## Our local **OP SHOP VOLUNTEERS** *WIN* a well deserved **AWARD**

What an amazing Australia Day with Rural Care Link **OP SHOP Volunteers** winning the Australia Day Award for **Volunteers/Group of the Year** – in conjunction with Holbrook Meals on Wheels.

This award was contested by a number of other very worthy local volunteers so the Jindera OP SHOP Volunteers are very proud of this achievement. The **Op Shop has been part of the Jindera Village for 29 years** providing funding for Rural Care Link to support people in need and provide financial support towards community projects.

While at first glance it may seem that the volunteer workers just sell pre-loved clothing, bric-a-brac and household items to the many shoppers who come into the Op Shop however there is much more these enthusiastic locals do. They provide a clean and welcoming shop for people to browse while detailed shop displays ensure that the shopper is able to view items for sale in a relaxed and inviting manner.

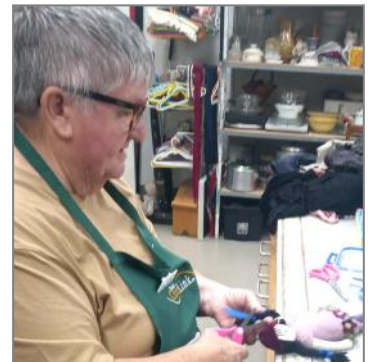

This hard working group provide a social forum to the community as well as a safe place for people to come and have a chat and feel supported and cared for. They are exceptional at engaging with people, reducing social isolation and loneliness in the community.

The volunteers will tell you that they *'love'* coming to **work** as it provides an out from day-to-day life and gives them a sense of purpose while at the same time, helping their local community. The Op Shop is the face of Rural Care Link and often the first place that people in need will approach for assistance.

Another large part of their work is the proactive approach to a **reusing/recycling** philosophy to reduce the impact of landfill.

These hard workers sort through and inspect thoroughly every item that is donated as only clean items in good condition are sold in the Op Shop. The volunteers

- ★ recycle items unsuitable for sale
- ★ make up bags of rags for sale

- ★ cut off buttons for resale
- ★ collect cotton textiles for the 'Red Bantam' Workshop Rags collection
- ★ collect clothes and textiles for the Southern Cross Recycling Group. These items are then sent to Pacific

and also world-wide communities that urgently need them. This also helps to reduce the local and Australia's domestic landfill.

## Headlines and Happenings

By Lizzie Pogson. (Secretary, RCL).

**New Members** - we have welcomed some new members in the past month, but we would love to add to this list.

### Community Assist meeting Monday 3 March at 2pm

Keep your eyes peeled for sandwich boards and posters in the Op Shop, Post Office, Community Board, Facebook, Church and School Noticeboards - we invite you to attend a meeting to discuss the Community Assist Volunteer Group, where you can become part of a growing group of Good Samaritans who have offered their help, if and when it's required to lend a hand for those in our community who might need a little support along the way. Please come and hear how it works (see page 17).

### Centrelink- Monday March 10th from 10-11am

The staff from Services Australia in Albury will again be visiting The Hub. Please come and get the benefit of their knowledge and advice on matters relating to your Centrelink accessibility. We hope some more visible signage will remind people of their presence on this day (see page 3). All are welcome to pop in and have a chat.

### Hume Bank – Increase in Scams!

The Hume Bank has highlighted the increase in scams, that can so easily take advantage of the unwary. The Committee is liaising with bank staff to organise a Jindera community session with the Hume Bank. *Watch this space!*

### Donation of \$500 to Walla Walla Men's Shed.

When asked for a donation to purchase electrical items for their meeting room, RCL were very happy to offer a \$500 donation towards their purchase of items such as kettle, toaster or microwave. It is wonderful that Jindera residents may be a member of the Walla Walla Men's shed, and RCL see it as a worthwhile venture to support.

### Jindera Playgroup Update

A letter will go out to the Playgroup organiser Josie who will further liaise with Greater Hume Council regarding questions about the venue, baby change tables, etc. RCL can support the Playgroup with specific requests and as with many other local initiatives, can offer our RCL bank account for Jindera Playgroup to use, until they set up a committee, etc.

### Carer Support Group

By Vickie Priscina. (Carer Group Co Ordinator, RCL).

The Rural Care Link (RCL) Carer Group met for the first time this year at the lovely Fox and Brew Café. Thank you, Karen, from our RCL Office for joining us.

It was wonderful for people to be able to catch up with their good news and be happy for one another. Of course, there are some difficult issues daily in the caring role and each person was quick to offer ongoing peer support.

Suggestions for this year’s meetings were that we consider having a “Paint and Sip” session, that will be fun I’m sure. Another idea is that we have the “In the Groove” African drumming again, a Guest Speaker who will talk about making time for yourself as a Carer “Time for Me”, and a speaker from Centrelink.

Next Month we will be meeting at the **Village Green** for a **Barbeque**, this is always popular.

We have welcomed three new Carers, and we look forward to enjoying a chance to all catch up outdoors before we lose the sunny weather.

If you are a Carer or know someone in our community who is please let them know of our Carer Group.

Not everyone recognises themselves as a Carer but if you are looking after a Partner, Relative or Friend who has a Disability, Illness, Mental Illness or who is aged please contact us so that you can be offered support by people in a similar situation.

For any questions, please call The Carer Group Co Ordinator **Vickie Priscina** on **0428 406060**

### **Carers Support Group**

We *usually* meet monthly on the **3rd Tuesday** of each month

Please call **Vickie - 0428 406060**

for **venue** and **dates** of these meetings.

Peer support, respite & information sharing is the focus of the Carer Group.

### OP SHOP News

By Jason McKenzie (Op Shop Coordinator, RCL)

We very much look forward to celebrating the incredible **Award Winning Volunteer Staff**, who were co-winners of the Australia Day Volunteer Group of the Year (*see front page*).

On Monday 3<sup>rd</sup> March, a staff meeting will be held followed by a *special* Morning Tea where each Volunteer will be formally acknowledged.

We stress the message from Staff and Coordinator, Jason McKenzie, to please keep your **DONATIONS** coming, but only bring clean and unbroken items (*see page 9*). It costs RCL money to take unsaleable items to the tip - money that we need to be spending on our Community Supports.

*Thank you for supporting us all at your local Op Shop.*

# JINDERA BUSH FIRE BRIGADE

by "Poppa Pomegranate"

Our Captain, Graham Yensch, wants to thank everyone who has helped the brigade by making sure your properties are well prepared for the remainder of our Bush Fire Danger Period. We need to remind everyone that you still need a permit to burn until the end of the danger period. Please remember that landowners still need to notify their neighbours, and the NSW RFS 24 hours prior to burning off. You can do this online using the following link:

<https://www.rfs.nsw.gov.au/fire-information/BFDP/burn-notifications>

or point your smart phone camera at this QR Code to link you to the NSW RFS notification site

**PLEASE USE  
QR CODE  
TO NOTIFY US  
WHEN BURNING**

Our Bushfire Danger period is in place until the 31<sup>st</sup> of March please keep an eye on the display board at the station to see the fire danger rating for the day.

We are aware that there have been a few small fires in the Village and surrounds recently. Getting a permit, notifying your neighbours and the NSW RFS that you are burning will be an immense help to us to prevent unnecessary call outs. If the NSW RFS knows about a fire before you light it, they do not always have to call us out, and you will not have a number of fire trucks arrive at your house.

Local Brigades have been busy with several fires started by dry lighting strikes around the region. We ask that you continue to be vigilant and keep an eye on your property. Fires may not be visible for a day or two after the thunderstorms have passed. The Jindera brigade has been assisting other brigades and areas with these types of fires following thunderstorm activity in the area.

The Jindera Brigade has several members qualified as Chainsaw operators to manage problem trees that are often on fire. These burning trees can burn for weeks, and if the weather conditions worsen, with stronger winds, embers can spread easily, potentially starting new fires.

During the fire season the brigade undertakes a lot of maintenance on the fire trucks and training for crews; until the end of the danger period, we are at the station every second Saturday morning and you will see our trucks out on drives around the areas as well.

The Brigade is always on the look out for new members; if you are interested, drop-in and have a chat to us if you see us at the station. We have many roles that you can help us with if you do not want to get on a fire truck. Thanks for your ongoing support of the Brigade.

# Greater Hume's Australia Day WINNERS

AUSTRALIA DAY  
IN GREATER HUME

Australia Day celebrations were held at the Henty Recreation Grounds on Sunday 26th January. It was a fabulous ceremony, with over 350 people attending. Our Master of Ceremonies, Cr Brian Liston ran the official ceremony, announcing the local nominees and winners for our award categories.

The Award Nominations included two from **Jindera**, the **RCL Op Shop Volunteers** and **Dr. Glen Mobila**.

The Australia Day Ambassador, Mr James Pittar along with Cr Lea Parker, Mayor, gave a wonderful addresses and the Australian flag was unfurled by Henty community representative , Harlan Candy.

The Henty Singers led Advance Australia Fair and provided entertainment throughout the ceremony and the Riverreens entertained everyone after the ceremony.

Two residents of Greater Hume, Alison Crilly from Culcairn and Alana Rickard from Little Billabong became Australian citizens following an official Australian Citizenship Ceremony.

Congratulations to all the award nominees and winners who were recognised for their hard work on behalf of the Greater Hume community, and **the winners were:**

- Citizen of the Year – Alison Schuster, Henty.
- Youth Empowerment Award – Lucy Grills, Holbrook
- Individual Volunteers of the Year – joint winners, Kerry Small, Henty, Colin Barrett, Henty and Andrew Kotzur, Walla Walla
- **Group Volunteers of the Year** – joint winners, Holbrook Meals on Wheels and **Rural Care Link Op Shop Volunteers, Jindera**
- Sports Person/Team of the Year – Ashley-James Bender, Holbrook
- Sports Volunteer/s of the Year – joint winners, John Mullavey, Walla Walla and Debbie Mills, Holbrook
- Community Event of the Year – joint winners Brock -Burrum Big Freeze and Walla Walla Lutheran Church Centenary.

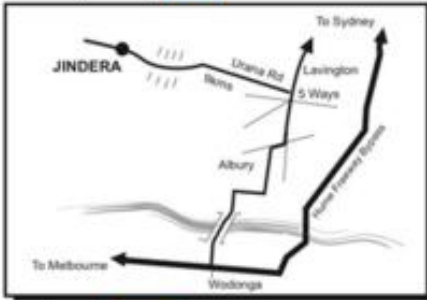

Jindera was represented in the **School Citizenship Awards** by Isaac Thompson from **Jindera Public School**.

# JINDERA BLOKES WALK

On **Saturday 22<sup>nd</sup> March**, Albury/Wodonga will be one of 19 locations (3 internationally & 16 nationally) walking 25km in unison to raise awareness and funds to tackle **Men's Mental Health and Suicide prevention**.

I, Ant Maw, was asked to be the Albury/Wodonga Ambassador for the charity **Spoke to a Bloke** to lead the event **'Walk for a Bloke'**, with the opportunity provided due to the work we are doing on a local level with both the **Jindera (JBW)** and more recently the **Thurgoona Bloses Walk (TBW)**.

With the JBW (4 years) and TBW (15mths) proving extremely effective in building a **'village'** of support and connection for men of all ages and backgrounds we know very well the benefits of men connecting in a safe and mutually minded space and the impact of getting men talking.

**Anyone interested in joining us for a walk are welcome, we meet every Sunday morning at the Jindera Football Club carpark at 8am.**

The event on the 22<sup>nd</sup> March, will start from **Ernest Grant Park** in **Thurgoona** at **7am**, winding its way through Albury, into Wodonga and then finishing with a celebration of music, guest speakers and a monster raffle at **The Thirsty Devil** brewery.

Registrations for the walk can be made via the website: [Walk For A Bloke](#)

**DONATIONS** can be made directly to the Jindera/Thurgoona Bloses Walk team via the following: [Spoke to a Bloke - Bloses Walk \(Jindera & Thurgoona\)](#)

# Our OP SHOP Volunteers **WIN** AWARD

Another regular job is the collection of thongs, sneakers and runners unsuitable for sale which are delivered for recycling to the Athletes Foot in Albury for the 'Fit for Purpose' program that recycle these shoes into rubber mats, flooring and playgrounds. They also embrace modern technology with very popular and profitable face book sales as well as having a modern warehouse storage system to assist in rotating seasonal clothing and items.

The Op Shop have also been able to financially assist the Annual Schools' Grants to provide support to students in need as well as Family Pool Season Passes when required. They helped supply the Burrumbuttock Public School Defibrillator and supported the Jindera Community Garden and the Jindera Community Carols.

All the volunteers say that being able to choose days and hours to work and having the ability to connect and make new friendships with fellow workers and customers alike is the best part of this job.

The Op Shop staff are very proud of the amount of money their volunteer work helps to raise which provides the resources to pay for the ongoing upkeep of the Op Shop

A **huge congratulations and thank you** to all the Op Shop volunteers, sponsors, and everyone who continually help to make our Jindera Op Shop the incredible success that it is - **we couldn't do it without you!**

## Tree Removal at Adventure Playground

Works at the Jindera Adventure Playground will not be completed by Easter due to concerns about the removal of trees there and near the swimming pool.

At the last council meeting (Wednesday 19th) a motion was passed to revise the car parks plans to accommodate the healthy trees as determined by a qualified arborist.

New plans will have to be undertaken as this decision involves the foot-path between Ann Drive and Dight Steet the new fencing, the dump point and tree planting.

## Shade sails at Adventure Playground

I am happy to announce that the last section of the shade sails at the Adventure Playground will be constructed following the transfer of \$25000 which had been set aside for a share in the cost of a feasibility study for the shared Jindera- Lavington path. Unfortunately, the joint investigation by both councils failed a couple of years ago because Albury were no longer interested and now it can be used to finish off this important project.

## Riding/walking paths

It is hoped that people interested in more shared riding-walking paths be established connecting areas in and around Jindera have noted that when they filled out the recent survey.

## Community Engagement survey

Thank you to everyone who completed the Community Engagement survey over the past two weeks. Your involvement will help inform the council's planning for the next ten years with a four yearly review.

## Welcome Back!

We are delighted to welcome our children and families back to **Little Saints Preschool** as we begin another exciting year of learning and growth! It has been a joy getting to know our new and returning children, as well as their families, and we look forward to building strong connections throughout the year.

We are also excited to welcome **our new teacher, Laura Edstrom**, to the Little Saints team. Laura brings a wealth of experience and knowledge, supporting our practices and striving for the best outcomes for our children. We look forward to seeing the wonderful contributions she will bring to our service.

Our programs are designed to foster curiosity, creativity, and a love of learning in a warm and nurturing environment. We appreciate the trust our families place in us and are committed to providing a safe, supportive, and enriching experience for every child.

**Thank you** for being part of our **Little Saints** community—we look forward to a fantastic year ahead!

# Forgotten Trades Festival

Ever wondered what life was like 100 or so years ago? Many people attending this year's Forgotten Trades Festival found out how different and difficult life could be before many of our tools of trade became so commonplace.

When making or creating something from scratch it is always known what goes into it - there is no concern for quality or additives, so the trades seen on the day were earth skills, pure and simple, that anyone could try their hand at.

The Forgotten Trades Festival highlighted the bygone ways of bygone days and visitors got to see old crafts such as basket weaving, felt craft, spinning, weaving, lace making, calligraphy, jewellery making, hand shearing, bush wood crafting, watch making, stone walling and many more.

Continued page 21

## Forgotten Trades Festival

One of the aims of the event was to provide visitors with the experience of seeing things made by hand or from scratch, and this was very evident from presentations such as milking a cow, to churning butter and hand shearing sheep. Wood workers, blacksmithing, chaff cutters, grain grinders, rope making, timber work with hand tools, calligraphy, leather work and horse collars, watch repairs, basketweaving, knitting and herbalism were all available for the interested to watch and learn or try, along with many and varied hand-made or grown items for sale.

This was the fourth festival held at the museum, with the first being held in conjunction with the township 150<sup>th</sup> celebrations in 2018. The next was held with the opening of the Tim Fischer Working Machines shed the following year and the third was 2 years later. These are a major fundraiser for the museum to help raise capital for the new building project. This year's event was again very successful with large numbers of people flowing through the doors from 10 am. Steve Bowen helped keep people entertained throughout the day with his witty and vibrant personality. Exhibitors and stall holders were all pleased with the day and many visitors commented on having a thoroughly enjoyable time.

We have had a fantastic start to the year!

We have spent the first few weeks of preschool learning our new routine, making new connections with peers and educators and settling into preschool life!

We are thrilled to be seeing our existing families back through our doors & to warmly welcome a lot of new families to our preschool community.

## Jindera Preschool Annual General Meeting

All welcome to attend the Jindera Preschool AGM!

Our Kookaburra group has been learning about colour, in particular the colour yellow! We have been reading books, doing fun activities and learning the Auslan sign for yellow. Can you sign yellow?!

Our Wombats have been working on their self-portraits. This is an exercise in self-recognition for the children and will be completed again towards the end of the year. It is wonderful for the children to see how their features have changed and how refined their drawing skills become.

Our Kangaroos have been honing their gross motor skills on a fantastic new resource we purchased at the end of last year. The 'wiggle walk' has been a big hit!

We've also been reading Panda Bear, Panda Bear, what do you see? and creating our own animals with collage. What animals do you see?

# JINDERA

• PIONEER MUSEUM •

It has been a busy month as we planned and prepared for the **Forgotten Trades Day**; there will be a feature in this edition with news (see page 20-21) and photos from the day.

The hot weather has played havoc with the garden over the last month, with many dry patches appearing. Members have been working hard to get the site looking good for the Forgotten Trades Day, so the recent rain has been welcome.

It has also been busy with other projects that have been in the pipeline for a few months, finally coming to fruition.

The **signwriting** above the shop has been completed and from all comments received, looks terrific. This was a two-stage project as the veranda iron needed replacing, so the old came off to allow access for the sign-writers to be able to work on the space above. The signwriters were very slick, with the work to the sign being completed in just a day. Hand-painting of signs is a skill that is becoming a lost art and, try as I might, I couldn't convince them to come back and do some additional work for the Forgotten Trades Day! The veranda iron is now replaced, with new downpipes and gutters, which have given the front entrance a lovely facelift.

Members of the Executive have met with our architect recently to get the **building project** underway, and it is our hope to begin building this year. Stage 1 will see the footings and slab appear with the remainder of the building being in 2 further stages. As with all buildings, there are many decisions to be made that impact costs, and with costs having risen so much in the building world in recent years, this is critical to the progress of the development. Funding is a high priority for us, and we continue to look for, and apply for, government grants that fit our situation.

The **new shed** is completed, and we should be able to move items into this in the next weeks. We will keep a space for the building of a **vintage plane**, thanks to **Robert Bunn of Bungowannah**. When it is complete, this will be a feature in the machinery area. Robert is an extraordinary veteran of the flying world; he has piloted planes for much of his life and is considered one of the only people still able to fix the old engines used in early flying machines. There is considerable work to be done to get this flying machine, that will feature in the museum's exhibits, back in one piece, but we have had the offer of some expertise in this area. You will be able to see the work in progress over the next months as it will be a feature of the new shed exhibits.

We have recently completed our new **Strategic Plan** that looks at how we will move forward in the next 4 years. Thanks to Kathie Heyman as facilitator, this was an interesting and purposeful project that has given us clear direction for the period ahead. It is a very useful exercise to sit down and take a good look at your organisation and see where it is up to, then to consider where you are wanting to head into the future and how you might be able to get there. I think the process gave us many insights into some of the areas that we need to focus on as we move forward.

During March there are several **Cottage Craft workshops** being held at the museum; these have been supported by a government grant, so offer great value if you find one you would like to attend. These are mostly being held on a Saturday; you will find the program within the Jindera News - see page 39.

March is also our **Autumn High Tea** month and this will be held on **Sunday 23rd March**. Tickets for the High Tea are available via **Trybooking** from 4th March. See page 25.

# Making WAVES at the Jindera Pool with SwimVac 2025

SwimVac provides swimming and water safety education across New South Wales. In 2025, the program welcomed 2,217 enrolments over two action-packed weeks.

Two of these dedicated teachers, Sue and Marg, play a significant role in the SwimVac experience here in Jindera. In 2021, COVID limited school-based swimming programs, leaving them without their usual teaching opportunities so Marg suggested applying for a SwimVac position in Jindera, a rural town near her daughter's home and to their delight, they were accepted.

Sue and Marg quickly embraced their new roles sharing their aquatic expertise with the Jindera community. Parents were amazed by the rapid progress their children made and appreciated the dedication of the two teachers who had travelled from Sydney to support their town. They were asked if they would return the following year and they quickly accepted.

As word of their program spread, enrolments grew and by 2023, the demand had become so great that Royal Life Saving NSW sent a film crew to Jindera to capture the program for a promotional video. This recognition reinforced their commitment to teaching swimming and water safety through SwimVac.

This year both teachers worked full-day shifts to accommodate the increased numbers of students. They have watched hesitant preschool beginners turn into confident, skilled swimmers and seeing students thrive has been one of the most rewarding aspects of their teaching experience.

Some of their most memorable moments include, witnessing young children overcome their fear of water and watching students initially terrified of deep water gain the confidence to jump in and return to safety on their own. Sue and Marg have become cherished members of the Jindera community and teaching in SwimVac has become a highlight of their year, as they continue to make a difference, one lesson at a time.

Sue and Marg highly recommend joining SwimVac as it is a unique opportunity to inspire confidence, instill essential life skills, and witness the joy of children achieving what once seemed impossible.

## Jindera Pool Final Day is Sunday 9th March

### Wally Wipeout cousin's Last Splash!

The pool will be closing with a splash – Wally's Cousin will be making his final appearance for the season.

### Committee News

This year the canteen was run completely by volunteers. We would like to thank all of the following; with a huge apology if you have been missed off the list.

*Bernie Bell-Chambers ♥ Brendan Burt  
Marita Christensen ♥ Lisa Doughty  
Ruth Dunn ♥ Matthew Gillespie ♥ Emma Ginnivan  
Michelle Ingram ♥ Baz and Cyrus Jafari  
Jenny O'Neill ♥ Adam Paris ♥ Karen Power  
Louise Quirk ♥ Miranda Roberts ♥ Tim Schulz  
Alisha Stead ♥ Sally Wildon*

Without these people giving a few hours of their time .... we would **not** have had a canteen this summer.

It is very likely the Pool Committee will need to do this again when the next swim season starts in November.

*Please give them a huge thank you*

**Please consider volunteering** – it has been a wonderful opportunity for many of us to **meet new people** and **make connections** in our growing community.

It is also a great chance for young teens to gain confidence and experience before heading out into the workforce.

For more POOL information contact Jenny O'Neill on 0438 263 417 or Facebook - <https://www.facebook.com/JinderaSwimmingPool/>

If you are having trouble getting to the pool – head down Adams Street, onto Fallon Street and you will see the **western entrance** to the oval on Dight Street. Follow the track around the oval.

*See you there!*

# Jindera CWA News

March 2025

CWA Country of Study for 2025:

REPUBLIC OF KOREA, commonly referred to as **SOUTH KOREA** in Australia. Surprisingly, this small country has a population of over 51 million, with many living in and around the capital city Seoul.

The national FLAG is called the TAEGEUKGI, and was named the national flag in 1897 since the foundation of the Korean Empire.

The national FLOWER, MUGUNGHWA (Rose of Sharon) means “Eternal blossom that never fades”.

National COSTUME is called HANBOK and is reserved for special occasions.

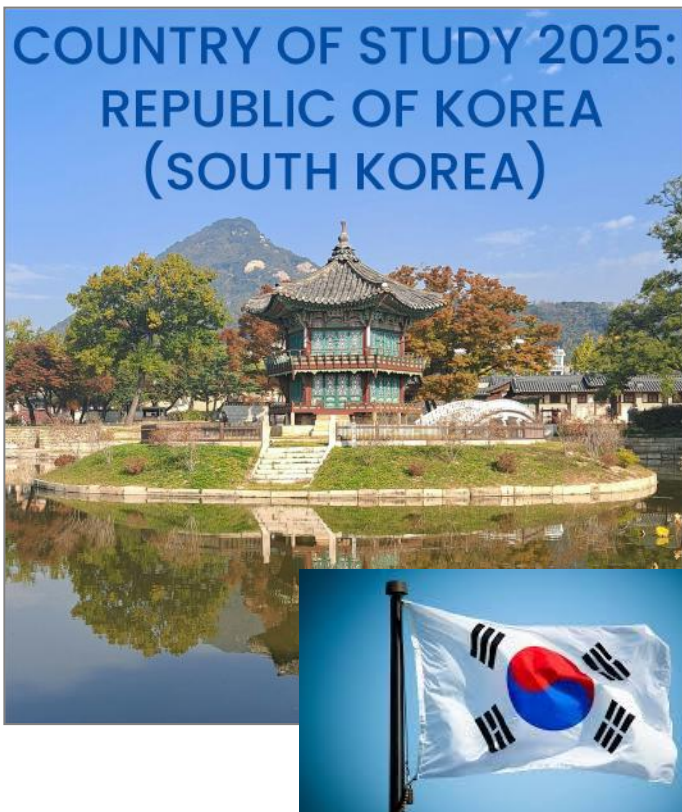

Korean people maintain food and medicine share the same origin “food is the best medicine”.

K-FOOD has taken the world by storm.

CWA International Seminar on South Korea was held at Dubbo on the 1<sup>st</sup> February, Olivia Hanel attended, representing Jindera. Members thoroughly enjoyed a range of Korean cuisine.

Our **March meeting** will be held in the School of Arts Hall , Jindera at 10.00am and will include the Land Cookery Competition.

### *What a start to the year!*

We have hit the ground running with our staff professional development days, AFL visit, annual swim carnival, plus lots and lots of learning.

This year we are deep diving into our school values with each term focusing on one of our four values of **Compassionate, Adventurous, Empowered and Connected**. This term Compassionate is our focus and we have seen our students show love for one another with open hearts and minds, in particular to our new students and families as they settle into life at St John's.

We are also preparing for our upcoming **Open Day** so please reach out if you have a child who is ready for **Kindergarten in 2026** and beyond!

You can contact us at [admin@stjls.nsw.edu.au](mailto:admin@stjls.nsw.edu.au) or on 6026 3220 or come in, say hello and meet our friendly team. Positions are filling fast so do not delay!

## PROBUS Monthly News - *by Helen Squires*

*Introduction* - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP - FELLOWSHIP - FUN.

**The Henty Probus Club** meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. *Anyone from Jindera would be very welcome to attend our meetings.*

For more information - [www.probussouthpacific.org](http://www.probussouthpacific.org) or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

The **Henty/Culcairn Probus Club** met at **Culcairn** on **Wednesday 12th February 2025.**

Our President Warren welcomed us all and visitors too.

Our new member is Fiona Sanderson. Fiona is a new resident to Henty and her family members Sapper and Wendy Sutherland came to visit.

Alan and Marjorie Rayner were also guests.

Fiona was our five minute speaker, and she spoke of her mother Helen Emily Sutherland, who mothered nine children and founded the Murray Grey breed of cattle. We were told the Murray Grey Society started in 1962. Helen Emily Sutherland did not drive a car but rode a horse and knew animals by sight and their pedigrees too. Warren presented our Probus pen as a thankyou for a most interesting talk.

We have sung 'Kookaburra Sitting on the Old Gum Tree' as a round, and after a demonstration by Steve and Herb, we are sounding pretty good.

Our main speaker was Alan Rayner. He told of his family history investigations and the hazardous journey of folks to Australia. Some had come after the English cotton industry collapsed, some because of potato famine in Ireland, and some due to Scottish landlords evicting tenants, some due to religious persecution in Europe, and then gold was found in Australia.

Alan told of tent makers and people with multiple children living in carpet floored tents to hunt for gold. Alan's father purchased Myrtleford bakery where he worked for thirty years. Joan Pitson thanked Alan for sharing his family history and presented him with our Probus pen.

**On Wednesday 12th March we will have our Annual General Meeting at Walla Walla Lutheran church hall - 9 .30 for a 10.00 am start.**

There will be picnic lunch available for purchase. Membership costs seem set rise to cover increase in hall hire.

This will be my last newsletter for Probus. After three years of writing, it is time for a new person to write about Probus. **Thank you** to all my helpers and readers, I have enjoyed the challenge of being a reporter . I have been asked to consider a new challenge within Probus, so elections at AGM will see what happens.

And ... **Yes** - there will be another **Beanie Competition** with a nursery rhyme theme as well as just beanies. **June 10th** is the date for the opening evening. Yvonne will be happy to have all donations.

With best wishes to all,  
*Helen Squires.*

# Jindera Community Garden (JCG)

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message - Eileen at JCG on Ph: 0400 023 290 or email [jinderacommunitygarden@gmail.com](mailto:jinderacommunitygarden@gmail.com).

## Doctors are Prescribing Gardening

Gardening for Physical and Mental Health has numerous benefits. Time spending in a garden gives you a pleasure while contacting with Nature.

Anxiety, Depression and Loneliness can be a huge struggle for some people. Patients are being encouraged to spend time outdoors amongst the greenery.

The evidence based on this theory is growing; that social gardening is improving levels of Anxiety and Depression.

Don't let gardening become a burden or a labour. Only plant Vegies that your family eat. Don't go overboard with quality - you must consider water and time - just enjoy it.

## Connecting to a Path

No matter where you live you will often find a Bike Path or Walking Track that leads down to a Community Garden

## MOTHER'S DAY CAKE STALL

### Mother's Day Cake Stall

We have booked IGA for our Cake Stall for "Mother's Day" **Saturday 10th May**

## Gardeners like to Celebrate

After our Meeting at Lorriane and Shawn's we had a reason to socialise.

Thanks, Lorriane, for making that beautiful sponge cake; it gets harder to blow out these candles every year.

I'm sure someone deliberately pushed that sponge further away from me.

- \* We are getting excited about a few social card games during winter.
- \* Please let me know if you would love to join us.
- \* Is there anyone out there who is a Chess player, young Daryl is looking for a challenge

We still have our coffee at the Fox and Brew on Saturday mornings around 10am. If anyone would like to catch up or help us with some new ideas - please join us!

**We would love to hear from you if you have any news of interest to our local community!**

Please email your article to [jinderanews@ruralcarelink.org.au](mailto:jinderanews@ruralcarelink.org.au) or to Rural Care Link, The Jindera Hub, Urana Street, Jindera

Our services in **Jindera** are there to assist you to remain living in your own home.

Our friendly staff and volunteers can help you with; Delivered Meals, In Home Cooking, Social Support and Domestic Assistance.

To participate in any of our programmes you will need to be registered with **My Aged Care** and have a referral for your required service. Unfortunately, due to changes within the My Aged Care System we can no longer provide services to people who are not registered or have a referral for their requested service/s. This change is part of the reforms being made following the Aged Care Royal Commission findings. We can provide services on a full cost recovery basis, if people prefer to use our services in this way and we have the capacity within the programme.

**Meal Ordering and Delivery Updates:**

To ensure a smooth and timely service, we request you place your orders no later than 1:00 pm the day **prior** to your delivery day, which is **Thursday** in the **Jindera** area. Tania will be calling as usual on Wednesday but if you have time earlier in the week, we are happy to take your order sooner.

**Office Opening Times:**

Our office hours are from 9:30 am to 3:30 pm, Monday to Friday. We are available for contact by phone during these hours, however sometimes we may be busy on other calls, please leave a message and we will call you back as soon as possible.

If you would like a **menu** or have any **questions**, please call the office on 02 **60363677**.

# Jindera Female Football

We are excited to announce an exciting opportunity for the creation of new teams for the 2026 season, in the North East Border Female Football League (NEBFFL)

Jindera is looking for dedicated players to join us in building strong, competitive teams for the upcoming year. Whether you're just starting out or have years of experience, we have a spot for you!

### We're forming teams for the following age groups:

- **U12** – For our youngest stars, ready to shine on the field!
- **U14** – Players looking to refine their skills and compete at a higher level.
- **U17** – For the growing athletes who are passionate about football and want to take it to the next stage.
- **Opens** – Open to all players eager to be part of our senior competition team.

Our training days will be on Monday and Wednesday nights and the games are held on a Sunday,

### Please register your interest and be part of the 2026 Season!

(We will look at training to begin in September)

Poor hardworking golf cart had to sit out in the sun all day on the beautiful 3rd hole with a flat tyre, with the members calling an SOS to the club captains for a rescue.

The cart is now fixed and available for hire by members and also visitors.

# JINDERA ANGLERS CLUB INC.

What a great month February is for the Jindera Anglers Club.

Their annual Daryl Girling Memorial competition held down at the 12 mile reserve was a huge success. What started off with a fire truck and cockatoos, ended in 11 legal fish caught with the biggest going 90cm !!

## RESULTS:

- 🐟 **Biggest Cod, 90cm Jacob Guy**
- 🐟 **Biggest Ladies, 55cm Kirsty Taylor**
- 🐟 **Best Bag, 172cm for 3 cod Dick Crampton**

Thank you to everyone for making the effort to come to this event. It was great to see old members return and plenty of new faces.

Another big shout out to the businesses and members who donated prizes for the raffle, we had over 40 prizes up for grabs.

I'm sure everyone enjoyed a night of entertainment with the annual **Yabby Races**, 30 Yabbies were auctioned off on Saturday night and fought it out in several heats with the winning Yabby claiming its owner \$1,000 in cash, which was donated back to the Club.

Stats for the weekend saw 60 plus people fish and 11 legal Murray Cod caught, 29 undersized Murray Cod, 9 Trout Cod and 5 Turtles.

It was slow going for fishos but plenty of memories made, fat lips, quick dips, sleepless nights, a few bruises and many more stories that will continue to be told.

If you would like to **JOIN UP** to the **Jindera Anglers Club** or need more information please contact Kerri Lynch on **0427 238 281**, follow us on [Facebook](#) or head down to the Club house on **Friday** evening from **5:30pm** for a social gathering.

Next **Competition** is an Open one on **March 21st, 22nd & 23rd** with weigh at 5pm at the clubhouse.
