## Battle of the Bands .. Rocks You!

Earlier this year **Holly and Mick** from **Jindera Pizza** had a vision. After 3 years running Jindera Pizza, they wanted to spread their wings and give something back to this wonderful community. And so, the quest to create and host a music event at the Jindera Village Green began! Fast forward to now and not only did they pull it off but what an amazing day it was!

Sunday the 6<sup>th</sup> of October saw the Village Green come alive with a full day of musical performances, amazing weather, delicious food and absolutely immaculate vibes all round!

**The Jindera Battle of the Bands was on!**

The day kicked off at 2pm however there were crowds arriving to pick a prime position from as early as 12pm. Keiran from Pimientos Paella and Mel from Greek Eats fired up the grills, the pizza was being baked and the bands were assembling. The team from Party Oz Entertainment had been hard at work since early in the morning ensuring the sound shell was looking the goods and the sound was at the perfect pitch for all to enjoy. An amazing effort by all through the morning meant the event was well and truly ready to go by 2pm!

Local rockers and all-round great guys **Mt Maze** took to the stage to show us how it's done, starting the day off beautifully. A huge **thank you** to Mt Maze for their enthusiasm and support for this first time event. Holly and Mick couldn't have hoped for a better start to an epic day!

The performers took to the stage from 2.45pm to showcase an amazing array of music across almost every genre you can think of. **Kit's** all original set of new wave rock showed us that a classic genre will never go out of style, their sound and professionalism was amazing to watch.

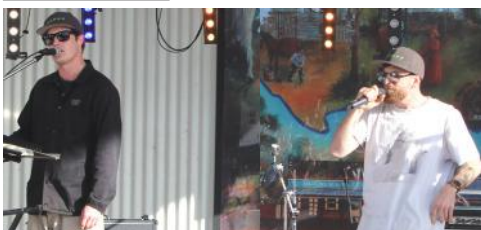

**Elsewhere Eyes** presented smooth vocals and a beautifully chilled out session as the weather really started to show it's spring colours.

**Jack Gregory** was up next and there was barely a dry eye in the house – at just 14 years old this young man showcased beautiful story telling through his original music.

**Winnie Em** then took to the stage with some amazing takes on classics and an original piece enjoyed by the whole crowd. In a bit of a change of pace **Oblivion** hit the stage next and blew us away with their heavy thrash metal which had even the youngest in the crowd learning how to head bang!

**Dahfu** were on next for their first ever live performance of their signature hip hop sound which had us all literally dancing in the streets!

Finally, **Filthy Rocks** absolutely rocked the green, their punk roots showcased through their original music and obvious love of a good time!

**What a day it was!**

We were blown away by the talent, enthusiasm and community spirit! Overall, there were over 380 people who came to share this incredible experience and many who attended for part or all of the day.

## Headlines and Happenings

By Lizzie Pogson. (Secretary, RCL).

### Postponed Members Meeting with Op Shop Staff Meeting

**Monday 18th November 2024**  
**9.30-11.30am.**

The Committee invites all Members to attend, where after a roundup of our Strategic Planning outcomes, Bjelkie Lansdown will facilitate the postponed, complimentary 2-hour session:

***“How to respond to challenging conversations and situations, and practice self-care”.***

Morning Tea will be served at the close of the Members Session, after which Op Shop Staff Volunteers will complete their scheduled Staff Meeting, being taken through updated Orientation information and each sign off on the Induction process.

### Committee Strategic Planning Day, 29<sup>th</sup> September 2024

Our Core Business supports, and overall expenditure were reviewed, ensuring alignment to our Constitutional 'Aims and Objects'.

Analysis of a Budget tabled by the Treasurer sees RCL in a sound financial position, but with increased expenditure, Core Business commitments will be prioritised, and responsible limits set for donations to community events and projects.

Succession planning was discussed around feasibility and capacity to hold multiple roles. Also raised, the concept of potential support from a professional, experienced in all aspects of social welfare, to support complex requests for assistance. (Grant funding opportunities to be investigated).

A productive review and edit of the proposed, updated Website content will allow the completion of the website after delayed development.

Recruitment of more Op Shop Volunteers is vital, with discussion including marketing and engaging more community members to become Rural Care Link volunteers.

For general **RCL** (Rural CareLink) **Enquiries** including Volunteering, Hardship, Personal Assistance and **Community Assist.**

## Carer Support Group

By Vickie Priscina. (Carer Group Co Ordinator, RCL).

The Rural Care Link Carer Group celebrated Carers Week with Lunch at The Astor Hotel (*see page 6*).

To show appreciation for their often-unseen role a Carers NSW Grant provided Lunch as well as a “Goody Bag” of treats. Thank you to Next Level Café for their donation as well.

*Vickie Priscina & RCL Carer Group member, Teone Mitchell at the Astor Hotel Lunch*

Remember you are a Carer if you are providing help and support to someone, providing assistance that is outside of what someone may require in a usual relationship. Many Carers don't use the word “Carer” to describe themselves and therefore are unaware of services and supports that are available to them.

Caring can have emotional, physical and financial impacts and may result in isolation and ill health. It is important to make contact with other Carers for valuable support. Please call Vickie Priscina Carer Co Ordinator on 0428406060 about the local group.

## Carers Support Group

We *usually* meet monthly on the **3rd Tuesday** of each month

Please call **Vickie - 0428 406060** for **venue** and **dates** of these meetings.

Peer support, respite & information sharing is the focus of the Carer Group.

# JINDERA RURAL FIRE BRIGADE

by "Poppa Pomegranate"

Our Bush fire Danger period has now started and will run until the 31<sup>st</sup> of March 2025 (it may be extended depending on the weather conditions and the level of bushfire threat). This means you will need to apply for a permit (now available on-line) and follow the conditions set out on the permit.

You can access detailed information on the NSW RFS website at <https://www.rfs.nsw.gov.au/>

**Fire Permits** are important to make sure that fire is used safely. When you have a permit, it tells you the rules for starting and keeping a fire, and it also informs firefighters when you are burning things on your property. In NSW, there are two fire-fighting agencies that deal with bush fires and emergencies in specific areas called Rural Fire Districts and Fire Districts.

These groups work together closely to respond to emergencies and support all communities, even if they are in different areas. Depending on where your property is located within these areas, you can get a Fire Permit for free. If your property is in a Rural Fire District, you can get a permit from the RFS (Rural Fire Service). To get a permit from RFS, complete the on-line application form with all the required information.

All permits have standard conditions that are listed on the permit form, such as:

- the permit is to be carried by the permit holder, or another person at all times at the site of the fire.
- the fire must be supervised at all times.
- notifications are given to the RFS, FRNSW if required, and adjoining neighbours at least 24 hours prior to the fire being lit and
- the permit may be varied, cancelled, or suspended, depending on weather conditions.

## BUSH FIRE DANGER PERIOD 1 November 24 to 31 March 25

However, a permit issuing Officer may add any conditions deemed as necessary. For more information showing on the **Bush Fire Danger Period** please use the following link: - [https://nswrfsprod.service-now.com/guardian\\_csp?id=guardian\\_index](https://nswrfsprod.service-now.com/guardian_csp?id=guardian_index)

To apply for a fire permit, complete the online application form with all the required information. If in doubt about whether you require a fire permit, or for help to apply for one, contact our local NSW RFS Fire Control Centre on 02 6051 1511 .

**Please remember you are still required to notify within 24 hours of lighting the fire.**

If you have not reviewed or prepared your bushfire survival plan please use the following link to ensure you are ready <https://www.rfs.nsw.gov.au/> click on the Live Bushfire Ready tile and complete your plan with your family and or everyone who lives in your house.

As the Season develops you may see us at the station a bit more over the coming months. The Brigade is always on the **lookout for new member's** drop-in and have a chat to us if you see us at the station. We have many roles that you can help us with if you do not want to get on a fire truck.

Our **Fire Danger Rating Signs** will be available soon, you need to be aware of what each part the wheel means and what you need to be prepared to do on a **Catastrophic, High, Moderate**, fire danger rating day, you still need to be aware of the potential for fires when we may not be displaying a rating for the day.

Thanks for your ongoing support of the Jindera Fire Brigade.

# We showed them we Care!

Approximately 80 Carers were celebrated during Carers Week in October by the Border Carer Reference Group in which Rural Care Link is active.

There are 958,500 carers nationally, often many go unrecognised and unrewarded for the demanding work that they do. This was a chance to let our local ones know how important they really are.

Sponsored by the **Commercial Club Albury**, carers from local areas, including Hume Shire Carers enjoyed a lovely day out. The day began with a presentation by **Anne Dobson** of Effective Behaviour Management. Anne shared her journey of facing the diagnosis of having a child who was deaf. Anne explained how this journey, once frightening, became a challenge then a joy to see her now adult son as a teacher. All carers enjoyed hearing of the positive stance that Anne and her husband took as carers.

A delicious lunch was provided for all, while carers met new people or caught up with old acquaintances. There were many local Service Providers to speak with those present about their role and how they may be able to assist them. The information, peer support and respite received was so valuable to everyone present. Raffles are always fun, there were over 40 draws. Hume Shire Carers won quite a few as well as a Lucky Door Prize. Thank you to Jindera Pizza, Jindera Post Office, The Fox and Brew, Jindera Pharmacy, IGA Jindera, Jindera Butchery, and the RCL Op Shop for donations.

# Glenellen Solar Farm

## Community Update

The Glenellen Solar Farm is located on Ortlip Road, 2km northeast of Jindera and is owned by Global Power Generation Australia (GPG Australia). The Project footprint occupies approximately 263ha of the 398ha site.

The solar farm is a large scale photovoltaic Agri-Solar project of 260 MWdc/200MWac, using approximately 380,000 single axis tracking solar panels, up to 5m high, and up to 60 power conversion units (including inverters and transformers).

The Glenellen Solar Farm will deliver renewable, energy to the national grid, enough to supply over 80,000 average Australian homes per annum and avoid over 385,000 tonnes of CO2.

Mobilisation to site began on 28<sup>th</sup> August. Since then, there have been a number of activities underway:

- The site compound has been established
- Civil contractors have begun work
- Works underway creating access tracks
- Internal fencing has started
- Initial component deliveries have begun
- Approximately 35 people on site - about 50% local

## Community Information Day

A Community Information Day was held in August 2024 at the Jindera Community Hub. This event aimed at informing and engaging the local community was attended by many people from the surrounding area. Attendees could ask questions, share feedback, and discuss any concerns they had. The event also featured displays, brochures, newsletters and company merchandise.

## Community Engagement & Benefit Sharing Plan

In the coming weeks we will be out in your community, meeting with local groups, schools and clubs to learn more about all of them and get some feedback. As part of our Community Engagement & Benefit Sharing Plan for the Glenellen Solar Farm, GPG will establish an annual Community Grant Program that is designed to distribute funds to eligible recipients. The grant program will be managed by a committee made up from local people and GPG representatives. We will be asking for nominations for the committee in coming weeks.

## Contact Us

If you have any questions or require more information about the Project, please contact our Community and Stakeholder Engagement Officer, **Philip Beattie**, by phone on **0488 515 275** or by email, [philipbeattie@globalpower-generation.com.au](mailto:philipbeattie@globalpower-generation.com.au) or [glenellensolarfarm@globalpowergeneration.com.au](mailto:glenellensolarfarm@globalpowergeneration.com.au).

## Jindera Battle of the Bands ... continued

Holly and Mick give a huge thank you to the panel of judges Sam Hill, Leigh Bartley and Jason Parker – they had an incredibly hard decision to make and it was not an easy one.

The performance by **Kit** ticked all the boxes in the end and they were proclaimed the winners of the first ever Jindera Battle of the Bands! Holly and Mick are so thankful to **Sodens Hotel** Albury for providing the major prize of a gig on stage so keep an eye out for their show when it comes around!

They would also like to thank the amazing contribution and support from Jindera's **Rural Care Link** (RCL) who helped them make sure the day was all it could be. RCL's dedication to the community is never unnoticed and we are so grateful for their support.

**SODENS**  
SINCE 1857

It was a huge day of laughs, hugs, friends, family, good food, amazing music and a celebration of our gorgeous Village Green. Holly and Mick have been overwhelmed with positive feedback about the entire event and they are indeed looking to hold the second Jindera Battle of the Bands again next year!

If you would like to know more or are interested in being involved in the next event, feel free to reach out to Holly and Mick via email to [rakulivingptyltd@gmail.com](mailto:rakulivingptyltd@gmail.com) Also, you can keep up to date with them on the Jindera Pizza Facebook site.

## House Gala Day

The second SMMC House Gala Day was recently held in week two of this term. After the success of the first Gala Day last year, it has now become the official fourth carnival of the SMMC calendar, raising it to the level of the Swimming, Cross-country, and Athletics carnivals.

The SMMC school spirit was on full display on the day as students competed in a wide variety of events. Netball and Ultimate Frisbee were two main features of the day, played by students from Year 3 up to Year 12. The Primary students also had the opportunity to compete in a variety of mini games including tug of war, dodgeball, mini-soccer and cornhole. All games were played with great sportsmanship and enthusiasm.

There were a number of highlights throughout the day, including the Secondary student's debate on the value of standardised testing, and after more than a week of qualifying matches the chess tournament came to its conclusion. It was a fantastic day had by all.

### Japan Study Tour

The SMMC school community would like to congratulate Year 10 student, Celine Chandrasegaran, who recently completed a ten-day Study Tour of Japan as one of 20 students from across NSW who won a Premier's ANZAC Memorial Scholarship.

# Jindera Pool News

Wow – the pool opened with a splash this weekend!

**Season Tickets** - Council has announced an upgraded process for purchasing your season ticket online. There is a form on their website - once completed, you can collect your tickets from your chosen Council Office or organise to collect them at the pool. <https://Form/>

**Morning lap swimming** has been extended and will be available from 6:00 – 7:30am, Tuesday to Fridays, from December to February.

**Wipeout Wally** dates are not yet available – please keep an eye on our Facebook page.

**Aqua** information will also be posted on Facebook as it becomes available.

**The Canteen** will be operated by the Pool Committee and a team of volunteers. If you'd like a little something different to do for a couple of hours a week - consider helping us! It's easy, it's fun and a great way to meet other locals.

Contact Jenny O'Neill 0438 263 417 for further information.

**Swimming Lessons** will again be offered in January by **SwimVac** - Royal Life Saving.

These courses are extremely popular and fill up fast. Bookings are being taken now on their website. <https://www.swimvac>

**Committee News** – at our first meeting for the season we discussed some of the suggestions put forward regarding the funds raised last summer. We are proud to announce we have already donated \$5,000 towards shade sails for the new playground.

*Here's Cheers to a swimmingly superb summer at the pool!*

## Jindera Wetlands

- The Jindera Wetlands group are after more *volunteers* to help maintain this community area behind the football oval. Contact **Henry 0413 204 262** if you would like to be involved.

## Pedestrian Crossing

- At the recent community meeting (*see page 19*) there was a large number of people who would like to see a pedestrian crossing in the main block. Although this is not possible Council will investigate installing a pedestrian blister in the middle section to help with safety issues.

## Booking of Jindera Facilities

- A suggestion was made at the community meeting to develop a website with details of how to book all Jindera facilities. All council facilities like the Hub meeting room, Swimming Pool, Recreation Reserve and the Village Green go through the Council by contacting the Customer Service person at the Hub. Other facilities need to go through the individual organisations. Contact details are generally on web sites.

## Dog Park

- Responses to the Dog Park showed that people were in favour of the facility but in a different location to the Rec. Reserve. Further discussion may have to take place.

## Solar Lights

- To reiterate what I wrote last month about the pilot project with the Pioneer Dr solar lights, any comments may be lodged at the Hub or on the Greater Hume website.

## Pool Upgrades

- Remedial works carried out at the pool should have fixed the leakage issues.
- The solar heating is working.

## Playground Works

- Work on the playground parking area, footpath and new fencing will be in the near future.
- Poles for the first three sections of the shade sails at the adventure playground have been erected. The concrete requires two weeks to cure before the sails are added. The fourth section is anticipated to be not too far off being added.

A huge *thank you* to the **Jindera Swimming Pool Committee** for their donation of \$5,000 and **Lieschke's Transport** \$400 towards the cost of the playground shade sails.

***Friendship in Action***

This week our children were delighted to see the prize ribbons on our chickens from the Walbundrie show! To celebrate our win and to spend our prize money, we all enjoyed an icy-pole with the chickens outside in the sunshine.

If you haven't seen them, our beautiful chickens are on display in the preschool foyer.

A special mention must be made to Harriet and Josie for winning first prize and highly commended for their wattle paintings.

Congratulations to all the entries! It was a terrific day at the show and so wonderful to see all the artworks that our clever and imaginative children had created.

*Spring is in the air  
at preschool!*

We would like to thank Beck and the team at Officeworks Albury for kindly taking our mountain of old archiving for shredding.

The past few weeks have seen a huge clean out of our storeroom of old boxes and documents that we are no longer required to keep.

Officeworks took 11 boxes and a full locked bin and shredded it for us free of charge.

A very kind service to our preschool community!

The **Peregrin Falcons** have been a hot topic in our preschool for many weeks now.

We have been learning all about their lives and tuning in to the Charles Sturt University live stream on YouTube. The live stream comes from a camera in their nest, so we get an insight into their day-to-day activities.

We were so excited to see the female lay an egg in the Orange nest a few weeks back and then to see that the chick hatched!

The chick is very small and white and fluffy.

We have created artworks of the falcons and are counting down the days for the Melbourne chick to hatch. It has been a very educational experience, and we thank Cheryl for leading the children on this feathery journey!

You can watch the live stream at this link

• PIONEER MUSEUM •

The year is fast rolling away. The last of our events for the year will be held over the next two months with our **Blacksmith Dinner** scheduled for **Saturday 9th November**. This is the first time we will have had an

event in the Blacksmith precinct and, although it brings with it some challenges for service, we think the evening will be unique given the venue and stories associated with the location. An interesting menu using various indigenous flavours will enhance this event. There are only a few tickets remaining so, if interested, head to Trybooking for details and to reserve your space.

Our very popular **Christmas Wreath making** workshops will be held again this year on **Sunday 15th December**. There will be three sessions, 9.30am; 11am and 1.30pm. Bookings can again be made at Trybooking. Alison does a great job with these workshops, encouraging participants and using her artistic talents to help create beautiful masterpieces to adorn your door or Christmas table. I still have mine up from last year, still looking splendid and inviting. These workshops sell-out quickly, so book early so you are not disappointed.

The museum has been host to various groups over this past month for lunch and morning teas and November is again busy with visits from several schools and community groups before the busyness of December takes over.

The **Tea Room** continues to attract a wide range of visitors each Sunday with its wonderful array of home cooked goodies, savoury and sweet, as well as **Judy's famous scones**. The Tea Room is blessed to have Sandra and Judy head up each Sunday to run the Tea Room and bake each week, along with a great group of regular supplementary bakers producing interesting and old-time favourites.

Work continues at the museum on maintenance and general refurbishment and development of new areas and exhibitions. We hope to have the new shed up before Christmas after some delays. We continue to work towards our new building project and a planning meeting was held this last week of October to look to the next few years at the museum.

We continue to **need more volunteers**, particularly for door duty to keep the museum open each day. If you have a spare morning or afternoon, even just once a month, we would love to hear from you.

October has been a terribly sad month as we had to farewell our lovely **Pam Mason**, who passed away very quickly, leaving us all in shock. Pam was such a wonderful supporter of the museum, taking every opportunity to snoop its virtues and delights. Pam enjoyed the wonderful atmosphere the museum offers as well as the delights the Tea Room produces each week.

Many of our members, and me personally, will miss seeing her pottering up the street in her white car and knowing she was always there for a chat and a hug. Pam was a truly delightful person, knowledgeable and genuinely interested in people and their circumstances. She was a great conversationalist and friend, and we will miss her greatly at the museum.

Our sincere sympathy to Colleen and Brian, John and Vivian. We are greatly honoured to be the location for the **Celebration of her Life** which will be held on **Thursday 7th November** from 12 noon. The Tea Room will provide refreshments and we intend to give our lovely member a fine farewell. *Vale dear Pam.*

# JINDERA COMMUNITY FORUM

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on  
**TUESDAY, 19 NOVEMBER, 2024**  
**7:30pm**

Items for the agenda are welcome by emailing below.

*Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.*

## WHAT DOES THE FORUM DO?

The Forum holds community meetings which are open to residents of Jindera to attend and discuss what is happening in Jindera, as well as consider the future of Jindera. Meetings are generally held bi-monthly on the third Tuesday in February, April, June, August and October.

Below are items the Forum was able to put forward to **Greater Hume Council** on **23 October, 2024** on issues facing our Jindera community, facilitate direct discussion with Councillors who are in attendance at regular meetings, in addition to holding special meetings relating to specific issues.

*Term 4 has begun and already we have been busy, busy, busy!*

Our Year 2 students had a great day out visiting local businesses and community services in Jindera and presented them with a letter of thanks, a certificate of appreciation and a small gift.

Year 6 spent the day with Boys from the Bush.

Term 4 looks to be another term filled with learning, exploring and fun here at St John's.

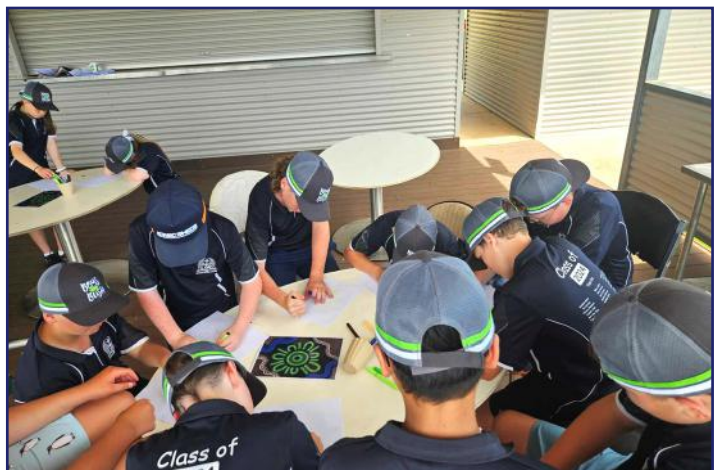

Thanks!

### Year 6 – Boys to the Bush

Our Year 6 classes attended “The BTTB Community Engagement Day” with other local schools within the area. This day is an annual event for our Year 6 classes who attend each year and as always it was a positive experience for all through the values of Boys to the Bush - Engagement, Respect, Community. The day focused on engaging in learning stations, sports participation, mental health and fostering friendships outside the classroom setting. What a fantastic day!

# Jindera CWA News

November 2024

Result of our Annual General Meeting held on 2nd October, President – Christine McIntyre, Secretary – Amy Kelly, Treasurer – Denice Murphy.

Five Jindera Members attended Murray Group Annual General Meeting held at Holbrook on 17th October, 2024. One member from Jindera, Margaret McMaster was voted in as Group Cultural Officer. NSW CWA President Joy Beams opened the meeting and spoke on issues, improving healthcare, addressing homelessness and domestic violence. These will remain key areas of advocacy for the Country Women's Association.

**Jindera CWA was awarded the MOST ACTIVE BRANCH TROPHY at the Conference.**

**OUR COUNTRY OF STUDY FOR 2025 – SOUTH KOREA.**

**AGRICULTURAL AND ENVIRONMENTAL STUDIES FOR 2025 are: -**

**FAUNA – FROGS** - There are 83 frog species listed as occurring in NSW and the ACT, with 16 of them listed as threatened.

**FLORA – SALT BUSH**

- This is a highly versatile Australian native blue-green shrub that is tough and attractive, and will grow almost anywhere, and can be used as livestock feed- there are 52 species in Australia.

**FOE – COMMON MYNA BIRD** – This non-native bird is a serious pest across NSW and the ACT. It threatens native biodiversity, kills young of threatened native bird species.

**PRIMARY PRODUCT – AUSTRALIAN GROWN CUT FLOWERS** – Be encouraged when buying cut flowers to buy only flowers that are grown in Australia and support Australian farmers.

Our next meeting will be 4th December, our Christmas breakup.

*Visitors are most welcome to attend our meetings.*

## Stage Two Excursion to Bonegilla Migrant Centre

Stage Two students enjoyed a memorable excursion to the Bonegilla Migrant Experience, where they learned about Australia’s migration history. The visit allowed them to discover the stories of migrants who once lived there, exploring the challenges and successes they faced in their new home. Through guided tours and interactive displays, students engaged in discussions about diversity and cultural heritage. This experience deepened their understanding of Australia’s past and helped them appreciate the journeys of others.

## Quality teaching of the new curriculum

We emphasise student engagement and relevance in learning. Our dedicated teachers foster an interactive environment by employing diverse resources and methods that cater to different learning styles. This includes group projects, fitness activities, technology, and hands-on experiences that encourage students to explore and connect ideas. Students build essential skills like creativity, resilience, and teamwork, ensuring they are well-equipped for the future. We are so proud of all our learners and each step they take on their learning journey.

### GROWING VEGETABLES

Now that it is slowly warming up and the soil is starting to dry up very quickly; you might find some of your vegetables starting to go to seed.

Thyme is in flower so the Bees are loving it. Garlic is going to seed and then they will display an attract flower.

Spinach is also starting to seed. I often give my chookies some Spinach leaves.

Lettuce: some varieties are going to seed but if they have a little bit of shade they may last longer.

Always let one variety of vegetables stay in seed then you can gather the seeds for the following year and they will be a stronger plant with a better flavour.

## St John's School Concert

We were so lucky to have such a great spot at the front to be able to see the show up close. To be able to see your siblings perform (which you have no doubt seen the at-home practice sessions for weeks!) had our class cheering and waving.

Being part of this fosters a connection to our community - not only St Johns - but the wider community of grandparents that came to the show and to the visiting schools that joined us as well. It's also good to be able to model from the older children's performance - that they were nervous, and you can tell but they were brave and tried. That mistakes were made, and they carried on. What a lesson in resilience it was!

## The Art of Weaving

Some Little Saints Friends provided the service with some grape vines. After some reflection as to how we will utilise this material, the idea came from a birds nest coming into our service and the children exploring how it was made. It started this with a few children. Over the morning children came and went from this space. Contributing to the weave in small parts or long stints. Refining the skill of extend the vine - in - pull - extend - out. The discussion at this space and sharing of knowledge was beautiful. Children taught children. Children were supported by educators if required. This has to be one of our favourite teaching times of 2024. We explored the art of weaving after this and these words rung true for me from a weaving artist "Rooted in ancient traditions, weaving offers not just a creative outlet but also a meditative practice, a balm for the soul in today's fast-paced world". The opportunity to sit in the shade with a small group of children and take time to simply 'be' is often overlooked in its value in preschool. We are in rush often, to finish this task so we can start the next. So, alongside the children teaching children, perhaps in this instance the children also taught me. Slow down and delight in the 'balms for my soul' in places where they find us.

## Kandinsky the Chook

Did you noticed we worked on our entry to the Walbundrie Show? What an exciting opportunity for Little Saints to show their emerging art skills for our community to see. Last year our Picasso inspired pig, Pablo, won first prize, so the stakes are high this year to back it up! The theme this year set by the show society was "The Olympics". The children had shown a lot of interest in the Olympics when it was on as we explored the medal tally and learnt about the various sports. With that in mind we considered that the artist Kandinsky and how his circles were a little like medals and the colours we could use were the same as the Olympic rings. We also used the opportunity to look at how the logo of the Paralympics was slightly different to the Olympics. We hope if you attended the show, you saw him on display.

# Greater Hume Council - Election Results

Greater Hume's new Council has now been officially declared after the finalisation of the postal votes and the distribution of preferences. Greater Hume are happy to welcome back many returning Councillors, and excited to see some newcomers join the table for the next four years. The results of the Greater Hume Council elections are;

## North Ward

- Ben Hooper
- Brian Liston
- Annette Schilg

## West Ward

- Matthew Hicks
- Ashley Lindner
- Jenny O'Neill

## East Ward

- Kerry Morton
- Lea Parker
- Tony Quinn

The outcome **Constitutional Referendum** is that the Ward system is to remain within Greater Hume Council.

Greater Hume Council would like to thank all candidates who nominated to become a Councillor. Council would also like to thank outgoing Councillors, Ian Forrest, Doug Meyer, OAM and Heather Wilton for their incredible work and community effort over the last Council period.

Congratulations to Greater Hume Council's newly elected Mayor, Cr Lea Parker and Deputy Mayor, Cr Ben Hooper.

## PROBUS Monthly News - by Helen Squires

**Introduction** - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP - FELLOWSHIP - FUN.

**The Henty Probus Club** meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. *Anyone from Jindera would be very welcome to attend our meetings.*

For more information - [www.probusouthpacific.org](http://www.probusouthpacific.org) or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

**The Henty/Culcairn Probus Club** met at Henty on **Wednesday 9th October 2024.**

We welcomed new member Rod Taylor and he became our first five minute speaker for the day. Rod told us of the danger of a red haired person getting skin cancers and their removal. Rod had been an apprentice motor mechanic, with lots of beaches and surfing, then on to boat building and then to Telecom. Next he went to Tasmania doing labour hire work and to study Batchelor of Fine Arts majoring in sculpture, with postgraduate in teaching with visual arts and cross trainer in industrial arts of wood work and metal work. Rod was a teacher at Culcairn and Albury before retiring and travelling as he now chooses.

Our second five minute speaker was Daphne Hannam, who told of her adventures in Vietnam, with lots of walking in lots of heat and humidity and much bravery to cross roads. Hotels were air conditioned at night.

The group of 20 tourists went to Cu Chi Tunnels where 10,000 people lived during the American War (10 years from 1965). Then on to factories where workers affected by the results of agent orange became visible with generational loss of limbs and other abnormalities.

The workers made beautiful pictures from silk and using egg shells and sea shells. Everyone worked. Daphne told of being taken by small punts to see hundreds of monkeys living among cliffs. Did sound like a very happy time.

After morning tea, Libby Draper Smith introduced us to Faith Rogers on 'Being your Best Person'. Faith spoke on smiling, finding what makes us happy, walking, finding a hobby, feeding ourselves well, making plans for the future, and volunteering in the community, all to help our own mental health. Daphne presented Faith with our token of thanks, the Probus pen.

Kevin has raised the possibility of coffee mornings at various towns and Yvonne has on going people from the media wanting to know about the Beanie Festival -- Will we do it again??

We next meet at **Culcairn Bowls Club, Wednesday November 13th** at 9.30 for a **10.00.am** start. We are hoping to have antique pieces brought by members for our guest to choose pieces for discussion.

*We love to share our day with guests, hope you will come too.*

Spring has sprung and with that comes the busy time of year for the volunteer ground staff working to keep our course looking and playing as well as it can possibly be.

This month has seen the mowers running flat out, spraying of the fairways and greens surrounds for "Broadleaf" weeds, fertilising around the greens and tees, upgrading of sprinkler systems and "top dressing" of the tees with sand.

Other "Project" works includes some widening and realignment of the 6th and 15th tees. Many thanks to "Hutchison Civil" who kindly donated several truckloads of dirt and labour to spread and level the tees ready for turf. It was a first class job.

Work on the tees has continued, with a major working bee some weeks later to add fertiliser and sandy loam to the tees, installation of new sprinklers and then just recently new turf, supplied and laid by Angus McEachern "Border Turf and Garden Solutions" was installed on the 6th, 15th and 8th tees.

Other work undertaken was an upgrade to the clubs security system, with new security cameras supplied and installed by club member Greg Allen - "Allens Security".

On the golf front, tee times for the Friday night Chook run and Sunday competitions have now changed to Summer Time, with Chook Run at 4.15 to 5.00pm and Sunday 8.30 for 9.00am.

The Friday night "Chook Runs" continue to be very popular, particularly with the later tee times and provides a great way to finish the working week. All players are welcome to play, with or without handicap.

The final competition event of the season was the final of the club "Matchplay", with club captain Craig McMillan edging out Greg Allen to take the title on the last hole.

The district MDGA pennant season is currently underway, with Jindera having one team competing, being Ash Paech (capt), Simon Cossor, Brenten Polkinghorn, Jeff Donney, Rhett Prescott and Alex Christensen.

The Jindera boys are doing well so far, having won the first two rounds to be currently on top of the "Pool B" table.

The Wednesday Morning "Vets" competition is currently in the middle of their club championships, which is best 3 of 4 rounds.

The ladies club championships were completed last week, with Rawinia Smithenbecker adding another trophy to her (must be full) trophy cabinet winning the ladies "scratch" championship and Heather Chaston taking out the handicap championship.

For those interested in playing in the Ladies competitions, it is run over two days - Sunday and Monday - and includes both an 18 and 9 hole competition, for those who only wish to play 9 holes.

Please email [admin@jinderaclub.com](mailto:admin@jinderaclub.com) for any enquiries.

Members can now book and register for a comp by going to the website - <https://jindera.lgolf.com.au/welcome/index.mhtml> or visit the Jindera Golf club website - [www.jinderaclub.com](http://www.jinderaclub.com) > Events and click on the link.

In the meantime, current comps are as follows: -

Looking back towards the 15th tee - New turf on the 6th being laid out, this will give a straighter line down the 6th/15th fairway providing improved clearance from gum trees on the left which have grown substantially over the years. (However you still have to hit the ball straight ...unfortunately)

# Jindera Football and Netball Clubs

The 2024 season has come to an end and the Jindera Football and Netball Clubs have enjoyed a fantastic season.

Congratulations to both the committees led by Lyndon Kerr and Jess Guy for their phenomenal efforts throughout the year.

A special congratulations to our A Grade, B Grade and 13's netball for winning premierships.

A further congratulations to 17's football and 11's, C Reserve and C Grade netball for making the grand final.

It is no easy feat, and seven teams on the final day of the season is a wonderful effort and an incredible representation of our club.

Congratulations to the following award winners from Junior and Senior Presentation:

**Football Junior Club Person - Jonathon Kalina**  
**Netball Junior Club Person - Trent and Alex Castles**  
**Football Senior Club Person - Brett Wright**  
**Netball Senior Club Person - Aimee Riley**

# JINDERA ANGLERS CLUB INC.

Our October fishing competition was a great success with 12 fish measured. Congratulations to Shammie who cleaned up the vouchers by Elks Hunting and Fishing with 8 yellow belly over two days and the biggest being 55cm. Kevin Brown also recorded a 97cm cod caught out of comp at Blowering Dam.

Raffle tickets are now available to purchase.

- 1st prize \$500 IGA Voucher
- 2nd prize \$50 voucher from the Jindera Butchery
- 3rd \$50 voucher from the Jindera Bakery

If members are able to sell a book of tickets it would be appreciated. Thank you to those members who have sold the tickets outside the IGA on a Saturday morning. Also a special thank you to Conway Printing for the tickets! Raffle drawn 22nd of December at the clubhouse.

**Christmas Carols** are upon us again on the **13th of December** at the **Jindera Village Green**, we will require members to help cater for this event, if your interested please get in touch with Kerrie Lynch.

Our **November comp** is on **Friday 15th November** at 5pm with weigh in Sunday 17th at 5pm.
