## Our local Bulldogs make history *SEVEN awesome JFNC teams compete in Grand Finals!*

The Jindera Football Netball Club has enjoyed a wonderful exciting season, as we welcomed everyone back to the kennel.

Great numbers at our netball trials and football pre-season, alongside incredible **NetSetGo** and **Auskick** numbers put us in good stead for 2024 and into the future. Congratulations to our local Auskicker, **Jessica Maloney** who was named into the AFL NAB Auskick Team of the year.

We were also extremely proud to see our previous coach, Best and Fairest winner, Life Member and premiership player, **Ivan Bennie** inducted into the HFNL's Hall of Fame.

We had a number of players invited to the Hume League Presentation night, congratulations to all who received awards. **Emiliana Brynes** (11's), **Hallee Yensch** (13's), **Sophy Sirr** (C Grade) all took out Best and Fairest. **Jess Hueske** (B grade), **Sarah Krause** (A Grade) both finished Runner-up Best and Fairest.

We are so proud of all those who represent our club so well, and especially proud to be awarded both Netball Club Champion and Overall Club Champion for 2024.

Both Football and Netball committees led by **Lyndon Kerr** and **Jess Guy** have worked tirelessly throughout the year, ensuring a seamless and enjoyable season. Many thanks to both committees, volunteers, coaches, canteen crew, trainers, and all others that offer their time and skills to help our club, and the entire league run so successfully.

Some favourite social memories of season 2024 include our Annual Family Fun Day in round 1, a Community Night with live music in round 16, and notably our incredibly competitive Ferret Racing Night. Our club was proud to once again participate in the Odd Sock Day, with all proceeds going to The Black Dog Institute.

Finals time came around fast with 10 teams finishing inside the top 6. A big Congratulations to our A, B, C, 13's, 11's netball and 17's football who all finished Top of the ladder and as Minor premiers for this season. *More JFNC - page 12*

**Headlines and Happenings**

By Lizzie Pogson. (Secretary, RCL).

**Community Assist Intake Subcommittee**

In conjunction with the Community Assist Volunteer Team, we approved a new Committee Intake Subcommittee- comprised of the Community Assist Coordinator; the Community Assist Volunteer Team Manager; plus 2 members- experienced in corporate and volunteer community engagement, also in the fields of education, In-Home Care, disability, advocacy and support work experience-(with the option to further co-opt others as deemed appropriate). We will have immediate collaboration and delegation of tasks shared, followed by allocation of further supports from our Volunteer Team.

**The Battle of the Bands**

Happily responding to Holly and Mick’s (*Jindera Pizza*) request, RCL is donating to assist covering the many costs associated with such an event. We are pleased that the RCL Banner will be a visual reminder of our support, on the day.

**Hampers**

Leeny enjoyed her Melbourne CBD Office meeting with one of our Pro Bono lawyers, suitably impressing by our personal touch- the compilation of local delicacies, conveyed in an Op Shop basket. It is comforting to know that should we ever need further help with any governance-related issues, we have only to ask.

**Centrelink**

Michelle is continuing her liaison with our Centrelink contacts, to establish a more detailed framework for their capacity to visit Jindera and how they will assist people in practical terms.

**“Share the Dignity” Campaign**

As requested by the Op Shop Volunteers, it was decided that an increased amount of \$500.00 be directly deposited into the “*Share the Dignity*” campaign bank account, in addition to the wonderful response of donated women’s sanitary products via the Op Shop pink bin.

**A Jindera Playgroup**

Noting how many young families now live in our township and surrounds, we want to sow the seed and suggest a community initiative to form a Jindera Playgroup - a chance for young families to link together, to form an independent and autonomous group. More to come in the future.

For general **RCL** (Rural CareLink) **Enquiries** including Volunteering, Hardship, Personal Assistance and **Community Assist**.

**Carer Support Group**

By Vickie Priscina. (Carer Group Co Ordinator, RCL).

What a delight it was to have Anne Dobson as our Guest Speaker when the Carer Group met in September.

*Anne Dobson & Vickie Priscina*

Anne is from Effective Behaviour Management and explained how she came to setting up this service.

It was so interesting to hear of Anne’s career, experience as working as a Teacher, her Family and her life in general. We could have listened to her speak and asked questions of her all day.

We invited other members of the Jindera Community along and had three attend. By all accounts people would be interested in attending a Workshop with Anne to learn more about Effective Behaviour Management.

The Rural Care Link Carer Plus group will look forward to organising this to be held in Jindera in the future. We all enjoyed a lovely Morning Tea at The Fox and Brew compliments of Rural Care Link for which we were all very thankful.

In **October** we celebrate Carers nationally during **Carers Week** which runs from the **13<sup>th</sup> -19<sup>th</sup> of October**. (see page 10) There will be 2 events for local Carers to attend please call me on 0428 406 060 for information.

*Lorraine Thompson, Vickie Priscina, Dianne Anderson, Michelle Larkin, Janette Harrop, Teone Mitchell and Lizzie Pogson.*

**Carers Support Group**  
 We *usually* meet monthly on the **3rd Tuesday** of each **month**  
 Please call **Vickie - 0428 406060** for **venue** and **dates** of these meetings.  
 Peer support, respite & information sharing is the focus of the Carer Group.

## Happy 90th to local identity Dot Hueske

Dot moved to Jindera in 1957 from Henty at the age of 23, after marrying Ennis Hueske. They lived on the corner of Hueske Road and Bungowannah Road for the next 37 years and lived on and worked a dairy farm as well as raising a family.

Dot and Ennis moved into the Jindera village on 19 November, 1994. Sadly Ennis passed away in 2015, the couple had been married for 60 years.

Dot was among the original participants of Jindera's Community Garage Sale in the late 1990's and has also had a long association with the Jindera Museum. She has been a committee member as well as a volunteer and one of the people greeting visitors at the door. As the Museum progressed, Dot moved to being involved in the catering side with her scones being a specialty and a favourite of the Museum diners. These days Dot enjoys buying her scones when she visits the Museum Tearooms and loves volunteering on the Museums Lost Trades Day event showing how butter was once made and is known as the 'Butter Lady'.

Dot tells us that living in Jindera has lots of advantages with the local community being wonderful and being able to catch the On Demand Bus at the front gate to be taken wherever it is necessary to go in Albury.

She also has seen a lot of changes saying how the Post Office used to be on the Jindera Hub corner then in later years moved to where the Next Level café now is before being relocated to it's current site and also how big elm trees once lined Urana Street.

When Dot moved into town, she wanted a house in the middle of Jindera so that they could walk to church and the shops. Although today, Dot still has a restricted licence for her car, she generally relies on her motorised scooter to get around to the shops and the neighbourhood. She jokingly suggested that if a bike-walking track was established between Jindera and Lavington then perhaps she could use it on her scooter.

Dot keeps herself busy making fire lighters of different sizes from shredding paper and is currently experimenting with making paper bricks for family and friends with lots of them supplying her with paper to recycle. She also makes a great Worcestershire sauce. Dot says she saw the recipe in the Weekly Times and thought it sounded easy to make so she now makes the sauce to give to loved ones.

*Dot will turn 90 years young on October 6<sup>th</sup>.*

Over the past few weeks our children have been working very hard on our chickens and artworks for the Walbundrie show.

The three chickens represent **Sustainability** - our button chicken is made using recycled buttons donated from our community

**Community** - our fingerprint chicken represents community. Each little chick is a fingerprint from our children, educators and families

**Our children** - our third chicken has been beautifully decorated by our preschool children with no direction from educators at all

Several children have also painted beautiful green and gold wattle trees for the Olympic theme.

We can't wait to see them on display at the upcoming show!

**Kangaroos – Tuesday/Thursday**

Masters of Special Education

**Wombats – Monday/Wednesday**

Teacher – Jessica Parascos -- Bach of Ed. Early Childhood

**Kookaburras – Friday**

Teacher – Olivia Phegan -- Bach of Ed. Early Childhood

Our Wombat and Kangaroo Groups have had a visitor from Healthy Harold over the last few weeks. He spoke to our children about big feelings and emotions and strategies for dealing with these.

We've also had another special visitor, Pearl! Pearl is Educator Kylee's 'designer' chicken. She was a great source of entertainment for the children, and she was loved by all!

All our groups have enjoyed baking scones after learning about wheat and where it comes from. We devoured these with some butter and yummy jam!

With the finer weather, we have been playing outside more and enjoying the beautiful sunshine and outside activities.

# JINDERERA

• PIONEER MUSEUM •

The focus for the museum this month has been the consolidation of our **Partnership Program** for our fund-raising for the new building and the new website design. We are continuing to work on the design aspects of the new building and are looking to engage the services that are needed for the construction and development of this new complex. It is a busy but exciting time as we work towards developing this new site that will be able to provide another focus at the museum and will also attract more visitors to the township.

As well as the large undercover area that can support our school and visitor program, we will have a large space for additional exhibitions and hands-on activities. The **Cottage Craft Group** will move into the new building, giving them a 7-day a week exposure for their handwork. Take a look at the new website and the various ways the businesses and individuals can support the museum's expansion project.

Follow this link <https://www.jinderamuseum.com.au/>

We continued to have many schools visit us during this month as term three draws to a close. We have been trialling a new school program that involves more picture based and hands-on activities. We are also getting a nice collection of old-fashioned games which seem to be popular with the students. It makes for a very busy day with 50 students bouncing around the museum, but also delightful to see them so engaged by the many aspects of home and farm life of the era. It is great to see many of them bring family back for a repeat visit.

The museum also held their **fundraiser movie night** at the cinema centre during this month. We watched the funny and topical movie, *Thelma*. We were able to fill the theatre which was a great effort and we thank all those folk that supported us on this night. There were lots of good comments on the movie and the night.

We held our **Spring High Tea** (see page 19) on the 29th September, which as always, was well attended and a great day. It was a delight for us to be able to host a small group that were celebrating **Meryl Burns 90th birthday** on the day. Meryl is Kerry Finlay's mum and a collection of her family were able to join with her at the museum High Tea to celebrate this special occasion. We also had a couple who travelled from Melbourne to celebrate their wedding anniversary with us, having seen the event advertised. It was also lovely to see several new faces but also many who have delighted in the museum High Tea's previously.

We were incredibly blessed with the rain staying away until all our guests had departed and most of the packing up was done. The recent rains have encouraged the gardens to blossom, producing a lovely display on the day.

We have had to cancel our October 19th Music Event due to a difficulty with performers. We will be holding a **Bush Tucker Dinner** in the Blacksmith precinct on **Saturday 9th November**. Check out our website and Facebook pages for details later this month.

One of the museum's long-standing volunteers, **Dot Hueske**, also celebrates her 90th birthday (see page 8) as we tip over into October. Dot was an invaluable member of the museum committee taking over as secretary in the late 1980's and was always willing to participate in many of the museum's 'dress-up' activities, along with her husband Ennis.

Dot continues to support the museum by attending many of the events we organise and she can often be found in the Tea Room on a Sunday. We wish her many more happy years of involvement in the museum and Jindera township and thank her for her many years of service to the museum.

# Elegant *SPRING HIGH TEA* at the Museum

The below photos show some of the many happy participants who attended the annual Spring High Tea held at the Jindera Pioneer Museum on the last weekend in September 2024. Photos by Vanessa Hayden

Term 3 has come to an end with a huge calendar of events filling the last 10 weeks.

We hosted the Watoto Children's Choir who showcased their amazing and inspiring performance in our hall. Our annual concert was held over two days and watched by over 700 people from the St John's community, Jindera community and some special guests from Walbundrie Public School, UPA Jindera and Saint Mary MacKillop College.

We also had our 2025 Kinder students come to visit for the first of five transition days. We look forward to seeing them again next term.

Term 3 finished off with our Community Fun Day with this term's theme being 'wear your favourite sporting team's colours - any code, any sport.'

We look forward to wrapping up the year in Term 4 with some more special events happening from Grandparents Day to our Year 6 Graduation and lots more in between.

### 2025 Kinder Transition Day 1

Our transition program aims to support children over a five week period to become familiar with our school and teachers, while engaging in play-based educational experiences. Kinder transition days encourage positive relationships to be developed and shared, creating a sense of belonging and a smooth start to their time at St John's. This week we welcomed our 2025 Kinder students to their first Transition Day and we look forward to getting to know them and their families.

If you are looking for a school dedicated to inspiring future leaders, recognising the diversity of learners, and encouraging and developing respect for others, a love for discovery, and the desire to learn then look no further than St John's. We have places available for Kindy 2025, 2026 and beyond!

### Community Fun Day

Friday 27 September was our last day of school and our Community Fun Day! Students were asked to bring a Gold Coin donation and to wear their favourite sporting teams colours - any code, any sport. Students participated in an assortment of games inside and outside. Gold coins donated will go towards the new shade sail at Jindera's Playground which so many of our students use. We love supporting our local community.

### Watoto Children's Choir

It was an absolute pleasure to have the incredible Watoto Choir with us, all the way from Uganda! Known for their vibrant performances and powerful message of hope, the Watoto Choir inspires communities around the world through music, dance, and their personal stories of the power of Jesus. We thank them for sharing their gifts, their joy and a strong Gospel message of love with us.

*Oh, what a night  
Late September back in twenty four  
What a very special time for all  
As we remember, what a night!*

Thank you to everyone who made our school concert such a fantastic celebration of student talent! The superheroes from Kindergarten led the way followed by the very quiet mimes from Year 1. A couple of clowns on a bike, acrobats, talented animals and the Ring and Master entertained us with their circus of Year 2 students and The Muppets and all their friends joined us on stage from 3/4LK. The *hootin tootin* Year 3/4PV class of cowboys and cowgirls moseyed their way through some awesome line dancing and to finish off the night we had lessons in magic from 5/6CG and a triffecta of bands from 5/6DB performing some heavy rock while playing their 'instruments'. The finale saw a medley from the ages of music from the 50's through to The Wiggles and a guest appearance of Taylor Swift.

October 2024

Our 2nd October meeting we held our AGM and welcomed Murray Group President, Elaine Strong, who was guest speaker and chairperson for election of office bearers. A shared luncheon followed the AGM. (Office bearers in November edition)

## **MURRAY GROUP 61ST CONFERENCE (AGM)**

will be held on **17th October**  
at the **Anglican Hall, Holbrook.**  
Opener and Guest Speaker will be  
Joy Beams – State President CWA of NSW.

CWA branches have been looking into the value of **SEAWEED**. Seaweed has a huge potential to address some of the biggest problems facing the planet.

1. Reducing methane production in cows and other ruminants such as goats and sheep, which would have a significant effect on atmospheric warming potential.
2. Capturing and storing carbon dioxide.
3. Boosting protein and nutrients in food products.
4. Providing extra health benefits in new therapeutics.
5. Soaking up excess nutrients in wastewater.
6. Creating new materials such as bioplastics, packaging and textiles.

Several initiatives and funding bodies are currently supporting seaweed research and development in Australia.

*Visitors are most welcome to attend our meetings.*

Yours in CWA Friendship,

## Sports Colours Day

As the school term came to a close, we celebrated with a fun and vibrant dress -up day, where everyone proudly wore their favourite sports colours. Fans of both local teams and international stars came together to share their team pride, creating a lively and spirited atmosphere. It was the perfect way to end the term on a high note, full of energy and school spirit. Students provided gold coin donations to help raise funds for some new soccer nets for our playground!

## Questacon School Tour

Students were thrilled by a recent visit from Questacon, where they were treated to an engaging and interactive science performance.

The presenters captivated the audience with exciting demonstrations and experiments, showcasing the wonders of physics, chemistry, and technology in a fun and accessible way.

The hands-on activities and mind-blowing displays sparked curiosity and excitement amongst the students, making science come to life. It was a fantastic opportunity for students to explore scientific concepts beyond the classroom, leaving everyone buzzing with new ideas and inspiration.

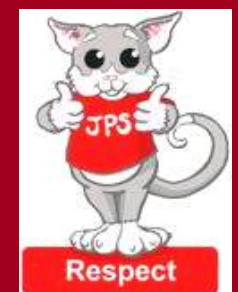

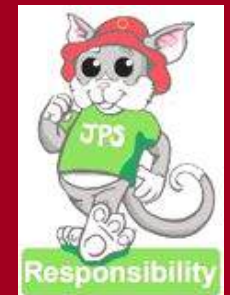

## Borambula Excursion

Stage Three recently embarked on an engaging three day excursion to Borambula Sport and Recreation Camp, where students had the opportunity to explore the great outdoors while fostering teamwork and resilience. Over the course of the trip, they participated in a variety of activities such as canoeing, abseiling and a BMX course, each designed to challenge and engage them. Relationships are important at Jindera Public School. The extended stay allowed students to strengthen their bonds, develop new skills, and create lasting memories. The three days provided a unique experience for personal growth, leaving students with a sense of achievement and adventure upon their return.

## A Cracking good time

Some of the children have been looking at the river stones around the yard. Some children had noticed that they had cracked and broken. This led to a small group project with Miss Amy where they were exploring how this may have occurred. The children used a larger rock and found ways to use it to create a crack or force the rock apart. This is a Physics concept. Looking at how stress creates cracks and changes the shape of something. Great for confidence building when cracking rocks, and great for building vocabulary such as force and strength. This learning as a small group allows for the children to have their thoughts and ideas heard. They can offer perspective and learn from their peers.

## Buddies

Our Big Saints Program has prompted the opening of our Buddies program. Engaging with our St Johns year 5 students is a wonderful way to learn ways to interact with older peers in the school environment. We talked about playing games together and what skills these games bring such as turn-taking, following rules and early counting.

We finished the session with a large group game of "Round the World". We reminded the bigger children that they were playing against 4 and 5-year-olds but boy did our Little Saints play competitively!! They know their shapes and although the trick of this game is to be able to recall the name of the shape quickly, they blitzed it!! We will be doing more with the buddies over the remainder of the year.

Sensory play

We added some shaving cream to the tough tray with the wedgits. This was to follow on from some sensory play with mud in the sandpit and to also extend the play with the wedgits to form some style of 'mortar' for their play. This engaged a small group of children with them offering what they think the shaving cream feels like- "its squishy" "It's so soft" "It's perfect" "It's soft" "It's like gloves" "It feels so warm" "it's so soft" "I need more to feel it".

Little Saints on Country

It's that time of year when the Little Saints Children say goodbye to the Little Saints on Country program for the year. Each of our enrolled children was offered at least one day to participate in this program and they have loved it. Each child shows great excitement as we make the trip to connect and engage with the country and the things it has to offer us. From playing in the mud, and using sticks as tools for digging or building, to climbing trees and exploring the flora. The children have used this opportunity to connect and engage with pride. We cannot wait to bring this program back in 2025.

**Committed to our region.**

# Jindera Community Garden (JCG)

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message - Eileen at JCG on Ph: 0400 023 290 or email [jinderacommunitygarden@gmail.com](mailto:jinderacommunitygarden@gmail.com).

## Why are we Excited About DAYLIGHT SAVINGS?

### What does it mean to a Gardener?

Spending more time in our garden with the longer hours approaching is very exciting for a keen Gardener, who loves to plan ahead.

Timing is of the utmost importance especially for a vegetable garden. There is a good variety of seeds or seedlings you would like to plant but be careful you don't plant too early; the soil has to be warm.

Covering up your vegetables is another option you may want to choose but don't forget to **Cover Up**.

Family gatherings are very important especially with barbecues and birthdays. These will get you motivated to use your crafty skills and decorate with colour including party lights.

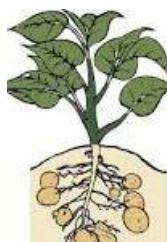

## STRAW BALES

Straw bales save time for a quick easy garden when timing is an issue. Straw is great for **Potatoes** just throw ... Weeds, Manure and Lawn clippings on top of the potatoes with a sprinkle of fire ashes and fertiliser.

Keep adding straw to the potatoes leaves as they appear this will give you more potatoes as you cover them.

If you want to add other vegetables to your straw garden pile soil high then add soil between straw before planting.

When vegetables are finished you will have good soil left to add somewhere to improve your garden.

## OUR GARDEN CHATS

Cathy sent this lovely photo in which was taken a few months back. This particular day we were doing a few things in the garden and decided to chat under the Garden Nook.

## BORAGE

This herb is a great fertiliser for your garden. You may use as a liquid fertiliser or just snip the leaves and add to soil.

The flowers may be added to your salad decorating or cold drinks.

Self-seeds easily. Adds colour decoration to your garden.

## RECYCLING TUBS

Growing vegetables in Tubs is a quick way to start your salad varieties or for your cuttings.

Just raise your Tubs to the height level that suits you. Catch the water that runs through the holes of the Tubs and water again when needed.

We have a couple of lovely ladies who help with our Stalls including myself who have to behave under Doctors orders.

We are wanting quick answers and recovery to our health issues like so many of us at this age.

*Please take care everyone and look after your health.*

## Rotary airlift Cairn for November Table Top Mountain *charity walk.*

In preparation for the Hume and Hovell bicentenary charity walk up Table Top Mountain, to be held on **Sunday 17<sup>th</sup> November**, materials for the commemorative cairn were airlifted to the summit.

1.3 tonnes of stones and the steel mesh frame of the cairn were ferried to the top by helicopter. This was made possible by donations from the Hume Bank and Rotary. The cairn will be part of the network of cairns that chart the route of the explorers. Walkers will be able to participate in the construction of the cairn on the day by placing a stone in the frame of the cairn.

# JINDERA RURAL FIRE BRIGADE

by "Poppa Pomegranate"

The NSW RFS State Championships were held in Albury from the 13<sup>th</sup> to the 15<sup>th</sup> of September. The Jindera Captain was heavily involved with the planning set up and running of the Chain Saw event. Thanks to all our members who assisted with many areas of the Championships it was a great weekend showcasing our region to the volunteers and staff of the NSW RFS from across the State.

Special *congratulations* to our senior Deputy Captain Matthew Hicks who was asked to fill a slot in the chainsaw event with only 3 days' notice. Matthew took on the challenge and came third overall in the event pitting his skills against chainsaw operators from all around the State.

Thanks to everyone who has notified upcoming burns. Please remember to continue to do so as we approach our **Bushfire Danger Period** which starts on the **1<sup>st</sup> of November**. Permits to burn will be required for any burns during the Bushfire Danger period up until the 31<sup>st</sup> of March 2025. You will still need to **notify the NSW RFS 24 hours before** you plan to start any burn-offs at

<https://www.rfs.nsw.gov.au/fire-information/BFDP/burn-notifications>

Please keep an eye on our local news media for announcements from the NSW RFS regarding the new process for applying for a fire permit this year.

**Remember, no burning on days of a Total Fire Ban.**

As we approach our Bushfire Danger period we ask that you check the NSW RFS website [NSW RFS - NSW Rural Fire Service](#) to update (or to start) your **Bushfire Survival plan** and to make sure you are familiar with the fire danger rating sign that you will see coming back on our electronic notice boards soon. The NSW RFS website has some great resources to help you understand what the fire danger ratings mean for you.

## GETTING READY FOR BUSH FIRE IS EASIER THAN YOU THINK

THE 4 SIMPLE STEPS ARE:

1. DISCUSS

2. PREPARE

3. KNOW

4. KEEP

There are also some great fact sheets on the NSW RFS website providing advice on how to prepare yourself and your property to be Bushfire ready. This link will help you be prepared for the season- [BFSP-Complete.pdf \(nsw.gov.au\)](#) If you have not downloaded the **Hazards Near Me** app already we would encourage you to do this and **setup a watch zone around Jindera** to make sure you are alerted of any bushfire, flood and severe weather events in the area.

The Brigade is always on the look out for **new member's**; drop-in and have a chat to us if you see us at the station. We have many roles that you can help us with if you do not want to get on a fire truck.

*Thanks for your ongoing support of the Brigade*

September has been a busy time for the club, both on the grounds maintenance side, with the grass finally starting to grow and the “cursed wind” constantly spreading debris around the course, together with the running of three tournaments in 4 days.

It all started on Thursday the 5th with 38 ladies taking part in the “2 Ball Ambrose”, followed by Saturdays “Men’s and Mixed 2 Ball Ambrose”, with a full field of 60 players and finally on Sunday, the Men’s Tournament with 48 players competing in A-Grade Scratch and “Nett”, B and C-Grade Stableford events.

All three days were a resounding success, thanks to a lot of work put in by the numerous volunteers we have who always step up to ensure our marquee events run smoothly.

Congratulations go out to our respective captains in Heather Chaston (stepping in for Julie Hayes) and Craig McMillan for a sterling job in organising the teams and running the competitions.

As usual, there are too many individual volunteers to thank, except to mention the great job done by all those members engaged in getting the course in pristine condition with mowing etc, the ladies for organising and running the catering over ALL three days and all those members (and partners) who stepped up on the day helping with various chores like running the bar, raffles, cleaning and preparation of clubhouse, organising scores etc and a myriad of other chores.

Thanks again go out our major sponsor of the day in **Jindera Vet Clinic** – Daryl and Stephanie Klein and the **Jindera IGA**, who continue to provide us with generous support.

Other sponsors on the day include: - **North Albury APCO**, **Pixel Accountants**, “**Monster Plant Sale**” (Howlong 17 to 20/10), **Bunnings Albury**, **SportsPower** and **Tony Murray**.

Also, congratulations to our Men’s captain Craig McMillan for winning the main event - A-Grade “Scratch” – with a great score of 78 in a very tight finish to hold off previous winner Dave Porter and fellow “match committee” member Ash Paech on 79.

Other winners include: -

*Ladies tournament* Connie VILLENEUVE & Raquel VOGEL - Nett 66.75  
*Saturday Mixed* Tony CORRIN and Kate WOOKEY - Nett 59.5  
*Saturday Men’s* Russell GUEHO and Neville POWER – Nett 63.5  
*Sunday A-Grade Scratch* Craig McMillan – 68  
*Sunday A-Grade Nett* Ash Paech – “Nett” 68

The final round of “Monthly Medal” events was held on Sunday 15th September with the coveted “Medal of Medals” Stroke event, where each of the previous medal winners for the season play off for the title of “Medal of Medalists” which was won by Jeff Donney with a score of “Nett” 70.

For those interested in playing in the Ladies competitions, it is run over two days – Sunday and Monday – and includes both an 18 and 9 hole competition, for those who only wish to play 9 holes. Please email [admin@jinderagolfclub.com](mailto:admin@jinderagolfclub.com) for any enquiries.

Members can now book and register for a comp by going to the website - <https://jindera.lgolf.com.au/welcome/index.mhtml> or visit the Jindera Golf club website – [www.jinderagolfclub.com](http://www.jinderagolfclub.com) > **Events** and click on the link.

In the meantime, current comps are as follows: -

# JINDERA ANGLERS CLUB INC.

This month has flown past with many activities happening within the Jindera community.

Unfortunately, our September fishing comp saw no anglers participate or if they went out to wet a line and got a doughnut, they didn't man up enough to admit it!!

A special **thank you** to all involved in the farewell of Steve "boof" Waller. It was a special day with the family extremely grateful for the efforts and the memories shared on the day.

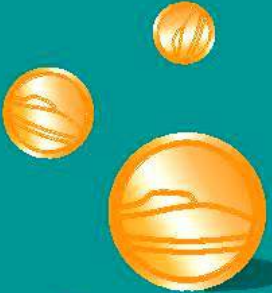

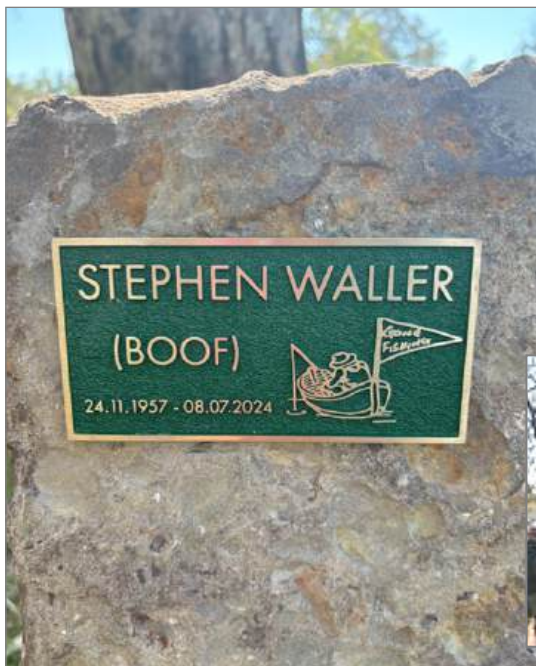

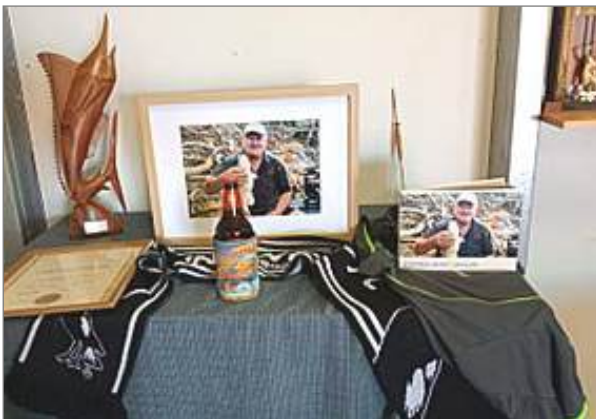

Members are really encouraged to purchase a **Jindera Anglers Fishing shirt**, there are two styles available, a short sleeve polo and now a new long sleeve to keep the rays off you.

We hope to see more fish weighed in on our **next Open Comp** on the **18th, 19th and 20th October**.

For anyone needing more information please email [jinderanglers@hotmail.com](mailto:jinderanglers@hotmail.com) and follow us on [Facebook!](#)
