Mt. Maze back home to **ROCK** Jindera!

Last time we caught up with local talented brothers Adam and Nathan Tollis and Mt. Maze band was just over a year ago and they're now home for Jindera's Battle of the Bands. Since then there has been a few changes to the dynamic and how Mt. Maze works, with two new members Jacob Elliott aka Claz on bass and young gun Riley King on lead guitar.

Mt Maze made the call late last year to try their hand in tracking new music themselves at home with all their own gear, first song being **Creatures** the title track off their EP, which was recorded in their previous jam spot, an old church in Wodonga. They were lucky enough to have local music legend Jared Buckley temporarily fill in on bass and jump on board to record this track. It was around this time that good friend Claz came in full time as the new bass player, bringing a fresh and exciting energy to the band. 'Honestly' Adam tells us, 'our biggest hype man'.

Nick Musarra (rhythm guitar) had been working hard to organize the band's first headline tour to promote the release of the **Creatures EP**. With the release date and tour fast approaching the band needed a new lead guitarist. So they invited a couple of local lads for a jam to see who would gel with them and fit into the direction of sound they

wanted to head towards. Whilst jamming out a potential new song Riley shined with amazing harmonics which led to form one of the quickest songs they have written as a group.

The band was complete.

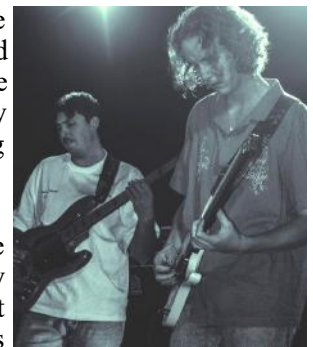

The EP had been released and 2 days later they were playing their first show of the tour at one of their favorite venues, La La La's in Wollongong, it absolutely poured with rain but they still had a great turn out. From there Mt Maze went north through torrential rain to Newcastle, this show was unfortunately not a great turn out. They were told by a support band, Butterknife, this was due to the venue, telling the band that they should come back and play at a popular venue with them.

Next up was a really cool little venue in Sydney called the Petersham Bowls Club, a small room down stairs with a stage. It was definitely the highlight of the tour. This gig was just a couple of tickets shy of selling out and had some excellent support acts, one being their now good mates, Help Street. The show went off and they had the best time. With some sore heads it was

off to the last show of the tour at Canberra Uni. This gave them the chance to be reunited with friends and family who went up to Canberra to support the boys. Off to the left of the Uni stage was a huge black wall signed by so many big names in the Aussie music scene. Adam tells Jindera News 'it was an awesome feeling to perform on the same stage as these amazing acts'.

Since then they've been recording and writing some new songs which you will be able to hear at up coming local gigs. Mt Maze is very excited to be asked to play at the **Jindera Battle of the Bands**, saying 'it's great to see a push for local music in our community'. The band know it's not an easy or cheap thing for original musicians,

that's why they sell merch at all shows they are involved in to dampen their costs.

Travel and releasing music can be very expensive, especially for smaller self funded bands such as Mt Maze.

Come and support our local Mt Maze guys, buy some merch and rock on with the band in Jindera on **Sunday 6th October** at the Battle of the Bands.

More info pages 8 & 9

Headlines and Happenings

By Lizzie Pogson. (Secretary, RCL).

Welcome to RCL Committee

Welcome back, **Dave Cochrane**, and a warm welcome aboard to **Andrew Garratt**, both accepted to join the Committee at August's Meeting. Dave's willingness to return, with his expertise and reliable commitment, is a massive compliment to the organisation and we look forward to him restarting his involvement. Andrew, we extend a warm welcome and look forward to merging your experience, your many skills, talents and visions with ours.

The Cats Pyjamas

A big **Thank You** to Kurt who ran this Jindera event, cost FREE. Kurt offered us the opportunity to be part of, and also benefit from any takings from their pop-up Op Shop, where the Jindera Op Shop also contributed clothing. It was terrific to have our banner visible all day and into the night, giving people a chance to de-clutter their craft stockpiles, learn new skills, and just enjoy an all-round successful event. Feedback has been very positive on a fantastic initiative. We were pleased to pay it forward on this occasion, passing any sales revenue back towards covering Kurt's costs.

BLMC Mental Health Training

The next Mental Health First Aid course is on 15th & 16th October.

Business owner and Committee Member, Bjelkie Lansdown has recently set up a shopfront in our town (see pages 18-19) and is offering this date for a training opportunity to RCL Committee and Op Shop Volunteers. This is a crucial part of our overall mission to upskill the many volunteers who provide supports. Gaining additional tools from a qualified trainer, to understand and interact in a variety of situations, will only strengthen our collective confidence to assist in unfamiliar situations.

School Grants

As part of the process of updating the RCL website, we are seeking feedback from the schools we support. With increases in living costs, as with all areas that we give monetary support, the Committee are keen to know that our schools project is being budgeted with a feasible amount, in keeping with economic demand and the needs identified by the schools to help children to access opportunities they might otherwise miss out on.

For general **RCL (Rural CareLink) Enquiries** including Volunteering, Hardship, Personal Assistance and **Community Assist**.
Please call the RCL Office
0475 594 073

Centrelink Community Engagement Meeting

Through recent advocacy, Leeny has forged a relationship with Centrelink, and now has a direct link into their office, for RCL clients we may be supporting. In her role as Community Assist Coordinator, Leeny arranged a meeting at our office with Michelle Ingram, Lizzie Pogson and their Community Engagement Officer. The next step will be to hold an Information Session, with an end goal for RCL to facilitate Centrelink expanding their service reach to people in our regional area. A Centrelink worker visiting on a regular basis, could remove the need for local people's need to travel to town. This sits very firmly into our mission to provide options to enhance networks that will not only benefit our local community, but also more outlying regional towns.

Strategic Planning and Training Day

SAVE THE DATE!!!

Sunday 29 September 2024. 9.30 am- 4.30pm.

This will be an all-day event for the Committee, with a Strategic Planning morning session, fine-tuning Policies and Procedures, as well as discussion on our projected Budget. From 1.30 - 4.30pm, we will welcome our members, beginning with a brief meeting including review of Membership and Volunteer Information, which we are amending as needs dictate. Our Committee Member, Bjelkie Lansdown will then conduct a Mental Health Information Training Session. This will be a taster for her comprehensive 2 full training days, which she has on offer for us, as we are able to attend. The Committee will round the day off, with great enjoyment in providing and serving our attending Members with a delicious afternoon tea.

Hampers from RCL

RCL is very grateful to the pro-bono lawyers (FAL Lawyers, Melbourne) who assisted the organisation in 2023, with updating our Constitution and with the complexities of workplace compliance. Both lawyers were incredibly patient and generous with their time, putting themselves at our disposal so readily. To personalise our gratitude, we are gifting two hampers of local produce to be hand-delivered to their office by our President, while Leeny is in Melbourne at the end of August.

DEFIBRILLATOR'S in Jindera

ONLY 1 Defibrillator is available 24 hours a day

- ★ **Jindera Hub Building**

Other Defibrillators are available during the following facilities Open Hours

- ★ Football Club
- ★ Swimming Pool
- ★ Tennis Club
- ★ Fire Brigade
- ★ Golf Club
- ★ Anglers' Club
- ★ Jindera Medical Centre

In case of EMERGENCIES please familiarise yourself with these locations.

GPG Solar Company Meeting

GPG Solar is one of the companies developing solar farms close to Jindera. As is their common practice with other sites, GPG proposes to bring together a committee comprised of a mix of local residents and company personnel. This committee will take local grant applications, (ranging between \$75-\$100,000), for projects and /or events, which would be distributed by the group. A Community Information afternoon was scheduled for August 14th at the Jindera Hub for people to make enquiries.

We were pleased to take up the invitation to meet with 2 of their Executive, Hari Fuentes and Phillip Beattie and talk them through the multi-strands of what Rural Care Link offers to this community. Hari enjoyed a shop in the Op Shop (on Phillip's recommendation and prior experience) and found herself some lovely trinkets to take home.

Carer Support Group

By Vickie Priscina. (Carer Group Co Ordinator, RCL).

Some members of the RCL Carers Group met up at The Fox and Brew for a delicious morning tea in August. We had a lovely catch up with information being shared about Superannuation for Carers (see page 4) plus other very valuable information pertinent to the caring role. The Carer Group will **not** meet on 17.9.2024.

We will be looking forward to **National Carer Week** activities that will be happening in October.

Carers Support Group

We *usually* meet monthly on the **3rd Tuesday** of each month

Please call **Vickie - 0428 406060** for **venue** and **dates** of these meetings.

Peer support, respite & information sharing is the focus of the Carer Group.

For more information call **Vickie Priscina - Carer Group Co-Ordinator** on **0428 406 060**

Meet our new Committee Member

Jason McKenzie

Hello. My name is Jason McKenzie and as many of you may know, I have spent the last 3 years volunteering at the Rural Care Link **Op Shop**.

I have recently been approached by the Committee to take on the role of **Op Shop Coordinator**, requiring me to become a Committee Member. I am looking forward to both the learning opportunities and the challenges this new role may bring.

But a little bit of background information on me...

.... I was born and raised in Tumbarumba where I completed my Year 12 Higher School Certificate then moved to Canberra where I completed a Certificate 3 in Hospitality and started my hospitality career working at Parliament House for the next couple of years.

The next 20 years were spent living in Sydney, Blue Mountains, Brisbane, Albury and again Canberra, where I worked in Front of House, Supervisor and Management roles in events, in 4/5 star hotels and restaurants.

I moved to Jindera on a permanent basis in 2020 when we all went into lockdown with Covid 19. Along with the time I spend volunteering at the Op Shop, I now work 3 casual jobs in Property Services here in Jindera.

When I do have spare time, I enjoy spending it with family or reading a good book.

OP SHOP News

GREATER HUME COUNCIL ELECTIONS

September 14th 2024

Authorised, written by Jenny O'Neill
116 Creek Street, Jindera 2642
Ph: 0438263417 or bungord@bigpond.net.au

Referendum

Due to the large area which encompasses Greater Hume Council it is of benefit to continue with three wards.

- Three councillors elected to each ward means that each person can get to know the issues and needs of that area.
- The locally elected councillors can then pass this knowledge to the other six people.
- Those elected should be able to attend community Forum/Focus groups.
- Each resident can also become familiar with those elected to represent them.
- Having three wards prevents over representation in any one locality.

Superannuation for Unpaid Carers: The next logical step.

Carers must be supported to achieve greater economic wellbeing just like parents, according to the national peak body representing unpaid carers. Carers Australia is calling on Federal Government to improve the wellbeing and economic support for Australia's 2.65 million unpaid carers by adding superannuation to the Carer Payment. It comes after Finance Minister Katy Gallagher confirmed the government plans to introduce legislation ensuring super on government-funded paid parental leave.

While Carers Australia fully supports the move, and applauds the government for its investment, it wants to ensure those whose working lives are interrupted to provide unpaid care, are not left behind.

Data analysis shows a primary carer loses an average of \$175,000 in superannuation and \$392,500 in lifetime earnings, to the age of 67. Some who are carers for extended periods of time will lose substantially more, with the most affected 10% losing at least \$940,000 in lifetime income, and \$444,500 in retirement savings.

As of September 2023, there were 304,480 Australians in

receipt of Carer Payment, and the average length of time receiving this was 11.5 years² – significantly longer than the average length of time taking paid parental leave.

Providing unpaid care can impact an individual's employment outcomes, and over time affect the superannuation and retirement savings. Paying superannuation on the Carer Payment would not only contribute to a carer's financial security in retirement but also reduce the demand for future government expenditure on the Age Pension.

Lucy Tatchell, Carers Australia acting CEO, said: "If these changes were implemented by the current Government, we would begin to see real-life benefits for a community in Australia providing at least \$80 billion worth of care services for free to those who need it most. "Economically, people who provide unpaid care are likely to earn less than those who do not. It is time we did more for the cohort of carers who have had to give up employment opportunities to provide care and reduce their superannuation deficit."

For more information on Carers Australia go to:

Jindera Pizza Presents Jindera Battle of the Bands

UPDATE

SUNDAY 6TH OCTOBER from 3PM
at the JINDERA VILLAGE GREEN

The Jindera Battle of the Bands, presented by Jindera Pizza, is coming up soon!

We are thrilled to be able to announce we have a **number of bands** lined up for the day so far and with the cut off date for entries fast approaching we recommend you get in touch soon if you're interested in getting on stage!

Each band will be allocated 20 minutes or 5 songs to perform and with a very eclectic mix of acts on board so far we can guarantee this will be an event not to miss! Bring a chair, a picnic rug and especially your *dancing shoes!*

We've got food stalls, music and good vibes for all to enjoy!

Huge thanks go to **Beer Deluxe of Albury** who have generously donated our **1st Prize** - your own show at Beer Deluxe! Date to be confirmed to ensure it fits with the winner and our amazing sponsor Beer Deluxe. Find out more at <https://beerdeluxealbury.com.au/>

If you are interested in finding out more -
be it as a **PERFORMER** or

if you're interested in **SPONSORING** this local event ... any & all support is so welcome!
contact Holly and Mick via email on rakulivingptyltd@gmail.com or
hit us up via a direct message through [Jindera Pizza Facebook Page](#) or Instagram accounts.

Rock on Jindy!!

ANDREW GARRATT

For a Greater Hume Shire

About ANDREW GARRATT:

Living in Jindera for the past 7 years with wife Mary and children Florence, Raphael, Ignatius and Gabriel, I am an active member of the Catholic community attending St Mary's Catholic Church and our children at St Mary Mackillop College.

I have more than 20 years community engagement experience across mining, manufacturing, infrastructure, telecommunications, logistics and government with expertise in organisational communications, event management, marketing, business management and business administration. I am a proud Australian, a faithful practicing Catholic and I love where I live.

Platforms:

Patriotism

- Australia first
- Celebrate Australia Day on Australia Day

Health

- Ensuring we have sufficient health care facilities and medical practitioners to support our current and future needs

Safety and Security

- Establishment of satellite offices for police and ambulance to improve emergency response times
- Ensure the safety of children in all public spaces, pools, schools, playgrounds and libraries

Employment and Local Industry Support

- Our local council as a great place to work
- Attraction and retention of new industries and job creation in our backyard
- Thriving local businesses and revitalisation of central business districts
- Support for our forestry and agricultural industry the backbone of our region
- Marketing of our industrial estates and local expertise
- Improvements to the telecommunications network, 4G, 5G and NBN

Vital Relationships

- Strong relationships with our neighbouring councils, our state and federal members

Roads

- Ensuring our fair share for local roads

Community

- Continued improvements to our parks, gardens and recreational facilities
- Action on the Lavington-Jindera recreational shared pathway
- Preservation of our visual amenity and tranquillity
- Support for our current festivals and events and the establishment of new ones to grow our shire's attractiveness as a tourism destination

Value

- A strong return on investment for expenditure of ratepayer's money
- Rental and residential housing availability and affordability

Festival Lantern Walk & Illuminate Our Heritage

Special Museum Event

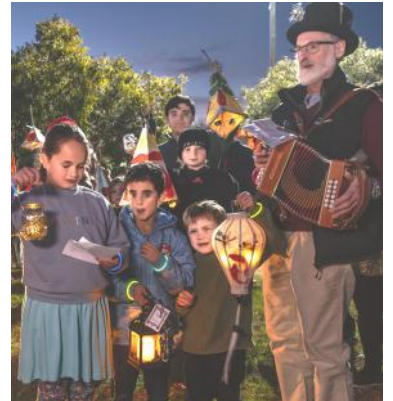

On the first weekend of August, the Jindera Museum held their first Lantern Walk, thanks to the grant received from Community Border Trust. This was held in conjunction with the Illuminate our Heritage event which saw the museum buildings lit up, with bush poetry, live music and flame twirling for entertainment.

The Lantern Walk is a winter event, held predominantly in Europe, to honour Saint Martin who was known for his compassion and generosity. The museum held 2 lantern making workshops prior to the event as well as supplying the 'Saint Martin' and the musical troupe who accompanied him on the walk.

The Jindera Theatrical Society performed the story of Saint Martin in the sound shell at the Village Green. The walk is linked to German tradition and so fits well with the heritage of the Jindera Museum.

The night was exceptionally well supported by the community, with music and singing and beautifully made lanterns. Pretzels and Gluhwein were also available at the village green, in-keeping with the German tradition.

The below photos taken for the Jindera Museum by Gary Fielder, Vanessa Hayden & Bill Thompson .

AROUND THE TOWN

UPDATE

with
Jenny O'Neill

• Playground Shade Sails

Fundraising has begun for the rest of the shade sails at the adventure playground. A **HUGE THANK YOU** to **Albury Galvanizing** and **McHardy Pinter**, both businesses in the Jindera Industrial Estate who have donated \$1000 each. - Individual donations can be deposited into the Jindera Rural CareLink Shade Sails account at Hume Bank. - BSB 640000 Account No: 111296758
A **Cake Stall** to raise funds for the playground shade sails is being held on Sat. 21st Sept. (see page 10).

• Tree Planting

The Recreation Reserve Committee is purchasing trees to be planted outside the western fence-line of the playground.

• Council Facebook

To keep up to date with Greater Hume Council news, advertising of events, notices and jobs, it is a good idea to be on the Council Facebook page.

• Australia Day Nominations - 2025

It is getting to that time of the year when Council will be asking for nominations for the various awards to be given out on Australia Day. These include Young Citizen, Citizen, Sports Volunteer, Sports Person/Team of the Year, Event/ Community Project. It has been disappointing in the past years to only have a few nominations across the categories. Surely there are lots of potential ideal nominees! Look around your club or organisation and at individuals you know in our local Jindera community.

• Op Shop Donations

Thank you to the donor of two office chairs two weeks ago on Saturday afternoon outside the Op shop. Unfortunately, four boys decided they made ideal means of transport and they were dumped in Dight Street and at the sports oval. - **Donations** are best left during the week when the shop is open so this doesn't happen.

Friendship in Action

Jindera Preschools Wattle tree is in full bloom and inspiring our children to play, explore and create with its colour and flower. The Wombat Children have recreated our much loved wattle tree using crumpled yellow paper and pencils.

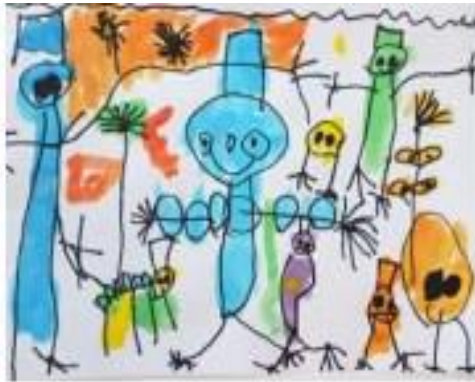

The children are investigating the wattle segments, and stalks. They are feeling its texture, exploring its strength and seeking information through hands on play experiences and investigations.

We are connected and inspired by our natural environment.

Thank you to the generous families who donated ceramic tiles to our preschool.

The children are exploring creative design, mathematical concepts, and structure.

We are celebrating all the important and valued Fathers, Pops, Granddads and Pas in our lives.

Thank you for all that you do!

Enrolments for 2025 are filling quickly!

If you are seeking a preschool position for 2025, please contact Jindera Preschool on info@jinderapreschool.com.au

Positions are limited for our three year old and four year old groups.

Jindera Co-Work Space: A Hub for Local Business Community

Jindera Co-Work Space is more than just a place to work - it's a vibrant community designed to support professionals, entrepreneurs, and small business owners in the Jindera and Albury-Wodonga region. With modern workstations, well-equipped meeting rooms, and high-speed internet, it's the perfect environment for collaboration and productivity.

As a local business owner, Bjelkie, wanted to set up a business to support others and provide a safe, vibrant and local space to base her health and safety and coaching business from. BL Management Consultants (www.blmc.com.au) provide a range of training programs focused on workplace health, safety, and wellbeing. Courses are evidence based to have impact and include Resilience First Aid, Mental Health First Aid and Health and Safety Representative Training. Bjelkie aims to empower individuals and organisations to thrive in challenging environments.

You are invited to explore the opportunities at Jindera Co-Work Space, where you can connect with like-minded professionals and access valuable resources to grow your business. Bookings can range from a quick 1 hour meeting through to permanent bookings on a regular basis (see page 19).

For more information, visit our website at www.jinderacoworkspace.au and follow us on Facebook.

Hume and Hovell Bicentenary *charity walk* up Table Top Mountain

On 17th October 1824, Hamilton Hume and William Hovell, with 6 other men, left the Lake George District near Yass to explore the countryside between there and Port Phillip Bay. On Saturday 13th November of that year, they camped at the northeastern foot of a mountain, known as Mulyan yar Gunyah to the local Wiradjiri tribe, meaning 'home of the eagle'.

Hume and Hovell named this mountain Battery Mount. From where they were camped, it resembled a fortified gun battery because of its sheer cliffs and square corners. The name "Battery Mount" fell into disuse in the 1850's.

People had started calling it **Table Top Mountain** because of its distinctive skyline and the fact that it was part of **Table Top Station**, then owned by Elizabeth Mitchell.

Sundays were rest days for the explorers, so instead of continuing their southward trek, Hume and Hovell used Sunday the 14th November to climb the mountain for a better view of the surrounding countryside. William Hovell wrote a detailed description of his observations from the mountain top in his expedition journal.

To commemorate the bicentenary of Hume and Hovell's climb of Table Top Mountain, Albury North Rotary Club is organising a charity walk up the mountain on **Sunday 17th November** to raise funds for the **Albury Wodonga Cancer Centre**.

As part of the commemoration, a cairn will be erected on the summit. Participants will be able to participate in its construction by placing a stone in the wire mesh frame of the cairn. (see advert above).

Entry for the walk will be **\$25 per car**.

For more information: <https://www.facebook.com/events/> or email: rouvrayw@bigpond.net.au

PROBUS Monthly News - by Helen Squires

Introduction - **Probus** is a club for retirees and aims to promote growth, development and support for former professional and business people fostering the true spirit of Probus - FRIENDSHIP - FELLOWSHIP - FUN.

The Henty Probus Club meet on the 2nd Wednesday of each month at 10.am at Henty Bowling Club. Membership is \$30 p.a. *Anyone from Jindera would be very welcome to attend our meetings.*

For more information - www.probusouthpacific.org or contact: Yvonne Booth 0428293193 - Kevin Fogarty 0428293480

The **Henty/Culcairn Probus Club** met at Culcairn Bowling Club on **Wednesday 14th August 2024**.

Our five minute speaker was Kelli Penfold, who told us of her adventure to Alice Springs. We learned of the Larapinta walking trail and the Alice Springs Beanie Festival and their more than 6,000 entries. There was also a tea cosy section and a pet beanie section, and an art gallery with demonstrations on making felted beanies. There was lots of food for sale, beanies were for sale and 200 volunteers to operate the project, with at least six check out machines. Warren presented Kelli with our Probus pen as token thank you for her effort.

For morning tea we had special biscuits from the Philippines presented by our guest Clayton Strong, CEO of the Sydney Seafarers mission, the group to which we have given 1,005 beanies from our recent competition. We sang sea shanties and Kevin recited a seafarer poem by John Masefield. Margaret Pumpa introduced Clayton Strong who was raised at Ladysmith, went to Wagga Wagga high school, has been in the food industry and has travelled the world. Clayton's family were farmers and his father was keen on football and ran in the Stawell gift.

The Seafarers Mission has been in Sydney for over 200 years. There are thousands of people working on cargo vessels and cruise liners. The needs these folks have from the Seafarers mission are to make life a little easier particularly when in port. They need transport from industrial areas of ports, somewhere to deliver parcels, to play table tennis and pool and someone to listen. The people of Seafarers' mission serve all faiths and all nations, they support everyone and are open 7 days per week. The donated money and goods are carefully used to do the works of the mission.

Lois Biti was our person to thank Clayton for his effort in his presentation to us and mentioned that the beanies had lowered her family wool collection, and that she too had grown up among his family members. Lois made 170 beanies towards this project and Kevin Fogarty made lots too. Everyone was thanked for their efforts.

Next meeting will be **September 11th at Wagga Wagga** for a pre paid luncheon and **October meeting** will be **9th October at Henty**.

We love having guests, perhaps you will come and enjoy the friendship too.

Principal: Brad Moss

Term 3 has been super busy, and we are only halfway!

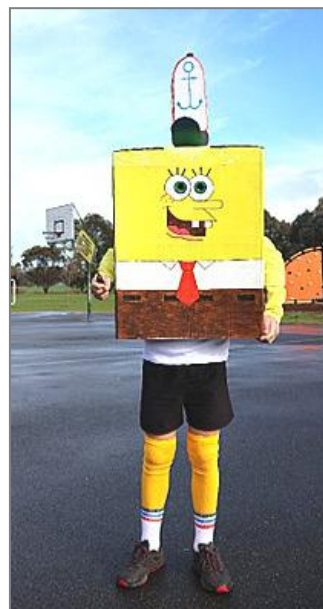

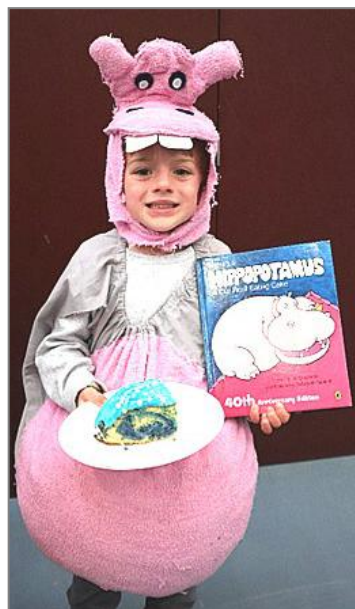

We have had some amazing learning experiences during the term with a few special events thrown in such as 100 Days of Kinder, Book Week and Year 5/6 Canberra Camp, to mention a few.

We also have a very special event coming up on Thursday 5 August at 6:30pm with the Watoto Children's Choir performing for our community in the school hall. This is a free event and we welcome the Jindera community to come and experience a truly wonderful performance.

Book Week

Reading is Magic!

What an amazing display of creativity, enthusiasm and joy we experienced at our Annual Book Week Parade. We had costumes from 'There's a Hippopotamus on Our Roof Eating Cake' to 'Click Go the Shears' and everything in-between. Our students and staff had a wonderful time dressing up and thoroughly embraced this year's theme of 'Reading is Magic'. We would like to acknowledge Jess Racleyst as the artist and © The Children's Book Council of Australia for their amazing work.

Kindy 100 days

The Kinders made it to 100 days!! What an achievement. They celebrated by having a day of dressing up with games, activities and all things 100-related! They made special crowns, wrote about what they have learnt after 100 days of Kinder, counted to 100, ordered numbers to 100, made 100 number posters, read a 100 book and saw whether it takes 100 licks to eat a lollipop. We cannot wait to see all that the Kinders will continue to learn and how they continue to grow over the next 100 days!

Top job, Kinders; we are so proud of you!

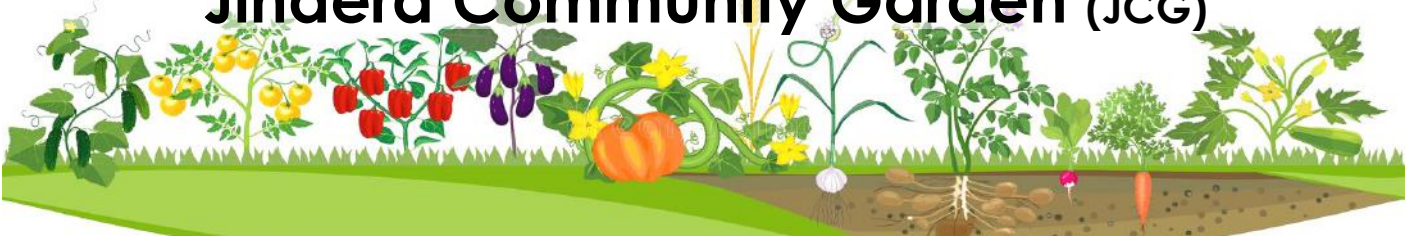

Year 5/6 Canberra Camp

What an awesome Year 5/6 Canberra camp our students, staff and St Paul's Lutheran Primary Henty friends experienced earlier this month. The days were filled with curiosity, fun and learning.

Venues visited included the Australian Institute of Sport, National Electoral Education Centre, Museum of Australian Democracy (Old Parliament House) and Questacon! Day two was just as busy with an informative and thought-provoking day that started at the Australian War Memorial where they heard and saw stories of bravery and courage. This was followed by a visit to the National Capital Exhibition where students learned about the history of how Canberra came to be, then the day finished with a tour through Parliament House. The last day was spent enjoying some activities at our accommodation, Warrambui Retreat and Conference Centre, before packing up and heading home!

Jindera Community Garden (JCG)

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read [here](#) each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message - Eileen at JCG on Ph: 0400 023 290 or email jinderacommunitygarden@gmail.com.

Spring has Sprung

Now we have the spring weather upon us, it's the perfect time to think about what we should plant in our garden to attract **Bees** for a productive and blooming garden.

There are several flowers that will bloom all Summer like ..

Petunias - Zinnias - Marigold - Coreopsis

Plant your seasonal vegetables that you love to eat yourself or swap different vegetables with your neighbours. You can plant your vegetables in between your flowers if you have room. HERBS play an important part in your garden and your meals.

Our Coffee Breaks

Yes, we do get out and socialize - *mostly Saturday mornings* - so, if anyone would like to join us just give me a message

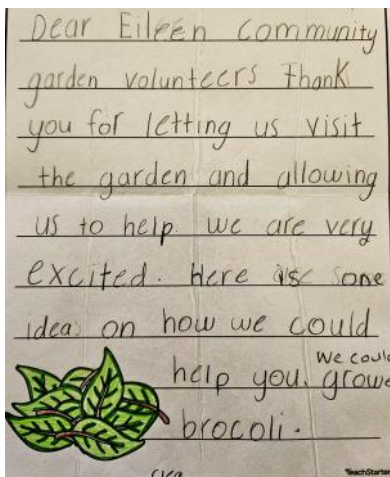

Letters to Eileen

I received some lovely letters from St John's Year 2 children.

It's a shame I can't post them all for the kiddies we so excited about the garden.

They will be coming again soon so they can touch up some of their artworks which has faded from the weather.

We are look forward to seeing their happy faces.

Vegetables - Salads - Diets

No matter what diet plan you go on it all comes down to Eating Vegetables and Salads that you can pick from your garden.

So... PLANT

OUR GARDEN SHED

How Exciting Our Garden Shed is getting a new facelift many thanks to the generosity of **eGarage Systems** Garage Doors, 353 Urana Road Lavington.

What a wonderful working partner Glen Hartley has, her name is "Nat" ... Natalie.

Amazing generosity these two have, with making time and effort to show us their skills in installing a new roller door and shutter windows, so we can utilise the shed in a more convenient way.

eGARAGESYSTEMS

Well Done Glen and Nat. I'm sure anyone would be happy with your professional team effort.

Water Water Water

Water is very precious and expensive so think about how you're going to water your plants wisely. Planting close together with flowers and Vegetables as well as mulching will help.

Once you carry your own water, you will learn the value of every drop.

JINDERERA

• PIONEER MUSEUM •

It has been a busy month at the museum starting with the **Illuminate Our Heritage Festival** and the **Lantern Walk** on the first weekend. Thanks to the Jindera News for the wonderful colour spread to commemorate this event (see page 12). We hope to continue the Festival again in future years as the Lantern Walk particularly has its roots in German history.

We are continuing to work on our fund raising for the new building development at the museum; we will hold a **Movie Fundraiser** on **Thursday 12th September at 6.30pm** at the Cinema Centre (see page 25). The movie **'Thelma'** will be screened for this event. This comedy

depicts how a 90 year old grandmother deals with the perpetrators of a scam that she has fallen for. It should appeal to many, for several reasons, but it is also a great way to support the museum while having a lot of laughs with friends and supporters. We would like to fill the theatre so bring along family and friends. Tickets are available on Trybooking.

The museum will also launch the new website this week which will have a strong focus on the partnership program available for people and organisations to donate to the new development at the museum. This is a big endeavour for the committee and membership and we hope the community will get behind us to support this new development which will allow the museum to cater for more people and more programs. It will also see the **Jindera Cottage Crafts** move into new premises and make their crafts available whenever the museum is open, not just a few hours a week. It is an exciting time for the museum but one that needs faith and support for it to be achievable.

We were certainly aware of how desperately this new space is needed this month with several of our busiest weeks for school visits. Large groups of school children come to the museum on excursion, studying history and community.

The unpredictable weather makes it very difficult not having a large undercover area. The weather has turned out quite mild but certainly there have been days when we were glad there were no students due to the cold and wet weather. The large number of school visits continue into September.

Our **Spring High Tea** will be celebrated at the end of this month – **Sunday 29th September** from **2pm** (see page 25). Our High Teas are very popular, being very reasonably priced and offering all home prepared delicacies, from savoury morsels to a wide variety of sweet treats. Should you decide to attend, your afternoon

will start with a glass of bubbles and then the lovely wait staff, in period costume, will attend to you throughout the afternoon. Our High Teas are delightful events that are very popular; if you would like to attend, don't leave it too long as they book out quite quickly.

We have been very fortunate to have **Sancon Civil P/L**, our local earth-moving and civil engineering company, prepare the site for our new machinery shed, which we are hoping to have erected prior to Christmas. Sancon have graciously supported the museum, preparing the site at no cost, which we are extremely grateful for. The shed is due to arrive this month. The new shed will house several pieces of machinery that at present reside outdoors, which is detrimental to their well-being. This is particularly the case for the **chaff-cutter** from **Granite Hill**.

This chaff cutter, in its days of operation, was transported around the district, cutting chaff for many farms. Chaff is cut from the straw left over after removing the heads of the crop for the grain. The stalks are cut into small lengths and often mixed with other products, such as molasses, to make it a more palatable fodder for sheep, cattle and horses. This chaff cutter was utilised extensively in the district with several men travelling with it to operate the process. It has been a great acquisition for the museum given its history in the district.

We hope you can visit us at the museum or join us at one of the events this month.

JINDERA PUBLIC SCHOOL

Our Purple People say NO WAY to Bullying

The students and staff of Jindera Public School recently donned their best Purple outfits to take a strong stance against all forms of bullying. The students joined with thousands of schools across Australia to support a weeklong bullying awareness program 'Bullying NO WAY'.

The whole school dressed up in purple to raise awareness around Bullying. Each day our classes discussed bullying in its different forms and a range of strategies to effectively stop it.

When it comes to bullying, we're saying **NO WAY!**

Our Positive Behaviour for Learning focus over the next fortnight will be 'Kindness is Catching'. Every class across the school will be discussing, role-playing and practising lots of ways to show kindness to each other, our families and friends and our environment.

2025 Kindergarten Enrolments NOW OPEN!

Wonga Wetlands Excursion

Stage 2 travelled to Wonga Wetlands for a history and geography excursion, where they compared farmlands against wetlands and built gunyahs. Before returning to have a play at the Jindera Park, students went for a walk around the red walking track at Wonga, trying to spot some native wildlife.

Brekky Club

Our school's breakfast club program provides a nurturing and supportive environment for students to start their day off right. Before the school day begins, students can enjoy breakfast together, setting a positive tone for their learning. The breakfast club program not only ensures that students have a healthy meal but also fosters a sense of community and belonging within the school.

Education Week

During Education Week, our school community came together to celebrate the importance of education. Parents, caregivers, and the wider community were welcomed to visit our open classrooms and observe the learning experiences of our students. The day was filled with exploration, engagement, and connection as we joined in engaging maths games within our school. Everyone enjoyed a delicious BBQ, strengthening relationships and bonds within our school community.

GREATER HUME COUNCIL REFERENDUM INFORMATION

A constitutional referendum will be held on **Saturday, 14 September 2024** for electors to consider whether the Council area should continue to be divided into wards.

All Electors will be asked to answer “yes” or “no” to the following questions:

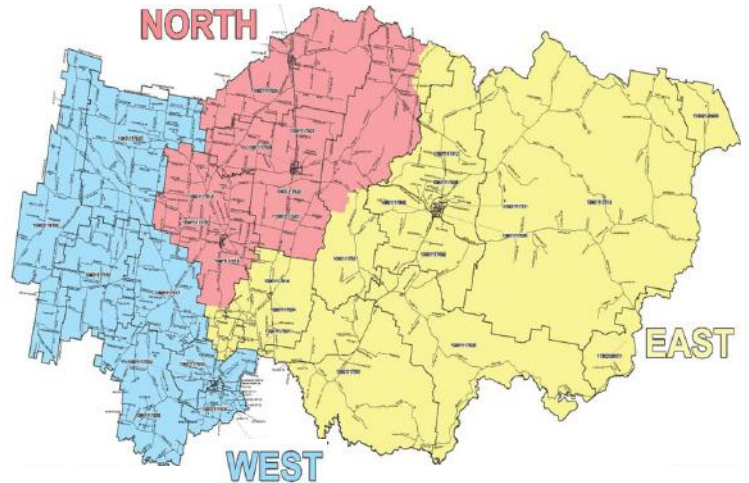

Currently Greater Hume is divided into **three wards** that **elect 9 Councillors** in total.

Do you favour:

1. **Abolishing this ward system in favour of a single area consisting of all voters that elects 9 councillors?**
2. **Making no change to this system; That is three wards and 9 councillors remain?”**

If the removal of wards is supported by a majority of formal votes cast at the 2024 election, the 2028 local government elections would be conducted as an **undivided area** (without wards).

For more information on the Referendum, go to <https://www.greaterhume.nsw.gov.au/>

This **October, Mental Health Month**, Beyond Blue is inviting you to fight the stigma of mental health *one meal at a time*. Host your guests, share a meal, start meaningful conversations and help raise funds for those facing anxiety, depression and suicide.

Getting together for a meal with friends, family and co-workers can do wonders for your mental health - and now, it can help people all across Australia! Nearly half of us will experience a mental health condition in our lifetime — so let's ensure that no one struggles alone.

Whether hosting a pot-luck lunch at home, decking your office out in blue, or having a picnic in the park, each meal you have can lead to life-saving conversations.

Receive a free host kit with conversation starters, decorations and more to help you host a **Big Blue Table**. Register yourself, workplace or school at bigbluetable.com.au

2024 LOCAL GOVERNMENT ELECTIONS

On Saturday, 14 September 2024, Greater Hume Council will conduct **councillor elections** to elect 9 councillors to serve for a four year term.

A **constitutional referendum** will also be held for electors to consider whether the Council area should continue to be divided into wards.

Regardless of whether your ward is contested, all electors are required to still vote on the referendum.

Ski Trip

Recently on a cold and dark Friday morning our Year 9 to 12 students embarked on a bus at 6am, headed for Falls Creek for the annual SMMC Ski Trip. Many a good conversation were had and songs sung on the way before arriving at the ski fields bright and early for a day of skiing, snowboarding, snowman making and snow ball throwing!

It was a wonderful day enjoyed by all with some hitting the slopes for the first time and other, more experienced, skiers and snowboarders demonstrating their skill on the snow. After a long day, everyone reembarked on to the bus back to Jindera, tired but with a grateful heart for a wonderful day out and experience shared with school friends.

Book Week

Each year our primary students do a wonderful job dressing up for the Book Week Parade, and this year was no exception. Students dressed up as characters from many different children's story books, showing the wide range of literature our students read and know. Well done again SMMC primary students!

Greater Hume Shire Elections

VOTE 1

WEST WARD
September 14, 2024

ASHLEY LINDNER

VALUING PEOPLE

VALUING FAMILY

VALUING COMMUNITY

... A 6th Generation Family that is still passionately committed to community & rural living.

A vote for Ashley is a vote for:

- Honesty
- Reliability
- Confidentiality

These 3 qualities I committed to during my first term on council and will continue to do so should I be elected on September 14. And yes, I choose to make them part of my political conversations and life.

Highlights of my first term in council include:

- # **Advocating for ALL communities**
- *irrespective of size and population*
- # **Transparence in funding distribution**
- *ensuring ALL communities are included*
- # **Prioritising our road network**
- *safety and ease of commute is paramount to ALL communities*
- # **Instigating the 'Funding Allocation Tool'**
- *a framework and criteria to assist ALL communities gaining funding for essential community projects and infrastructure*
- # **Working collaboratively**
- *with the Mayor, Councillors & Council Management, to obtain the BEST outcomes for ALL residents and businesses*

REFERENDUM

I will be voting to end the current ward system - to move forward as a whole, Councillors need to wear their 'My Shire Hat', as opposed to a 'my town' or 'my ward hat'.

Jindera CWA News

September 2024

CWA OF NSW AWARENESS WEEK will be held from Sunday 1st September to Saturday 7th September.

Awareness Week provides the CWA with a platform to draw attention to the issues and challenges facing our regional and rural communities. It's also a chance to encourage thought and debate at a local and state level around solutions to such challenges.

2024 will highlight the ongoing crisis around gender-based violence – including domestic and family violence.

COUNTRY OF STUDY for 2024 has been **FRANCE** – Branches have been learning about this country with guest speakers and enjoying sampling food and culture. France is one of the world's major powers, the largest country in Western Europe and the European Union and one of the five permanent members of the United Nations.

Famous for its fashion, perfumes, sporting prowess, and unique culture. Highlights of the French year include Paris Fashion Week, the Cannes Film Festival, the French Tennis Open, the Tour De France cycling race and **2024 Olympic Games.**

ALL BRANCHES AND GROUPS HOLD ANNUAL GENERAL MEETINGS IN OCTOBER.

**JINDERA BRANCH
WEDNESDAY – 2ND OCTOBER IN
SCHOOL OF ARTS HALL AT 10A.M.**

MURRAY GROUP 61ST AGM WILL BE HELD AT HOLBROOK on 17th OCTOBER - State President Joy Beames will be attending.

Yours in CWA Friendship,
Bev. Blair
Publicity Officer.

CWA members dressed in red, white, blue - celebrating France

Stitch and Chat Craft Group

This group meets on the first Wednesday afternoon of each month at 2.00pm at the Jindera Hub.

All welcome, just bring whatever you are working on & come along for a chat and cuppa.

We usually finish around 3.30pm

The Power of Sand Play

Over the last 3 weeks we have watched some amazing engineering and design happening in the sandpit. The thought, cooperation, planning, resilience and persistence involved in making these channels and bridges in the sand pit is extraordinary. So much STEM (Science, Technology, Maths) is happening in this play. We continue to allow children to use water in the colder weather and to take an active role in making sure that they take time to warm up when they get cold or to get changed after they have finished playing if they get muddy.

Art

"Art should include the process of material inquiries, including the steps taken by children to understand, make sense of, and create meaning in their world. The way children interact and engage with objects, and the world around them is a large part of their artistic process". This is a quote by Nadia Latin in "Respecting children's art: Nurturing creativity and autonomy" Amplify, 2023. It has provoked change in how we see the provision of art at Little Saints and how greater access to art process' including the paints, clay, the tools to expand on ideas as well as the space to create.

This led to our art space widening and easier access to the art media, usually stored away in a cupboard for Educators to decide on colours for the day. But what if we handed the decision to our learner? To the artist themselves. To make colours by experimenting with mixing. To combine media and using paint with the collage. But in this right to express themselves through art we also promote responsibility. To take care of our resources- to clean up spills and minimise waste.

I feel a little like the baton has been handed to your child. That we value their thoughts and ideas and the right to choose. We are here to support. To guide. We look forward to seeing where this leads our future Picasso's. The Anh Do's and the Michael Angelo's.

Our Olympic Tally Project is Off and Running (no pun intended!)

The children have really enjoyed using skills such as research and technology to find out the numbers of medals countries have won. We have had some great discussion about sports they have been watching at home- from water polo, gymnastics, skateboarding, diving, swimming and BMX racing. The children's recall and description of these sports have been detailed and confident.

We have then been able to really observe the numeracy knowledge of our class- knowing the numerals, recognising the drawing of medals and counting them either out loud or instantly knowing the number by sight. We have been counting on when we add medals and looking at concepts of more /less/equal.

We have used this intentional teaching moment to identify numeracy concepts to the children. That they are "doing maths" when they are doing this. The EYLF tells us that experiences in early childhood settings build on the numeracy that children have within their families and communities. This positive attitude is a great foundation for life-long numeracy learning. It all starts here!

It's funny how we can have these great teaching plans on where children can learn from the Olympics events and the children themselves steer the learning to other directions. After the children had followed up their own interests in making their own medals the conversation was extended to real medals and what they felt like. Miss Amy brought in some real medals and the children were able to feel how heavy they are and how the colours are different between them. Mrs Belinda shared with some of the group that she has held an Olympic medal from Dylan Alcott for his win in the Paralympics for wheelchair basketball. It was VERY heavy!

Little Saints on Country

Through the expansion of this program to 3 mornings a week we have noticed that the children are actively engaging and extending their play with the natural resources. The Educators are scaffolding their learning though using small group discussions on the environment and current interests to foster learning opportunities.

This has included making fairy homes with sticks against the trees a bit like the big school kids bases. They even added some grass on top of the roof! Other children rolled the mud into clay balls a bit like the clay in our art area. A few of the children were part of a hunt for gum nuts and sticks to add to the oral story telling of 'Wombat Stew' for the chewy insects part of the story. We will keep going to Little Saints on Country for a few more weeks.

Committed to our region.

Local student CRUZ SMITH cuts hair to raise money for *Kids with Cancer*

Kids with Cancer
Wigs4Kids

Cruz Smith, a Jindera local, has been growing his hair for 5 years. The day he celebrated his 10th birthday was also the day his 5-year journey came to an end. As a five year old, Cruz was inspired by his mate Archie Mahon who fought childhood cancer.

He cut his 60cm long hair to donate to **Wigs for Kids**, a charity that makes wigs for children aged 6-18 who are undergoing cancer treatment. He has also been fundraising much-needed funds for the Kids with Cancer Foundation.

He has far exceeded his original \$500 target, at the time of writing, he has raised \$3,343. The Kids with Cancer Foundation raises money for families who have children undergoing cancer treatment. It provides financial support to families, funds the making of wigs for children, supports hospitals in improving their facilities, staff, research, and more.

The **Kids with Cancer Foundation** also provides support to **Bear Cottage**, the only children's hospice in NSW and one of only three in Australia.

Cruz last had his hair cut for his first day of Kindergarten back in 2019 and has been growing it for this very special cause. Cruz had his St John's school community surround him in support at the moment he cut it off, marking a very special birthday lunch that we are all sure he won't forget.

Cruz wants to thank everyone who has and continues to support him in this quest, everyone who has donated, and everyone who has said very kind words.

Cruz still has his fundraiser open for donations - <https://fundraise.kidswithcancer.org.au/fundraisers/CruzSmith/wigs-4-kids>

JINDERA RURAL FIRE BRIGADE

by "Poppa Pomegranate"

With the warmer and very windy weather we have been experiencing our **Captain Graham Yensch** reminds everyone "there is potential for fires to spread fast under these conditions. Our **Bushfire Danger Period** is due to start on the **1st of November**, but this may change depending on the weather over the next few months".

He also said, "that even though we are still outside of the bushfire danger period landowners still need to notify their neighbours, and the NSW RFS 24 hours prior of burning off".

You can do this online using the following link:

<https://www.rfs.nsw.gov.au/fire-information/BFDP/burn-notifications>

or point your smart phone camera at this QR Code to link you to the NSW RFS notification site:

We have had a few callouts to small fires in the Jindera Village and surrounds recently; notifying your neighbours and the NSW RFS that you are burning will be a great help to us to *prevent unnecessary call outs*.

If the NSW RFS knows about a fire before you light it, they do not always have to call us out. If you have any doubts about lighting a burn off, please check with the Brigade first or do not light the fire until the weather conditions will allow you to control the fire at all times.

With Spring now with us you may see the trucks out a bit more as we continue to **train and prepare** for the coming fire season. As you are preparing your garden again, please use your Green Bin (if you have one) to help reduce any potential fire fuel on your property.

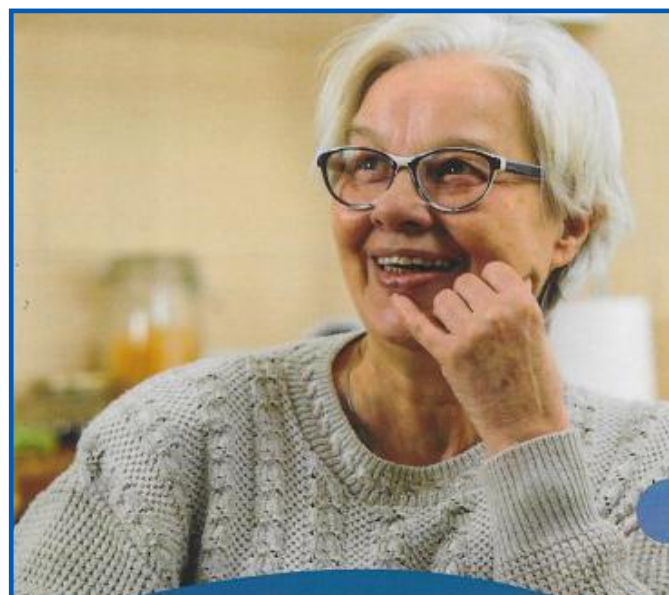

Over the next few months, Jindera RFS will be providing more information on how to make your property fire safe this year. You may see the Brigades in the Albury area holding events for the NSW RFS **Get Ready Weekend** in September. They are great events to attend, and you can pick up great resources to help you prepare your **Bush Fire Survival Plan**. Remember we all live with bushfires, and we need to be ready for them this year.

The NSW RFS will be holding information sessions as we get closer to the Bushfire Danger Period.

Keep an eye on the **Jindera Fire Brigade display board** at the station as we get closer to the Bushfire Danger Period as you will soon see the fire danger rating for the day returning.

The Brigade is always on the look out for **new member's**, so if you see us at the Jindera fire station drop-in and have a chat to us. We have many roles that you can help us with if you do not want to get on a fire truck.

Thank you to the local Jindera community for your ongoing support of the Jindera Fire Brigade.

NBN (National Broadband Network) Upgrade for Jindera

Upgrade work will soon begin on the nbn® Fixed Wireless network in Jindera to provide access to **faster speeds and extended coverage**.

The tower upgrades will mean some planned outages that may impact homes and businesses and their ability to use their nbn service while the work is underway. nbn is looking to minimise service interruptions as much as possible however there may be occasions when towers are taken offline for technicians to complete physical works, such as installing new hardware and replacing existing technology on the towers.

nbn apologises for the inconvenience and thanks the community for their patience while the work is underway.

After the tower works are completed, nbn expects that faster download speeds – particularly during the busy period – will become available across the nationwide nbn Fixed Wireless network.

nbn is also working with retail service providers to progressively introduce two new high speed plans in eligible upgraded locations, with wholesale download speeds up to four times faster than what was previously available on the nbn fixed wireless network. Faster speeds means you can do more online, with more devices at once, with less buffering.

For more information, to find out what services are available in your location and to register for updates, customers are encouraged to visit the nbn website www.nbnco.com.au/check

We would love to hear from you if you have any news of interest to our local community!

Please email your article to jinderanews@ruralcarelink.org.au or to Rural Care Link, The Jindera Hub, Urana Street, Jindera

Telstra Tower Relocation Update

Farrer MP Sussan Ley joined with local GHC Councillor Jenny O'Neill and other community members at the Recreation Reserve on Monday 26 August, expressing concern with ongoing patchy and unreliable Telstra mobile phone coverage around Jindera.

Telstra has had approvals in place since January to install 4G/5G antennas on the existing Optus tower at the reserve, a move which would dramatically improve the telco's range and signal strength outside the town boundary.

Ms Ley says Telstra - which recorded a \$1.8b operating profit last year – informed her it did not have the budget to do the work, with a possibility the connection could now be pushed back to 2026!

“Telstra needs to get moving on this”, Ms Ley said. “We have one of the border's fastest growth areas here in Jindera (increasing about 4% pa), with Greater Hume Council projecting the population could hit 8,000 by 2050. “Right now, Telstra is really letting this community down, with Optus and NBN routinely delivering far better coverage.

Optus Regional Manager Matt Connell attended the community meeting and outlined the company's **free 7-Day Mobile Network Trial***, which allows anyone to keep their existing phone (accessing Telstra) but switch to the Optus signal when this was stronger. “Customers with a relatively modern phone can effortlessly enroll in the trial and switch between their current provider and Optus, allowing a direct comparison without any disruption to their existing service.”

Meanwhile NBN says it plans to enhance and expand its Fixed Wireless footprint on their separate tower in Jindera by December this year.

Jindera AUSKICK ends another GREAT YEAR!

What an incredible year it's been for Jindera Auskick! With **120 enthusiastic kids** participating, our program has been nothing short of a success. We kicked off the season with loads of fun, and it only got better from there. Our kids had a blast at the Rand Carnival, where happy faces were everywhere. The joy was infectious as they played their hearts out, showing off the skills they've honed throughout the year.

Our **amazing coaches** deserve a huge round of applause for their dedication and passion. They've been the backbone of our program, ensuring every child had a fantastic experience, learned new skills, and built confidence on the field.

A new committee has joined the crew, so look out 2025. Each child went home with a medal around their neck, a goodie bag in hand, and a big smile on their face.

Excitingly, we're looking to the future by introducing U12 and U14 teams, and there's even talk of a possible U17 girls' footy team. We can't wait to see what next season has in store!

Thank you to all the kids, parents, volunteers and coaches for making this year unforgettable.

Happy Kicking - See you all in 2025!

U12/U14 GIRLS FOOTBALL

We are excited to announce that Jindera is expanding its football program and looking to form dedicated U12 and U14 girls' teams for the 2025 upcoming season! With the AFL North East Border Female Football League.

We want to promote the growth and development of girls in football, we invite young female athletes to join us and be part of something special.

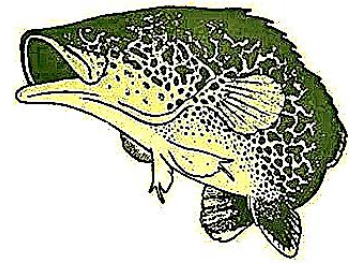

JOIN US ON SUNDAY OCTOBER 27th FOR A COME-AND-TRY DAY AT 10 AM @ JINDERA OVAL and a free sausage in bread and drink to follow

Please register your interest via email at FFCjindera@gmail.com.

Laz Pelli Cod

Clubhouse looking fresh

With August nearly done and already in “spring” weather, our club tournaments are now just around the corner, with the ladies “2 Ball Ambrose” to be held on Thursday 5th September and the men’s 2 day event on Saturday the 7th September – Men’s and mixed 2 Ball Ambrose - and Sunday the 8th September – Men’s tournament A, B, C grade. - See flyers **page 47** for details.

The clubs annual bus trip took place on Sunday the 18th August which saw 27 players journey to Lockhart to take on the wide open spaces of the Lockhart Golf Course. This was a really good day, with the course in very good condition, well maintained and a delight for the big hitters. Thanks go out to the Lockhart volunteers for their hospitality and work in getting the course ready, also to IGA’s Bob Mathews who sponsored the day from the Lockhart side of things.

Thanks also to Craig McMillan for organising another successful day, Ward Peffer for driving the bus and David Gray for taking a car-load and trailer with golf buggy’s etc.

The men’s August Monthly Medal – and last round of the Men’s club championships - was held on Sunday the 11th August with 25 players taking part.

Garry Spurr won the medal on a countback from Gary Samios with a score of “Nett” 68.

This was also the 5th and last round of the club championships, with results as follows: -

- A-Grade Scratch & Club Champion** - Simon Cossor
Nett -Greg Allen
- B-Grade Scratch** - Alex Christensen **Nett** - Peter Penny
- C-Grade Scratch** - Jeff Donny **Nett** - Aaron Melbourne

The ladies “9-Hole” monthly medal was held on Monday the 5th August and won by Heather Chaston with “Nett” 37.5.

For those interested in playing in the Ladies competitions, it is run over two days – Sunday and Monday – and includes both an 18 and 9 hole competition, for those who only wish to play 9 holes.

Please email admin@jinderagolfclub.com for any enquiries.

Members can now book and register for a comp by going to the website - <https://jindera.1golf.com.au/welcome/index.mhtml> or visit the Jindera Golf club website – www.jinderagolfclub.com > Events and click on the link.

In the meantime, current comps are as follows: -

- **Sunday – Men’s 18/9 holes**, event according to calendar on website Tee-off 11.30/12.00. (8.30/9.00 from October)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00.
- **Friday – Chook Run – 9 Holes**, , Open to all, 2.30 to 3.15pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$10.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors. For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Annual memberships become due on 31st March and cost **\$140.00** (inc. GST), Juniors **\$35.00** (inc. GST)

Jindera Tennis Club

By Warwick Horsfall - President

The summer tennis season is fast approaching, and the tennis club is feverishly preparing for its commencement. Mark the following **important dates** in your diary for what's upcoming:

On Sunday **September 15** the club is providing the courts for a fundraiser **Family Tennis Tournament**. This event is being conducted by the Country Hope charity and commences at midday. Entry fee is \$25 and the day commences with a BBQ at midday followed by tennis at 1.00pm. For more details of the fundraiser see **advert below** or go to their website: <https://onkey4kids.countryhope.com.au/>

September 18 marks the start of informal **Wednesday night tennis** under lights at the Jindera courts. This popular weekly event is undertaken on a casual basis and provides the opportunity for those wanting a hit of tennis but don't want to commit to the Saturday competition. You just have to turn up and play when it suits you. It is very social and a good opportunity to meet other local tennis enthusiasts. For more information have a look at the club's **Facebook** page, website or contact **Andrew Williams** on 0423 886 600.

The club will conduct an **Open Day** on **Sunday September 22** to present itself to those wanting to know more about what is on offer. More details about this day will be advertised shortly. Come along and meet some tennis players and have a hit! You might even want to jump in and sign up for the season!

The **Saturday competition** commences on **October 12** just after the school holidays. The club will be entering teams in all sections of the competition. It's not too late to become part of one of the teams. You can play pretty much as often or as little as you like. Come and experience the highs and lows of participating in a team sport. The club is expecting to have a big year! For more information have a look at the club's **Facebook** page, website or contact **Jeff Donney** on 0438 338 278.

The club has various forms of membership to try and cater for everyone's needs. These include adult, junior, family and social membership. The membership fees for the 2024/25 have been established as follows:

Adult \$60pp **Note this will increase to \$80 on 1st Nov.**
Family \$140 For two adults and up to four children (juniors).
Junior \$50pp Under 18 yrs & no ball fees for Sections 5 & 6.
Social \$25pp For non-playing members.

Junior members may be eligible for a **voucher** from the NSW Government to the value of \$50 (subject to conditions). The voucher is redeemable at the club and effectively makes junior membership free!

Members have 24/7 access to the courts for unlimited tennis at no cost.
Non-members can hire the courts as required.

EPIC PRIZES TO BE WON

JINDERA COMMUNITY FORUM

COMMUNITY MEETING

at

JINDERA SCHOOL OF ARTS

(109 Urana Street)

TUESDAY, OCTOBER 15 at 7PM

Come and join a group of locals who are interested in our community and its people and who would like to help improve the facilities our community offers to both visitors and residents alike.

SPECIAL Community Forum Meeting

This meeting is for anyone interested in having input into the present and future of **Jindera** and is an open invitation to **Jindera Community Groups** and **Jindera Residents** to voice their opinion on what Jindera **needs**, or **does not** need.

The evening will be co-convened by the **Jindera Multi-Purpose Hall Committee** and the **Jindera Community Forum** and will involve a brief introduction, with the main activity being **informal input** from those in attendance.

If anyone is unable to attend the meeting, your feedback is important and can be emailed to either jinderamphallcommittee@gmail.com or jinderacommunityforum@gmail.com.
(Enquiries to Kathy Anderson on 0407 357 082 or jinderamphallcommittee@gmail.com)
