.

Community Christmas Light Competition:

"Ho... Ho... How do I register??" RCL wants to bring some extra Christmas fun to Jindera. **"Deck the Halls"**- on the outside... tinsel on terraces, baubles on branches- whatever creative ideas you have! Enter our competition, and maybe win a prize for best lights. See details in our advert on **page 13** and get yourself registered.

Members and Op Shop Volunteers Meeting Nov 18th: Bjelkie Lansdown's presentation to us was brilliant! Professional, personal, evidence-based, delivering insights into how others might be feeling, what could be impacting them, how to better identify when someone might be feeling a bit low, whether that be coming in to shop with us at the Op Shop, or in everyday life. She gave strategies for when a situation might need expertise beyond us. Interactive exercises highlighted boundaries and the ease with which we can misinterpret situations. She also highlighted the importance of self-care giving many practical ways that we can be mindful to take better care of ourselves.

We are grateful to Bjelkie to have given her time to prepare a session especially for us and to take the morning out of her workday to present to us, free of charge. As part of our governance, we have undertaken to offer practical sessions to upskill our volunteers, but we'd also like to know what fun interests might bring people together.

Going through Emergency Procedures with Bernie Anderson and the Greater Hume Council Fire Contractor and our Warden, Betty was extremely practical. It was great to collaborate with Council to devise workable plans. Following this, the Volunteers were taken through a newly revised Orientation Information document, and looking at the Induction Checklist which ensures everyone is familiar with their role and responsibilities. We are relying on further input from our hard-working Volunteer Staff to ensure all chores both front and back of house are covered.

Carer Support Group News

By Vickie Priscina. (Carer Group Co Ordinator, RCL).

An **Expo for Carers and Service Providers** was held at the Commercial Club in Albury on 21st November.

The event enabled both to access valuable information about supports available in Albury/ Wodonga regions and surrounds. Speakers were present and there were opportunities to take part in activities such as Thai Chi, Drum Circle and Painting.

Rural Care Link was represented by Vickie Priscina Carer Co Ordinator for Rural Care Link. Vickie says *"Hopefully this will be the first of many as it was great to learn more about other services and let them know of the excellent work that Rural Care Link does."*

The Event was organised by Aspire , Intereach , Aspire Support Services, Uniting Carer Gateway, and EACH - Family Relationships Support for Carers

Photograph (on left) shows Leeny Mason, President of Rural Care Link, Jindera and Sonie Wilson from Dementia Australia attending the Carers Expo.

Carers Support Group

We *usually* meet monthly on the **3rd Tuesday** of each month

Please call **Vickie - 0428 406060** for venue and dates of these meetings.

Peer support, respite & information sharing is the focus of the Carer Group.

For more information call **Vickie Priscina - Carer Group Co-Ordinator** on **0428 406 060**

KAIDEN ELEY'S *brave fight against a rare condition* - Neurofibromatosis (NF)

Kaiden Eley's mum, Tegan is shining a light on a hidden condition. 7 year old Kaiden may seem like any other growing child at first glance, but he faces a unique challenge.

A rare genetic condition, little understood by health professionals and even less by the public, threatens to cut his young life short. Tegan tells Jindera News she was "shocked" and "confused" when a doctor finally gave the diagnosis of **Neurofibromatosis** commonly called NF.

The rare genetic condition causes tumours to form in the brain, spinal cord and nerves. It varies person to person; Kaiden has neurofibromatosis type one, which can cause bone deformities, learning disabilities and dangerous high blood pressure.

According to the **Children's Tumour Foundation** (CTF), every **THREE** days a child is born with **neurofibromatosis** (NF) in Australia. The Children's Tumour Foundation is the leading charity supporting more than 13,000 people across Australia, impacted by this rare genetic condition, neurofibromatosis. There is no cure and treatment options are limited.

With NF impacting their family directly, Tegan says, "when Kaiden was younger, we never thought anything was wrong. Yes, his head was slightly larger than average. Yes, he had birth marks and yes, his speech was impacted and slightly slower. But we followed up with health professionals and nothing was a miss, plus every child develops at their own rate and no red flags had occurred."

Then Covid happened with appointments being pushed back or not occurring and they were being asked to ring back to check on Covid rules. It wasn't until August of 2022 that a new paediatrician (that they finally got to see after 2 years) noticed that Kaiden could have this condition. After she checked what she needed to he was very quickly diagnosed.

It was all a blur when they found out, with their gorgeous boy being just 5 years old at the time. Lots of appointments and trips to Melbourne are now normal for the Eley family.

They found the CTF in June of 2023 and they have been a great lifeline being able to provide resources and network with other families as it is especially isolating being in regional NSW.

Tegan tells us "a lot of people in the health industry had never heard of NF or knew very little about it, so finding health professional's has been hard. We were questioned on our choices or just brushed off, but simple things as a headache or bumps on his skin can have serious health impacts on Kaiden".

Kaiden recently had his first **MRI** after months of waiting and figuring out whether to have it locally or in Melbourne - this became a very good eye opener to Tegan about how parents must continue to fight to get children seen and heard in the health area. Tegan continues "if I wasn't doing the communicating, he would have fallen through the cracks as the health sector wasn't communicating to me around questions I had".

Kaiden is actually just about to turn 8 and looking at him you'd think he's just like other little boys his age but on the inside this could be another matter. At the moment he doesn't seem to have major issues but this could easily change at any time and this will continue for the rest of his life as there is no cure.

There will be a **donation collection** for Kaiden at the **Jindera Christmas Carols** on Friday 13th (*see front page*) with all funds raised being used to help them with travelling to specialist appointments and all the associated costs, as well as raising awareness around NF.

To donate or for more information go to:

JINDERA COMMUNITY FORUM

Next Meeting is at the Jindera Community Hub (entry via rear carpark) on
Tuesday, February 18, 2025
7:30pm

Items for the agenda are welcome by emailing below.

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

WHAT DOES THE FORUM DO?

The Forum holds community meetings which are open to residents of Jindera to attend and discuss what is happening in Jindera, as well as consider the future of Jindera.

Meetings are generally held bi-monthly on the third Tuesday in February, April, June, August and October.

The Forum is able to put forward ideas and comments to Greater Hume Council on issues facing our Jindera community, facilitate direct discussion with Councillors who are in attendance at regular meetings, in addition to holding special meetings relating to specific issues.

Wishing everyone a Merry Christmas and a Happy New Year

JINDERA BUSH FIRE BRIGADE

by "Poppa Pomegranate"

CAN WE FIT

The fire season is underway, and the weather has been kind to us so far. The rain we have been experiencing has definitely helped with the growth of our gardens. We ask that you please remember that our trucks are big, and we need space to be able to get through your gates and down driveways. Our large tankers need **4 metres height clearance** (all the way down your driveway) and gates need to be at least **3.0 to 3.5 metres wide** for us to get into your property.

... through your gates and under your trees???

TOTAL FIRE BAN

With the forecast temperatures we have coming, it is important to understand what you **can and cannot do** when a **Total Fire Ban is declared**. During a Total Fire Ban you cannot light, maintain, or use a fire in the open, or to carry out any activity in the open that causes, or is likely to cause, a fire. General purpose hot works (such as welding, grinding or gas cutting, or any activity that produces a spark or flame) are not to be done in the open.

With the forecast temperatures we have coming, it is important to understand what you **can and cannot do** when a **Total Fire Ban is**

Total Fire Bans are declared on days when the weather is very hot, dry, and windy. These are usually on days when the fire danger rating is Extreme or Catastrophic. They reduce the risk of fires damaging or destroying life, property, and the environment. The NSW RFS Commissioner may declare a **Total Fire Ban** the afternoon before a high-risk day. However, a Total Fire Ban may be issued on the actual day if weather conditions get worse. A Total Fire Ban usually starts at midnight and lasts for 24 hours.

Can I use an electric barbeque? YES - You can use an electric barbeque for cooking as long as it is under the **direct control of a responsible adult**, who is present at all times while it is operating, and no combustible material is allowed within two metres at any time it is operating.

Can I use a gas barbeque? YES - You can use a gas barbeque under the following conditions: It is under the direct control of a responsible adult, who is present at all times while it is operating; No combustible material is allowed within two metres at any time it is operating; You

have an immediate and continuous supply of water; and the barbeque is within **20 metres of a permanent private dwelling** such as a home; or the barbeque is within a designated picnic area and the appliance is approved by Council, National Parks or State Forest.

Can I use a barbeque or pizza oven which burns solid fuel (e.g. wood, charcoal, or heat beads)? NO - A barbeque or wood fire pizza oven which uses solid fuel, such as wood, charcoal, or heat beads, cannot be used outside during a Total Fire Ban.

On a **Total Fire Ban Day**, we strongly recommend you reconsider activities such as using a tractor or slashing, to help reduce the chance of a fire starting on your property. Under certain conditions, the NSW RFS may issue a **Harvest Safety Alert**.

If you have a fire permit they are suspended on days of Total Fire Ban. Permits may resume after the Total Fire Ban is lifted, as long as the permit has not expired.

You can access detailed information on the NSW RFS website at <https://www.rfs.nsw.gov.au/>

The Jindera Brigade has been working with an incredibly special visitor again this year.

We are hoping to help him to get to the **Auskick Christmas party** on the **6th of December** which should be a fun time for everyone.

Greater Hume Council - November Meeting

- A tender was accepted for the **Dight Street Drainage and Reconstruction**. Work will commence in the New Year.
 - Council approved the **lodging of applications** for funding under the NSW Active Transport Program to enable a **shared path** to be constructed along Drumwood Road.
 - Funding for the **carpark works** including drainage, shared path and fencing was approved as Stage 1 at the Jindera **Adventure Playground**. Tenders will be called for as soon as practical.
 - Council is to carry out a **review of the current projects** in Councils Section 7.12 Plan and following consideration and public consultation by Council readvertise a revised 7.12 Plan project program that allocates funds for Stage 2 of the **carpark project** as a priority project instead of a **dog park** at the Recreation Reserve which will then be placed as a future project in a different location.
- * Residents who travel along **Hueske Rd** are happy to see that Essential Energy have started preparation for the installation of **street lighting** at the intersection of Hueske Rd and Urana Rd.
- * Keep a look out for **RED BOWS** on the large trees in the main block.
- * Stages 1-3 of the Adventure **Playground Shade Sails** have been **installed** which look great. Please see the list **below** which recognizes the community members and businesses who contributed to the total cost. There is one section to go which comprises three small sails. Hopefully funds will become available soon. Donations are always welcome!
- * Don't forget to register your house for the **Christmas Lights** (*see page 13*) competition. Forms are available at IGA, the Op Shop and Swimming Pool.
- * Police Chief Inspector Scott Russell met with me to discuss **community concerns** mentioned in an email to the Albury **Police Station** regarding incidents in Jindera which have been occurring and the lack of a police presence. He was interested to hear of the different issues people have faced and will be checking in on a regular basis. His main advice is to keep on **reporting any problems** that arise regardless of how insignificant they seem. This allows the police to build up a picture of what is happening and helps them in their planning. Hopefully there will be a more visible presence as cars which are going out from Albury to other Greater Hume towns do a drive through and around Jindera. - Remember....**REPORT REPORT REPORT!**

Merry Christmas to you all and please help keep our Community Safe!

Merry Christmas
AND HAPPY NEW YEAR

Jindera Tyre Service	Midday - Tuesday 24.12.2024	Thursday 2.01.2025

Many of the above Jindera businesses have a Facebook page where you can check for any changes.

This month has been a very busy time, as we start to wrap up our program for 2025!

Our Wombat group had a special visit from Kylie from PCYC in her police car. She taught us all about who the police are, how they can help us and when we might need their help. We loved seeing Kylie in her uniform, sitting in her car and the lights and sirens!

Thank you Kylie, for donating your time to educate the children in our community and providing wrist bands and balloons!!

It has been a big year of re-grouping and growing at Jindera Preschool, and we are striving to be better as a preschool and a contributing organisation in the community.

We are looking forward to a productive and successful year at Jindera Preschool in 2025.

We are very excited to see some new signage, as well as some updated uniform items and merchandise.

There are still limited positions available for 2025, please get in contact with the office to make an enquiry.

Kangaroos – Tuesday/Thursday

Teacher – Chloe Roberts -- Bach of Ed. Early Childhood
Masters of Special Education

Wombats – Monday/Wednesday

Teacher – Jessica Parascos -- Bach of Ed. Early Childhood

Kookaburras – Friday

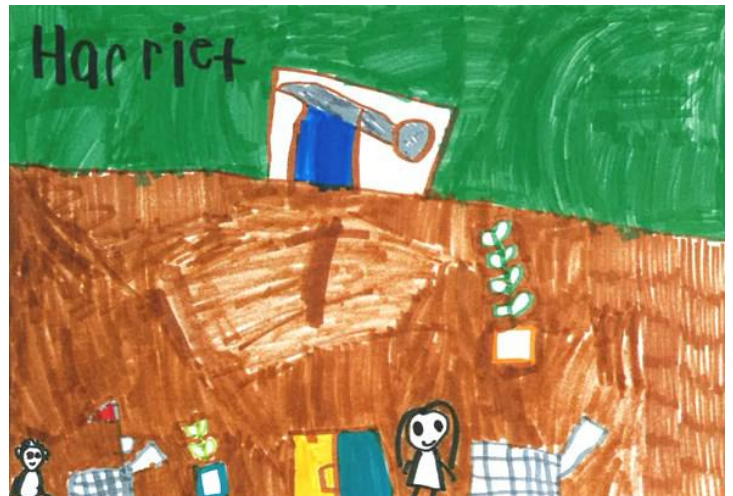

Teacher – Olivia Phegan -- Bach of Ed. Early Childhood

*****THANK YOU!*****

There are many people and organisations in our community who actively donate their time, resources and expertise to Jindera Preschool. We would like to thank the following:

- * Firstly, to Simon Odewahn, who keeps our grass and preschool grounds looking neat and tidy.
- * Bunnings Albury for donating gardening materials and safety signage for our carpark, and the Watson Family for installing this for us!
- * CWA Jindera for their generous donation of a book voucher for our children.

Two of our children created beautiful drawings to send to Bunnings and the CWA to thank them for their contributions.

We have been learning all about the life cycle of a butterfly.

We were lucky to have some real chrysalises living at our preschool for a little while before they emerged as beautiful monarch butterflies!

The children in all groups were very engaged throughout the process and loved seeing them released into our yard.

JINDERERA

• PIONEER MUSEUM •

How quickly the year has slipped into Christmas mode – it seems to have come early this year, but perhaps it's just how time moves more quickly as we get older.

We had a Members Christmas/End of Year Get Together last Sunday evening and as I reflected on the accomplishments of the past year, it was quite staggering. As usual, it has been a full year with events, repairs, renovations and new additions to the displays and collection. The end of year is always a great time to look back and see what accomplishments have been made; the volunteers at the museum are second to none, working away in all the various areas, to make the place the amazing experience it is.

This past month we held our Blacksmith Dinner, the first at the Blacksmith precinct. (see page 19 opposite). It is always a lot of extra work to re-camp to a different site, moving all that is needed to make the environment comfortable. There were many great reports from guests attending the evening and it was a most interesting site to set up in. We are often blessed with good weather and this was no exception; the only difficulty for guests, the hike to the toilets across the road! Brian excelled himself with an indigenous flavoured menu and, although not all to everyone's taste across all flavours, most were willing to try.

Thanks to David and Judy Grey, we have a copy of a lovely set of photographs that adorned the sheds at Granite Hill. These have been displayed on the outside wall of the **Working Machines Shed** in preparation for

the opening up of this area with the erection of the new shed on Dight St that will house various pieces of machinery, several that came from Granite Hill, that need to be out of the weather. This is a very exciting phase for the museum, particularly as we prepare for the **Forgotten Trades Festival** on **23rd February** next year.

The **events calendar for 2025** is included within this edition (see page 20), so if you have things you would like to attend, you can pencil them in. These events are booked through Trybooking and become available from 4-6 weeks before the event date.

This month we have been working on establishing the services needed to progress with the new building and we

look forward to the new year when we will commence work with our architect to refine the plans and get ready to commence building. A new sign will go up soon to advertise the site and building works. The new website has a dedicated area for **donations** and forms for donating pavers and fittings and fixtures for the new building.

The museum also offers a range of **Gift Vouchers** for Tea Room, event or workshop participation if you would like to utilise these for Christmas gifts. Send an email or drop into the museum to arrange.

We would like to **thank** all those locals who have visited the museum this year, bringing family and friends, and those that have attended events and workshops, it is fabulous to see so many visiting the museum and enjoying its many exhibits and lovely outdoor areas.

We would like to wish you all a very **Happy Christmas** and holiday time and **thank-you** for your support during this past year.

Margie Wehner
President - 0408 409 842

Guests attending the Museum's Blacksmith Dinner

It was a beautiful evening on Saturday 9th November for the Museum's very first Blacksmith Dinner, where many diners (*shown below*), were delighted with the exceptional food and service the museum is renowned for. It was a great opportunity to showcase the Blacksmith Precinct for something different and it seemed a popular spot.

These events are really important fundraisers for the museum so we thank everyone for coming, and to the dedicated team of volunteers for making it happen.

Jindera Museum - Upcoming Events 2025

Date	Event	Detail
Fri 10th Jan	Twilight Opening	Alfresco evening in the museum gardens with live music, food and beverage available
Sat 18 th Jan	Twilight Opening	Alfresco evening in the museum gardens with live music, food and beverage available

More information on each event will be available on our website and through our Facebook page. - Or contact 0408 409 842 - Email: info@jinderamuseum.com.au

Thank you

With Thanks from Brian and Colleen Lord

We would like to sincerely thank all our friends and colleagues in Jindera and beyond who have supported us over the past few difficult months.

The passing of our dearest sister and sister-in-law Pamela Mason was very traumatic, and the kindness shown to our family by the community during this time was wonderful.

We are hoping to catch up with everyone in the coming months but till then we thank you all very sincerely for your support and attendance of Pam's celebration of life.

Regards Colleen and Brian.

Jindera Pool has exciting news

A **BRAND NEW Wally Wipeout** has just arrived from New Zealand. What a swim to get here he must have had. His first splash will be with us **THIS Sunday 8th December - 2.30pm.**

The Committee will be holding a **FREE SAUSAGE SIZZLE** to help celebrate his arrival. No further dates are yet known so please keep an eye on our Facebook page.

Aqua with Allana

Principal: Brad Moss

It is almost the end of the 2024 school year, and what a year it has been. We have had a wonderful year of growth, learning, friendships and fun!

It is at this time that we farewell our Principal, Mr Brad Moss, who has accepted the position of Principal at Victory Lutheran College in Wodonga. Mr Moss has been a wonderful guide to our school and has been the driving force behind the amazing school community that it is today. Mr Moss has made many positive impacts on our school including our fantastic, renovated spaces (still continuing!), contemporary learning and in taking a relational approach with families, staff and students. We wish Mr Moss all the best for his new role at Victory.

Our RAS Tennis

Recently Luke Schulz and Joel James proudly represented our school at the RAS Tennis competition, demonstrating outstanding sportsmanship, resilience, and grit. They faced strong opponents from many of the schools in our region and persevered through a long day of matches in hot weather. Congratulations, boys, on an incredible effort and for showcasing determination and school spirit!

Kindergarten PBL

Kindergarten students have spent some time this term in PBL investigating where our food comes from and how to care for living things. A small group of Kinders set up their own 'Superhero Chicken Lunchtime Club', we had an art group teaching other students how to draw chickens and creating a chicken artworks to hang up around the chicken pen, and the teaching group developing posters to teach others about chickens. The students enjoyed being able to brainstorm ideas as a group and show initiative and excitement to outwork these.

A huge thank you to Wodonga Peards Nursery and Albury Bunnings for their donations to create vegetable gardens and flower gardens around the chicken pen and also to the Albury Men's Shed for providing us with some ply circles for the student's artwork around the chicken pen. Also, a big thanks to Cheeky Chic Farm for providing us with eggs to go through the incubation process in the classroom. The students loved it and it brought so much curiosity and excitement.

Year 5/6 Christmas Market Stall

For PBL this semester, Years 5 and 6 created their own products within their own microbusinesses. Students had a chance to sell their products at the Year 5/6 Christmas Market Stall. Classes and parents visited the market and made purchases and together over \$1300 was raised for Australian Lutheran World Service's (ALWS) Gifts of Grace. Thank you to everyone for their support. What an AMAZING result and incredible display of our super talented students.

Buy Local

Jindera CWA News

December 2024

Jindera branch members were busy catering at the Albury Show with morning teas and luncheons for three days. On the Sunday show visitors were delighted when Roger Buck (husband of Lyn from CWA Albury Evening branch) entertained by playing the bagpipes. (*Thank you, Roger* – it was a highlight).

A very pleasant Christmas luncheon was held at the Berrigan Federal Hotel on 20th November with members from Murray Group attending. Berrigan is one of the new branches which joined Murray Group this year. Instead of gifts, members donated to Betty’s Place.

Jindera members gathered at Helen Glachan’s home to make Christmas decorations from milk bottle tops (*see photo*). Our Christmas party will be a luncheon followed by a concert at the Albury Entertainment Centre.

A CAKE STALL with a CHRISTMAS THEME WILL BE HELD at BUNNINGS on 7TH DECEMBER.

Our meetings will resume in February 2025.

JINDERA CWA MEMBERS WISH EVERYONE A SAFE and HAPPY CHRISTMAS and HOLIDAY SEASON.

Yours in CWA Friendship,
Bev. Blair
Publicity Officer.

Exploring the Magic of Materials: A Sweet Scientific Adventure!

In Science this term, the Goannas and Wallabies classes have been delving into the fascinating world of materials, specifically focusing on the Material World. Our exploration has centred around the properties of solids and liquids, and we have engaged in a series of hands-on experiments to observe how various materials can change states. So far, our exciting experiments have included creating Oobleck from cornflour and water, discovering the fastest technique to release gummy bears from ice cubes, and melting solid chocolate back into liquid before transforming it into solid chocolate once again - if we can resist the temptation to eat it too soon! This week, we embarked on a experiment involving the effects of salt-saturated water, sugar-saturated water, and tap water on gummy bears. The students eagerly made predictions and monitored the changes in the gummy bear sizes throughout the day, fostering a sense of curiosity and scientific inquiry.

Discovering History: An Enriching Adventure at Jindera Museum

On a delightful school excursion, our infants visited the Jindera Museum, where they were immersed in a rich tapestry of local history and culture. The children explored various exhibits showcasing artefacts from the past, engaging their curious minds as they learned about the significance of the region's heritage. With interactive displays and hands-on activities, the visit encouraged exploration and discovery, allowing the little ones to connect with the stories of those who came before them. The friendly museum staff provided insightful guidance, making the experience both educational and enjoyable. Overall, the trip to Jindera Museum was a wonderful opportunity for our infants to broaden their understanding of the world around them while fostering a sense of community and appreciation for history.

SNAPSHOTS

Persevere with sincerity.

Jindera Community Garden (JCG)

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message - Eileen at JCG on Ph: 0400 023 290 or email jinderacommunitygarden@gmail.com.

Community Garden

Socialise - Share - Successful - Satisfaction

Community Garden is all about *Socialising* and *Sharing* then you will feel the *Satisfaction* of achieving great works after all your effort.

Just look where we are now all working as a team making our **Cake Stall Successful** once again.

Our stall was full variety:

- 🌸 Memberships 🌸 Donations 🌸 Generosity 🌸 Plants
- 🌸 Produce 🌸 Raffle and of course 🌸 Yummy cakes to go with our coffee.

Community Interest

Look how our community love our **Cake Stall** ... even the kiddies are curious.

Our First Junior Membership

A big welcome to lovely **Charlotte** from St John's.

Hopefully Charlotte will enjoy her visits to the community garden - picking vegetables and helping with the watering.

Garden Raffle

Our Food and Christmas Hamper with vouchers will be drawn on **15th December** at our Community Gardens where we will be celebrating our **CHRISTMAS PARTY** starting 5pm.

Everyone come along

... we will be having a sausage sizzle under the shady trees. Just bring your drinks, chair or whatever you need.

Looking forward to seeing you.

Our Future Generation

Our young kiddies of today are full of great ideas. Their *Talents* and *Artistic* ways are always surfacing.

Thank You

Big thanks to everyone who have helped with the **Garden** and our **Cake Stall**. There are too many people to thank but you all know how you have helped ...

Take Care - Happy Gardening and see you all on **15th Dec.** at the **Community Garden Christmas Party.**

**We have all your
real estate needs
covered**

**Experience, Dedication,
Results**

The previous plans for a Multi-Purpose Stadium for Jindera have now taken a different direction in that the relatively new committee has begun discussions with the Jindera Football/Netball Club to come together on a joint venture to build a Community Centre, rather than a hall or stadium.

The original Jindera Multi-Purpose Stadium Committee needs to be acknowledged for the planning and fundraising they have done since 2002, and their continual promotion of the initial stadium concept, in conjunction with Council staff and individual Councillors.

The new Community Centre concept opens the options to a different type of centre that can be utilised by the Football Club as well as other community groups. By working towards a large multi-use building rather than an additional new building, there will be less upkeep for Council and the community as a whole. The new building will also replace and consolidate existing structures around the oval.

The new concept plans will be on display at the Jindera Hub from February 1 next year, with a planned **Community Meeting** to be held at the Hub on **Tuesday, February 25** for residents to further view the concept plans and discuss with the Committee - feedback will be most welcome.

Moving forward, there is still a concerted effort required to raise more funds to prove to the Council that Jindera is serious about a new community centre, with the need also to prove that the wider community, and outside entities, will utilise the new centre. In addition, the project will necessitate the application for grant money, however, this will not be an option until the community can present concept plans and raise enough funds to start the project moving.

Please support the committee as they strive to make this dream a reality, providing the community with an impressive facility which can be utilised by many groups for a myriad of regular activities, events and functions.

Jindera Cottage Crafts receive grant to run local Skills Workshops

Jindera Cottage Crafts Group is thrilled to announce that they have recently secured a 2025 Country Arts Support Program (CASP) grant to run Artist Skills workshops.

The grant will cover member Artist fees to conduct up to 6 different types of workshops in early 2025, including acrylic painting, jewellery making, macro photography, wet felting & different types of sewing skills.

The workshops will be held in and around the grounds of **Jindera Pioneer Museum**.

This project is supported by Create NSW's County Arts Support Program and administered by Murray Arts, one of 15 regional arts development organisations in the NSW Regional Arts Network.

For further information please contact the Jindera Cottage Crafts Group Sales Supervisor, **Vivien Naimo** on **0409 454 119**.

Times & dates of workshops to help released in early 2025.

For all the latest news go to: [cottagecraft](http://cottagecraft.com.au)

The Country Arts Support Program is a devolved funding program of Create NSW and administered by Murray Arts Inc.

WHAT IS Thunderstorm Asthma?

Thunderstorms can whip up pollens and concentrate them in the air, increasing the risk of asthma attacks.

THUNDERSTORM ASTHMA ALERT!

The local community should be aware of the heightened risk of thunderstorm asthma throughout the grass pollen season which runs from 1 October to 31 December and be appropriately prepared. You should not replace appropriate prevention and good asthma and hay fever management, which is the best way to protect yourself from thunderstorm asthma.

For more information go to:
<https://www.greaterhume.nsw.gov.au/Newsroom/Current-News/Be-Prepared-for-Thunderstorm-Asthma>

before December 15th

Telstra commits to Jindera tower upgrade

Farrer MP Sussan Ley has welcomed a decision by Telstra to install 4g/5g antennas at Jindera's Recreation Reserve before the end of the year.

Ms Ley launched a town-wide petition last month stepping up pressure on the telco after continuing complaints of mobile dropouts and signal capacity issues surrounding the town. The upgrade will shift Telstra phone cells from a smaller tower in the town centre – co-locating on a taller Optus tower - significantly boosting coverage around Jindera and Glenellen as well as parts of Ettamogah & Bungowannah.

Telstra has confirmed transmission fibre work is scheduled from early next month, with a completion date of 23 December, barring unforeseen delays. "It's a welcome Christmas present to this community who have waited far too long to have this mobile service upgraded", Ms Ley said.

"Jindera is one of the border's fastest growing areas, increasing in population by about four percent every year.

"To attract people to regional areas you need good health facilities, you need quality education options, BUT you also need an ability to communicate.

"An estimated delay of up to two years – the previous timeframe that was offered by Telstra, was completely unacceptable. Bringing this project forward is a good move; it's the right move."

Optus and NBN installed towers at Jindera's Recreation Reserve a number of years ago, with NBN announcing a high-speed wireless option from the site (up to 400mbps download speeds) from next month.

OPTUS

Merry Christmas.

Sending my best wishes to all in our community this Christmas season and wishing you and your family a happy and safe New Year.

PROBUS Monthly News - by Helen Squires

Introduction - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP - FELLOWSHIP - FUN.

The Henty Probus Club meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. *Anyone from Jindera would be very welcome to attend our meetings.*

For more information - www.probussouthpacific.org or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

The **Henty/Culcairn Probus Club** met at Culcairn Bowls Club on **Wednesday November 13th 2024.**

Yvonne was our President for the day, Joyce was on piano and Steve brought along his saxophone, so we had a stirring National Anthem, music to wash morning tea dishes and even the Probus song.

Yvonne spoke of knitting poppies to enhance Anzac and Remembrance days, and there is now a junior CWA in Henty, and there was a coffee morning at Henty Bakery, 26th November 10.00am to encourage friendships among Probus people. Our five minute speaker was Robyn Elliott, who told of farming and playing polo cross in State teams, and working on stations.

Margaret introduced us to Lisbeth Souness, who spoke to us about the interesting collection of elderly pieces brought for discussion.

There were time pieces and Mary Gregory glass pieces, silverware, and a dainty silver handbag, as well as an antique of the future to do with The America's Cup.

We learned about documenting our knowledge to go with the pieces, and that the value of antiques is cyclical. Cleaning items can remove patina and value. There are sites on computer and lots of books in libraries for more information on antiques.

Dianne presented Lizbeth with our Probus pen as a thank you for a most informative session.

Our **next meeting** will be **Wednesday 11th December** at **11.00am at Henty** where we are having a Christmas style lunch.

We are also having a **meeting in January**, the **second Wednesday** of the month at **Henty Community Club. 9.30am** for a 10.00am start.

We send kind thoughts to those having special birthdays, and advise that **Henty-Culcairn Probus** will be celebrating **30 years in 2025.**

Thank you to our many helpers who make sure the venues are ready and the newsletters are printed and our lunches are served. *We wish you all a Happy Christmas.*

JINDERA NEWS - CONTACT US ON: jinderanews@ruralcarelink.org.au

Sussan Ley speaks to parliament against local Racism.

I have a message from my electorate of Farrer: *those who try to divide us will only make us stronger.*

On 12 October, up to 50 Neo-Nazis dressed in black with faces covered converged at Corowa. The location choice was no coincidence; Corowa is the birthplace of Australia's federation. The people's convention of 1893 united this nation's divided colonies to work as one country.

These men, the National Socialist Network, sought support for a publicity stunt. They failed miserably. Corowa rebuked the mob, demanding they leave town immediately. When I visited the next day, the message was clear from the mayor, business and community leaders and everyday citizens: your views are not welcome in our town - not now and not ever. It also emerged that the group had assembled at Albury's war memorial, alone on a cold midwinter evening, preaching white supremacy rubbish to themselves. That's where these views will be delivered, disappearing into the void of a dark night. You might meet in secret or sink into backroom social media sites, but as soon as you come out of the dark, you will be rejected.

Failing to find support in our cities? If you think there's a base for you in rural Australia, think again. Corowa and the Albury region have spoken loudly —**those who try and divide us only make us stronger.**

SUSSAN LEY
FEDERAL MEMBER FOR **FARRER**
Putting Farrer First

Could your volunteer group use an extra \$5,000?

Grant funding is available for not-for-profit organisations in Farrer to support their valuable work - this year the focus is particularly on those supporting the wellbeing of children under 18.

From communication needs, new equipment, training and transport costs, even insurance cover, applications for the 2024-25 Volunteer Grants round are now open.

To check on your eligibility & the submission process, please get in touch or head to my website and search for 'volunteer'.

Calling all locals interested in starting a PLAYGROUP in Jindera

Some of the local community are currently in the process of seeing if there is enough interest in our area to start a **Playgroup in 2025**. They believe that as a small beautiful and caring community it would benefit Jindera to have a group similar to this!

Please complete the Facebook **Survey** on the Jindera Community Facebook page: <https://www.facebook.com/profile>. if this is something that may interest you.

We will be taking these results into consideration before progressing further. Also, please let us know on Facebook if you may be interested in helping out.

The **PlayGroup Survey** can be accessed on this link: [tps://l.facebook.com/l/PlayGroup Jindera SURVEYMONKEY.COM](https://l.facebook.com/l/PlayGroup Jindera SURVEYMONKEY.COM)

Judy Gray - 0418 617 385 for further information.

The 2024 year is rapidly coming to a close and was marked by the clubs presentation night on Friday the 15th November at the Albury Golf Club. It was quite the “Glitzy” affair as you would expect from a Royal Jindera function with close to 40 members and partners showing up in all their finery for the big occasion.

It was a great night, organised by club captain Craig McMillan and excellent venue, with results as follows :-

Ladies

Club Champion (Scratch)	Rawinia Smithenbecker
Handicap Winner	Heather Chaston
Putting Comp Winner	Heather Chaston
9-Hole Comp Champion	Sonia Staples
Medal Of Medals Winner	Judy Gehrig
9-Hole Medal of Medals	Heather Chaston
Most Improved	Marita Christensen
Passed members Memorial Trophy	Rawinia Smithenbecker

Mens

Club Champion (Scratch)	Simon Cossor (Back to Back)
Handicap Winner	Greg Allen
B- Grade scratch winner	Alex Christensen
B- Grade handicap winner	Peter Penny
C- Grade scratch winner	Jeff Donney
C- Grade handicap winner	Aaron Melbourne
Medal of Medals winner	Jeff Donney
Col Rainbow Match Play Champion	Craig McMillan
“Hole in One” Trophy	Craig Christensen
Chook Run King	Aaron Jennings

The MDGA pennant competition will conclude this Sunday with the grand final. Jindera unfortunately missed out this year, narrowly going down to Albury in the semi final last Sunday. The team however had a very good season, led by Ash Paech and had only lost one round prior to finals.

The course is looking a picture at the moment, with the recent rain freshening up the fairways and the tireless team of Nev Power and Bruce Hill flat out on the mowers. Other work around the course includes the spreading of sand around the greens – an on-going

process – irrigation of tees and green surrounds and poisoning of weeds. Also, the 6th,15th and 8th tees are doing very well with the recent refurbishment works and should be back in play soon.

For those paying green fees, all “Green Fees” – cash and digital - are now paid at the clubhouse, with the old green fees box having been removed and a new shelf and cash box installed along the wall adjacent the clubhouse door. Thanks to **Jordan Widdison Engineering** for undertaking that work.

DECEMBER EVENTS

Twilight Golf and Wine at Jindera Golf Club – The ladies golf committee are now running a **VERY social** “4 hole” comp on all **Wednesday evenings** in December from 6.30pm. Cost is \$10/ player and includes a complimentary drink on arrival. Everyone is welcome – regardless of age, gender or golfing ability. No handicap required, just turn up and have some fun. - Golf clubs and cart are available (*see page 42*).

The club will be holding a **XMAS PARTY** - Mens and Mixed “2 Ball Ambrose” event on **Sunday the 22nd December**. All players are welcome and should be a good fun day. Registrations can be made by contact Craig on 0418966207.

For those interested in playing in the Ladies competitions, it is run over two days – Sunday and Monday – and includes both an 18 and 9 hole competition, for those who only wish to play 9 holes. Please email admin@jinderaclub.com for any enquiries.

Members can now book and register for a comp by going to the website - <https://jindera.lgolf.com.au/welcome/index.mhtml> or visit the Jindera Golf club website – www.jinderaclub.com > **Events** and click on the link.

In the meantime, current comps are as follows: -

- **Sunday – Men’s 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00 (11.30/12.00 in Winter).
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00.
- **Friday – Chook Run – 9 Holes**, , Open to all, 4.15 to 5.05pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors. For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost **\$140.00** (inc. GST), Juniors **\$35.00** (inc. GST)

Twilight Golf & Wine at Jindera Golf Club

It's time to grab your friends, swing by Jindera Golf Club & enjoy a *laid-back* 4 hole golf session with wine in hand!

Starting WEDNESDAY 4th December
6.30pm

Then each WEDNESDAY in December
6.30pm

Beginner or pro – this event is for *everyone!*
No age limits, no membership, no clubs, and definitely no stress.
Just good vibes, great company, and a bit of fun!

- ✓ No experience? *Perfect!*
- ✓ No golf clubs? *We've got you covered.*
- ✓ Just want to meet new people and sip some wine?
Even better!

\$10 green fee and a drink on arrival
Choose from a glass of flat or sparkling wine, or soft
drink for underage, not feeling great, or just prefer it.
Everyone welcome!

Table Top Charity Walk - POSTPONED

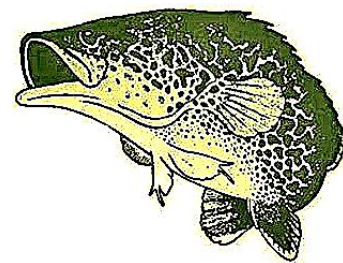

The original Charity Walk scheduled for November was moved to December and now with further predictions of adverse weather the walk has been postponed until next year. The Charity Walk event, organised by Rotary is now to be held on Sunday 6th April 2025. The walk up Table Top Mountain commemorated 200 years since explorers Hume and Hovel were here. All funds are going to the Albury Wodonga Cancer Centre.

A descendant of William Hovell, Karen Schmidt (*see photo*) was able to climb the mountain on a beautiful day at the end of November, just after the bad weather cancelled the event. The North Albury Rotary club are hoping the Charity Walk goes ahead and the cairn at the top of the mountain will be completed, hopefully on 6th April next year.

Photo at right shows Karen Schmidt, great great great great granddaughter of William Hovell and Rob Simmons, Rotary Club of Albury North.

JINDERA ANGLERS CLUB INC.

Ladies month for the comp of November, Naomi just scrapped in the win with a 54cm yellow belly to beat Kerrie with her 53cm. Kirsty also recorded a 47cm yellow belly.

Doughnut award this month goes to Mark Lynch
